HOMCOM 834-114BN

HOMCOM 54-inch Tall Bathroom Storage Cabinet User Manual

Model: 834-114BN

Introduction

Thank you for choosing the HOMCOM 54-inch Tall Bathroom Storage Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

Important Safety Information

For your safety and to prevent damage to the product, please observe the following:

- **Anchor the cabinet:** Always secure the unit to a wall using the provided anti-tipping hardware to prevent accidental tipping, especially in households with children or pets.
- **Assembly:** Follow all assembly instructions precisely. Incorrect assembly can lead to instability and potential injury.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 11 lbs (5 kg) for the entire unit. Distribute weight evenly across shelves and drawers.
- **Placement:** Place the cabinet on a flat, level, and stable surface.
- **Cleaning:** Use a soft, damp cloth for cleaning. Avoid harsh chemicals or abrasive cleaners.

Proposition 65 Warning: This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Package Contents

Before assembly, verify that all parts and hardware are present. Refer to the included assembly diagram for a complete list of components.
Included Components: Drawers, Anti-Tipping Hardware.

Setup and Assembly

Assembly is required for this product. Please follow the step-by-step instructions provided in the separate assembly manual included in your package. A Phillips head screwdriver is typically required for assembly.

General Assembly Tips:

- Clear a spacious area for assembly.
- Lay out all parts and hardware and identify them using the provided labels.
- Do not overtighten screws during initial assembly; tighten fully once the unit is stable.
- Ensure all connections are secure before use.
- Utilize the anti-tipping hardware to secure the cabinet to a wall.

Operating and Use

This HOMCOM storage cabinet is designed for organizing various items in your bathroom or other small spaces. Its features include:

- **Ample Storage:** Two open shelves for easy access, a large cabinet for concealed storage, and two drawers for smaller items. Ideal for towels, toiletries, and other essentials.
- **Space-Saving Design:** The narrow, freestanding vertical design is suitable for small rooms and tight spaces.
- **Stability:** Equipped with anti-tipping hardware for enhanced safety and stability when secured to a wall.

Maintenance and Care

Proper care will extend the life and appearance of your cabinet:

- **Cleaning:** Wipe surfaces with a soft, slightly damp cloth. Dry immediately. Do not use abrasive cleaners, strong detergents, or furniture polish containing silicone.
- **Spills:** Clean up spills promptly to prevent moisture damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Environment:** Avoid placing the cabinet in direct sunlight or near heat sources to prevent warping or discoloration.

Troubleshooting

Problem	Possible Cause	Solution
Cabinet feels wobbly or unstable.	Loose fasteners; not anchored to wall; uneven floor.	Ensure all screws are tightened. Install or check wall anchor. Place on a level surface or use shims.
Drawers do not slide smoothly.	Incorrect assembly of drawer slides; debris in tracks.	Review assembly instructions for drawer slide installation. Clean tracks of any obstructions.
Cabinet door is misaligned.	Hinges not properly adjusted or installed.	Adjust hinge screws to align the door. Refer to assembly instructions for hinge adjustment details.

Specifications

Brand	HOMCOM
Model Number	834-114BN
