5. MAINTENANCE

To ensure the longevity and cleanliness of your wooden coffee maker set, please follow these maintenance guidelines:

- **Cleaning:** Wipe the wooden components with a clean, dry cloth. For light cleaning, a slightly damp cloth can be used, followed immediately by a dry cloth.
- **Avoid Water:** This product is made of wood and painted with water-based paint. **Do not immerse in water or expose to excessive moisture**, as this can cause the wood to swell, warp, or the paint to peel.
- **Storage:** Store the toy in a dry place away from direct sunlight and extreme temperatures to prevent damage to the wood and paint.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discontinue use if any parts are broken or splintered to prevent injury.

6. TROUBLESHOOTING

If you encounter any issues with your Giant Bean Wooden Coffee Maker Set Toy, consider the following:

- **Parts Not Fitting:** Ensure all pieces are correctly oriented. Wooden toys can sometimes have slight variations. Do not force parts together.
- **Paint Chipping:** While durable, excessive impact or exposure to moisture can cause paint to chip. Refer to the maintenance section for care instructions. If chipping occurs, ensure no sharp edges are present before continued play.
- **Missing Pieces:** If any pieces are missing upon arrival, please contact customer support immediately.
