Ameriwood Home Luna Fireplace TV Stand Instruction Manual

Model: 9275335COM

INTRODUCTION

Thank you for choosing the Ameriwood Home Luna Fireplace TV Stand. This modern TV console is designed to accommodate most flat-screen televisions up to 75 inches or 145 lbs. It features durable MDF and particleboard construction, two adjustable glass shelves, and integrated LED lighting. The stand also includes a 23-inch electric fireplace with a crystal ember bed, offering both warmth and ambiance to your living space. This manual provides essential information for the safe assembly, operation, and maintenance of your new TV stand.

SAFETY INFORMATION

Please read all safety instructions before assembly and operation. Failure to follow these instructions may result in electric shock, fire, property damage, or personal injury.

- **Electrical Safety:** The UltraFlame infrared electric heater operates on a standard 120V outlet. Ensure the power cord is not pinched or routed in a way that could cause damage. Do not overload electrical circuits.
- **Placement:** Place the TV stand on a flat, level surface. Do not block the air vents of the fireplace insert. Maintain adequate clearance from combustible materials.
- **Weight Capacity:** The top surface supports up to 145 lbs. Each adjustable shelf supports up to 15 lbs. Do not exceed these weight limits to prevent structural damage or injury.
- **Assembly:** Assembly requires two adults. Follow all assembly steps carefully. Do not use power tools for assembly unless specifically instructed, as this may overtighten fasteners and damage the unit.

- **Formaldehyde:** This product may contain formaldehyde, a substance known to the State of California to cause cancer. Ensure proper ventilation during and after assembly.
- **Children and Pets:** Keep children and pets away from the fireplace unit, especially when it is operating, as surfaces can become hot.

PACKAGE CONTENTS

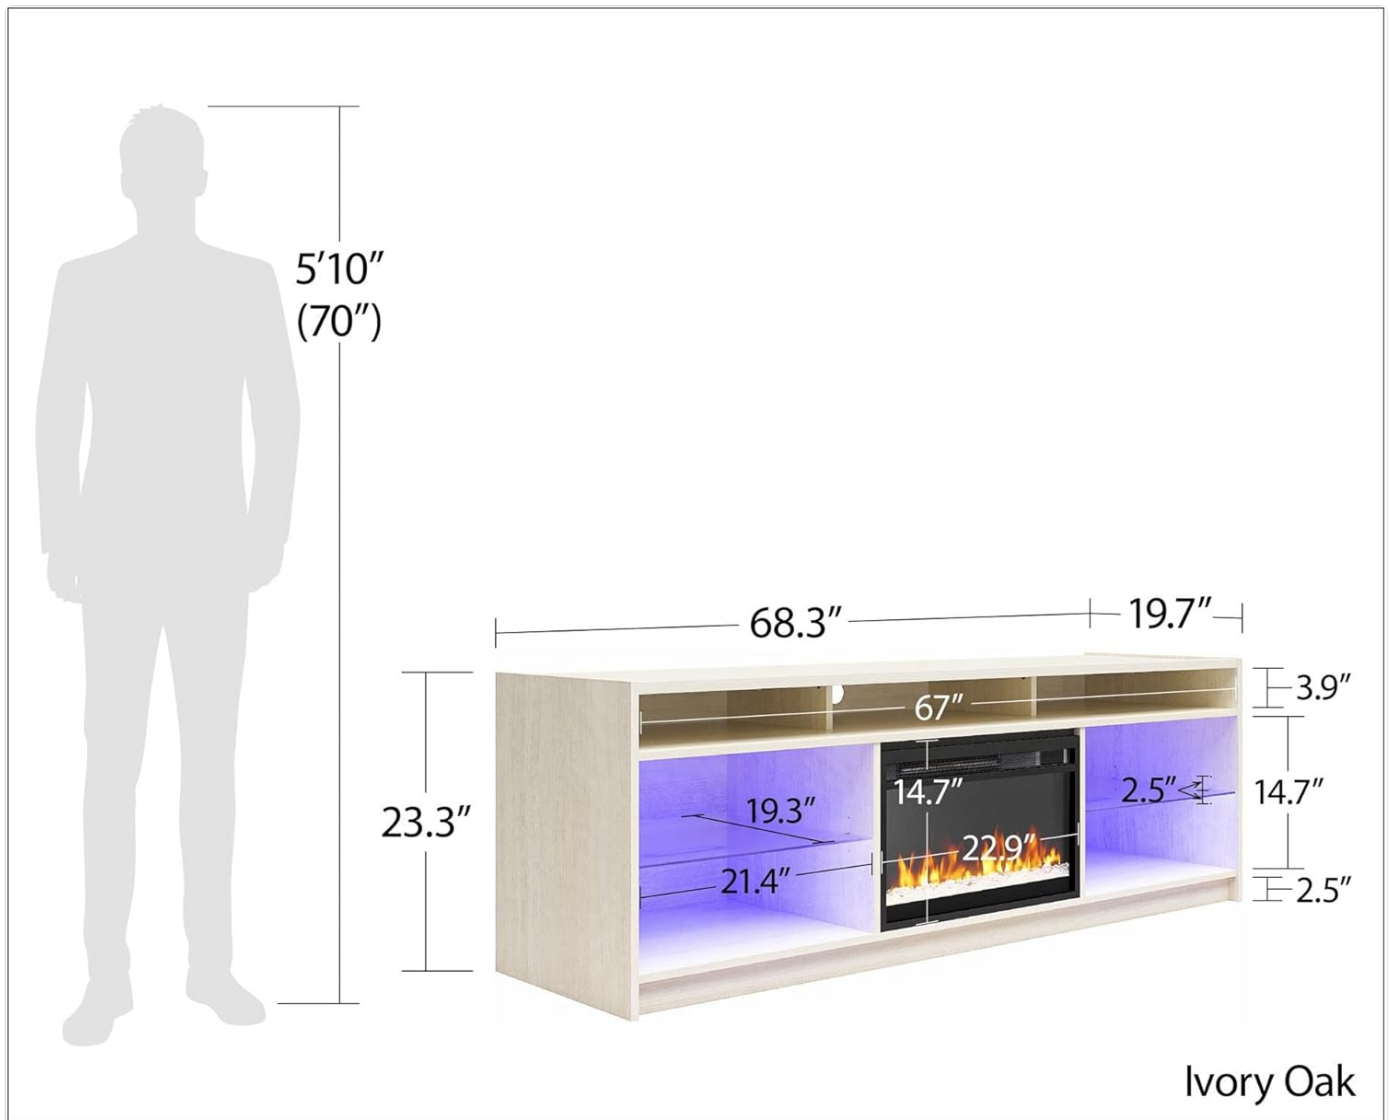

Before beginning assembly, ensure all parts are present and undamaged. Refer to the separate assembly instructions included with your product for a detailed list of components and hardware. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- All necessary panels and components for the TV stand structure.
- 23-inch electric fireplace insert.
- Adjustable glass shelves.
- LED light strips and associated wiring.
- Remote control for the fireplace.
- Hardware pack (screws, dowels, cam locks, etc.).
- Assembly instructions.

SETUP AND ASSEMBLY

The Ameriwood Home Luna Fireplace TV Stand ships flat and requires assembly. Two adults are recommended for safe and efficient assembly. Please follow the detailed step-by-step instructions provided in the separate assembly guide included in your packaging.

1. **Unpack Components:** Carefully unpack all parts and hardware. Lay them out on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Match each part to the diagrams in the assembly guide.
3. **Assemble Frame:** Begin by assembling the main frame of the TV stand according to the instructions.
4. **Install Shelves:** Insert the adjustable glass shelves into the desired positions.
5. **Integrate Fireplace:** Carefully install the 23-inch electric fireplace insert into its designated opening. Ensure it is securely seated.
6. **Connect LED Lighting:** Attach and connect the LED light strips as indicated in the assembly guide. Route all wires through the designated wire pass-throughs for a tidy setup.
7. **Final Placement:** Once assembled, position the freestanding TV stand in its desired location, ensuring it is level and stable.

Product Dimensions

68.3 in. W x 19.7 in. D x 23.3 in. H

Weight Limit: Top - 145 lbs.

Each Shelf: 15 lbs.

OPERATING INSTRUCTIONS

Electric Fireplace Operation

The 23-inch electric fireplace features a crystal ember bed and offers various flame and heat settings. It can be controlled via the included remote control or the touch panel buttons on the unit.

Image: A detailed diagram of the fireplace insert, showing the touch panel buttons, remote control, temperature range, flame settings, and crystal ember bed.

- **Power On/Off:** Press the power button on the remote or touch panel to turn the fireplace on or off.
- **Heat Function:** The fireplace can heat rooms up to 400 sq. ft. Use the heat button on the remote or touch panel to activate or deactivate the heating element. The temperature range is typically 64°-82°F.
- **Flame Effects:** Adjust the flame brightness and style using the dedicated buttons. Flame effects can be used independently of the heat function.
- **Timer:** Utilize the timer function to set the fireplace to automatically turn off after a specified duration.
- **Automatic Room Temperature Controls:** The unit includes automatic room temperature controls and a shut-off timer for convenience and safety.

LED Lighting Operation

The integrated LED light strips illuminate the interior shelves, creating mood lighting. These lights are typically controlled by a separate switch or remote, as detailed in your assembly guide.

- **Power On/Off:** Locate the switch or remote for the LED lights to turn them on or off.
- **Adjust Settings:** Some LED systems may offer adjustable brightness or color settings. Refer to the specific instructions for the LED kit.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your TV stand and fireplace.

- **Cleaning:**
 - For the wood surfaces, wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
 - For glass shelves, use a standard glass cleaner.
 - For the fireplace glass, ensure the unit is off and cool before cleaning. Use a soft cloth to gently wipe the surface.

- **Dusting:** Regularly dust all surfaces, including the fireplace vents, to prevent dust buildup that could affect performance.
- **Inspections:** Periodically check all fasteners to ensure they remain tight. Inspect the power cord for any signs of damage.

TROUBLESHOOTING

If you encounter issues with your Ameriwood Home Luna Fireplace TV Stand, refer to the following common solutions:

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, unit unplugged, circuit breaker tripped, remote battery dead.	Ensure unit is plugged into a working 120V outlet. Check circuit breaker. Replace remote batteries. Try using the touch panel controls.
No heat, but flames are visible.	Heat function is off.	Activate the heat function using the remote or touch panel.
LED lights not working.	Power disconnected, switch off, faulty LED strip.	Check LED power connections. Ensure the LED switch is on. If still not working, contact customer support.
Unit is unstable or wobbles.	Uneven floor, loose fasteners.	Adjust the unit's position on a level surface. Tighten all assembly fasteners.

If the problem persists after attempting these solutions, please contact Ameriwood Home customer support.

SPECIFICATIONS

Brand: Ameriwood Home

Model Name: Luna

Model Number: 9275335COM

Product Dimensions (Assembled): 48.3D x 172.7W x 58.4H Centimetres (19.69 in. D x 68.27 in. W x 23.27 in. H)

Material: Engineered Wood (MDF and Particleboard)

Colour: Black Oak

Item Weight: 125 Pounds

Maximum TV Size: Up to 75 inches

Maximum Top Weight Capacity: 145 lbs

Maximum Shelf Weight Capacity (each): 15 lbs
