Fulext FULH02

Fulext Sleep Headphones Bluetooth Headband User Manual

Model: FULH02

INTRODUCTION

Thank you for choosing the Fulext Sleep Headphones Bluetooth Headband. This device combines a sleep mask, Bluetooth headphones, and a sports headband into one versatile product. It is designed to provide comfort and audio enjoyment for various activities, including sleeping, exercising, traveling, and meditation. This manual provides essential information for setting up, operating, and maintaining your new headband.

WHAT'S IN THE BOX

- Fulext Sleep Headphones Bluetooth Headband
- USB-C Charging Cable
- User Manual

PRODUCT OVERVIEW

The Fulext Sleep Headphones Bluetooth Headband integrates audio technology into a comfortable fabric headband. It features thin, adjustable speakers and an integrated control panel for easy operation.

Key Features:

- **3-in-1 Design:** Functions as a sleep mask, Bluetooth headphones, and a sports headband.
- **Bluetooth 5.2:** Provides stable and efficient wireless connection.
- **Comfortable for Side Sleepers:** Features thin, adjustable speakers that do not cause discomfort when lying on your side.
- **Integrated Controls:** Easy access to play/pause, volume, and track selection.
- **Built-in Microphone:** Allows for hands-free calling.
- **Long Battery Life:** Up to 10 hours of playtime on a 2-hour charge.
- **Washable:** Electronic components are removable for easy cleaning of the fabric headband.

SETUP

1. Charging the Headband

1. Locate the charging port on the control panel, usually hidden within the fabric.
2. Connect the provided USB-C charging cable to the port.
3. Plug the USB-A end of the cable into a compatible USB power source (e.g., wall adapter, computer)

USB port).

4. The LED indicator on the control panel will illuminate during charging and turn off when fully charged. A full charge typically takes 2 hours.

2. Bluetooth Pairing

1. Ensure the headband is charged.
2. Press and hold the Power/Play/Pause button on the control panel for 3 seconds until the LED indicator flashes blue and red, indicating pairing mode.

3. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings and search for "BT-DLAB" (or similar device name).
4. Select the device to pair. Once connected, the LED indicator will flash blue slowly.

MAINTENANCE

Washing Instructions:

The fabric headband is washable, but the electronic components must be removed first.

1. Locate the small opening on the inside of the headband, usually near the control panel.
2. Carefully slide out the control panel and both speaker discs from their pockets within the headband.
3. Once all electronic components are removed, the fabric headband can be hand-washed or machine-

washed on a gentle cycle with cold water.

4. Air dry the headband completely before reinserting the electronic components.
5. Carefully reinsert the speaker discs and control panel into their designated pockets, ensuring the control panel is correctly aligned for external access.

Comfortable For Side Sleepers
