## 4. OPERATING INSTRUCTIONS

### 4.1 Playing with the Ocean Time Clean Up Set

This set encourages role-playing and learning about environmental care:

- **Ocean Clean Up:** Place a Block Buddy figure in the boat. Use the turning crane to 'pick up' the waste blocks from the 'ocean' (play area).
- **Sorting Station:** Transport the collected waste blocks to the sorting center. Slide the waste blocks down the ramp and sort them into their corresponding color-matching bins.
- **Recycling and Reusing:** Load the sorted waste blocks onto the green truck for 'recycling'. Imagine new uses for the 'recycled' materials.
- **Celebrate Success:** Build the happy whale figure to celebrate a successful ocean clean-up.

## 5. MAINTENANCE AND CARE

To ensure the longevity and hygiene of your MEGA BLOKS set:

- **Cleaning:** Wipe blocks and figures with a damp cloth and mild soap. Rinse thoroughly and air dry. Do not immerse electronic components (if any) in water.
- **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discontinue use if any part is broken or presents a hazard.

## 6. TROUBLESHOOTING

If you encounter any issues with your MEGA BLOKS set, consider the following:

- **Blocks not connecting properly:** Ensure blocks are clean and free of debris. Apply gentle, even pressure when connecting.
- **Missing pieces:** Refer to the 'Package Contents' section. If pieces are missing upon initial unboxing, contact customer support.
