Using the 2-in-1 Vanity and Desk:

- **Vanity Mode:** With the tri-folding mirror attached, the set functions as a dressing table. The three mirrors allow for viewing from different angles. The side mirrors can be folded inwards (180-degree folding) when not in use or for compact storage.
- **Desk Mode:** To convert to a study or activity desk, carefully detach the tri-folding mirror unit from the vanity table. The remaining table provides a spacious surface for writing, drawing, or other activities.

Storage Utilization:

- The vanity features ample storage space, including shelves on both side units. These are suitable for organizing cosmetics, small toys, books, and other items.
- Encourage children to use the storage to cultivate organizational habits.
