## SETUP GUIDE

---

### 1. Charging the Headphones

Before first use, fully charge your YATWIN headphones. Connect the charging cable to the charging port on the neckband and to a USB power source. The indicator light will show charging status and turn off when fully charged. A full charge takes approximately 2 hours.

### 2. Powering On/Off

- **Power On:** Press and hold the Multi-function button (usually the middle button on the control panel) for 3 seconds until the LED indicator flashes blue.
- **Power Off:** Press and hold the Multi-function button for 3 seconds until the LED indicator flashes red and then turns off.

### 3. Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Multi-function button for approximately 5-7 seconds until the LED indicator flashes red and blue alternately. This indicates pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "YATWIN RUNNER PRO" from the list of found devices.
5. Once connected, the LED indicator on the headphones will flash blue slowly or turn solid blue, and you will hear a confirmation tone.
6. If prompted for a password, enter "0000".

#### 4. Wearing the Headphones

Place the neckband around your neck, ensuring the control panel is easily accessible. Insert the earbuds comfortably into your ears. The headphones come with different sized ear cushions (S/M/L) to ensure a secure and comfortable fit. Experiment with the different sizes to find the best seal for optimal sound quality and noise isolation.

## OPERATING INSTRUCTIONS

---

### Music Playback

- **Play/Pause:** Press the Multi-function button once.
- **Next Track:** Press and hold the Volume Up (+) button for 2 seconds.
- **Previous Track:** Press and hold the Volume Down (-) button for 2 seconds.
- **Volume Up:** Short press the Volume Up (+) button.
- **Volume Down:** Short press the Volume Down (-) button.

### Call Management

- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.
- **Redial Last Number:** Double-press the Multi-function button.

### Voice Assistant

- **Activate Voice Assistant (Siri/Google Assistant):** Triple-press the Multi-function button.

## MAINTENANCE

---

- **Cleaning:** Regularly clean the earbuds and neckband with a soft, dry cloth. For ear tips, you can gently wipe them with a damp cloth and mild soap, then dry thoroughly before reattaching. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures. The magnetic earbuds can be clasped together to prevent tangling.
- **Water Resistance:** While the headphones are IPX7 waterproof, meaning they can withstand submersion in up to 1 meter of water for 30 minutes, they are not designed for swimming or prolonged underwater use. Ensure the charging port cover is securely closed to maintain water resistance. Dry the headphones completely before charging if they have been exposed to moisture.

## TROUBLESHOOTING

---

Problem	Solution
Headphones won't turn on.	Ensure the headphones are fully charged. Connect to a power source and try again after a few minutes.
Cannot pair with device.	Ensure headphones are in pairing mode (flashing red and blue). Turn off Bluetooth on your device and turn it back on. Delete "YATWIN RUNNER PRO" from your device's Bluetooth list and try pairing again. Move the headphones closer to your device. Ensure no other Bluetooth devices are interfering.

Problem	Solution
No sound or low volume.	<p>Increase volume on both the headphones and your connected device.</p> <p>Ensure the headphones are properly connected to your device.</p> <p>Check if the ear tips are properly sealed in your ears.</p>
Intermittent connection.	<p>Move closer to your connected device (within 10 meters).</p> <p>Avoid physical obstructions between the headphones and your device.</p> <p>Minimize interference from other wireless devices.</p>
