Sharper Image LightBoard Go LED Writing Pad with Stand

Model: 1015759

INTRODUCTION

The Sharper Image LightBoard Go is an innovative LED writing pad designed for displaying messages, lists, and notes with vibrant illumination. Featuring a large LED display and 7 distinct light modes, it ensures your content stands out. Its versatile design includes a built-in kickstand for tabletop use and a magnetic mount for attachment to metal surfaces. The wipe-clean acrylic surface allows for repeated use with the included washable markers.

Safety Information

- Keep the device away from water or excessive moisture.
- Do not expose to extreme temperatures.
- Use only the specified washable markers. Other markers may permanently stain the surface.
- Clean the writing surface with a damp, non-abrasive cloth. Avoid paper towels or abrasive materials.
- Ensure batteries are inserted with correct polarity. Remove batteries if the device will not be used for an extended period.
- This product is not a toy. Keep out of reach of small children.

Package Contents

Please check the package to ensure all items are present:

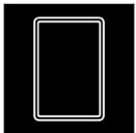

- 1 x Sharper Image LightBoard Go LED Writing Pad
- 3 x Washable Markers

Note: 3 x AA 1.5V batteries are required and not included.

SETUP

1. Battery Installation

1. Locate the battery compartment on the back of the LightBoard Go.
2. Open the battery compartment cover.
3. Insert 3 AA 1.5V batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Close the battery compartment cover securely.

2. Stand Setup (Optional)

The LightBoard Go features a built-in kickstand for tabletop display:

- Flip out the kickstand located on the back of the device.
- Adjust the kickstand to your desired angle for stable placement on a flat surface.

3. Magnetic Mounting (Optional)

For magnetic surfaces like refrigerators, use the integrated magnetic mount:

- The LightBoard Go has magnets on its back.
- Simply place the device onto any suitable metal surface.

OPERATING INSTRUCTIONS

1. Writing on the LightBoard Go

- Use the provided washable markers to write or draw directly on the acrylic screen.
- Store markers in the built-in holder on the side of the board when not in use.

2. Changing Light Modes

- Press the power button located on the top edge of the LightBoard Go to turn it on.
- Each subsequent press of the power button will cycle through the 7 unique LED light modes, offering various colors and effects.
- Continue pressing until you find your desired light mode.
- To turn off the device, cycle through all modes until the light turns off, or press and hold the power button for a few seconds.

MAINTENANCE

Cleaning the Surface

- To clean the writing surface, use a damp, non-abrasive cloth.
- Wipe the display gently to remove marker residue.
- It is recommended to clean the drawing surface within 24 hours of writing to prevent potential staining.
- Do not use paper towels, abrasive cleaners, or harsh chemicals, as these can scratch or damage the acrylic surface.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LightBoard does not turn on.	Batteries are dead or incorrectly inserted.	Check battery polarity. Replace with fresh AA batteries.
Markers are not writing clearly.	Markers are dry or low on ink.	Ensure marker caps are securely closed after use. Replace markers if dry.
Residue or stains remain after cleaning.	Surface not cleaned promptly or abrasive material used.	Clean within 24 hours of writing. Use only a damp, non-abrasive cloth. For stubborn residue, a very mild soap solution can be used sparingly, followed by a clean damp cloth.
Light modes are not cycling.	Low battery power or button malfunction.	Replace batteries. If issue persists, contact customer support.
