MEGA Brands HALO Renegade Banshee Vehicle Building Set Instruction Manual

Model: HNC56

INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your MEGA Brands HALO Renegade Banshee Vehicle Building Set. Please read all instructions carefully before beginning assembly to ensure proper construction and enjoyment of your product. This set is designed for ages 13 and up.

PRODUCT OVERVIEW

The MEGA Halo The Series Vehicle Building Set features the iconic Renegade Banshee aircraft, reinterpreted from the Halo: The Series television show. This authentically designed model includes poseable wings and a working cockpit door. The set comes with two highly detailed, super poseable micro action figures: Soren-006 and an Elite Minor. With 205 bricks and pieces, this set combines with all MEGA building sets and is compatible with other major building block brands, fostering creative thinking skills.

ASSEMBLY INSTRUCTIONS

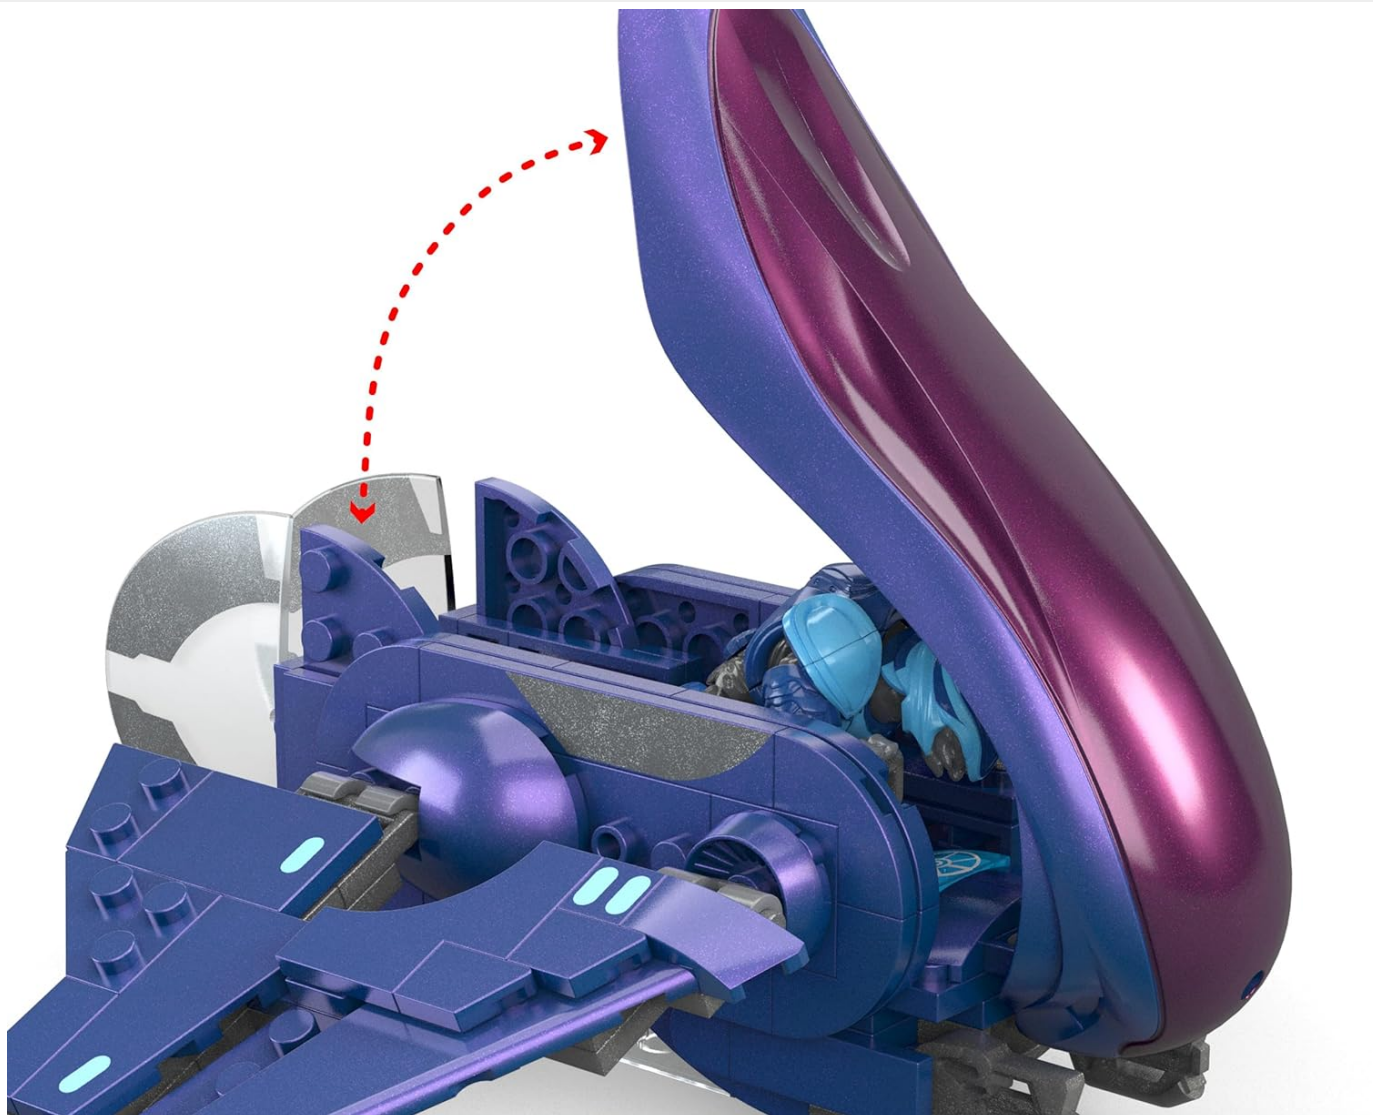

Follow the step-by-step diagrams provided in the included physical instruction booklet for detailed assembly. Below are key features and tips for construction.

Key Assembly Features:

- **Poseable Wings:** The Banshee's wings are designed to be poseable, allowing for dynamic display options. Ensure all connecting pieces are firmly attached.
- **Working Cockpit Door:** The cockpit canopy opens and closes, providing access to place a micro action figure inside.
- **Micro Action Figures:** Assemble Soren-006 and the Elite Minor figures according to their individual instructions. Their accessories are swappable.

OPERATING INSTRUCTIONS

This building set is designed for manual operation and imaginative play. Once assembled, the Banshee aircraft and micro action figures can be posed and arranged in various scenarios.

- **Figure Placement:** Open the Banshee's cockpit to place one micro action figure inside. Ensure the figure is seated securely before closing the canopy.
- **Wing Articulation:** Gently adjust the Banshee's wings to achieve desired flight or landing poses. Avoid excessive force to prevent damage.
- **Figure Posing:** The micro action figures are super poseable. Carefully manipulate their joints to create dynamic

action stances.

- **Accessory Use:** Attach weapons and armor accessories to the figures as desired.

MAINTENANCE

To ensure the longevity and appearance of your MEGA Halo Renegade Banshee set, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For more thorough cleaning, use a slightly damp cloth with mild soap and water, then dry immediately. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic components.
- **Handling:** Handle the assembled model and figures with care to avoid accidental disassembly or breakage of small parts.

TROUBLESHOOTING

If you encounter any issues during assembly or play, refer to the following common solutions:

Problem	Possible Cause	Solution
Pieces do not fit together.	Incorrect piece selection or orientation.	Double-check the instruction diagrams to ensure you are using the correct pieces and orienting them properly. Apply firm, even pressure.
Assembled section feels loose.	Pieces not fully pressed together.	Ensure all bricks are fully interlocked. Press firmly until you hear or feel a click.
Missing pieces.	Packaging error or pieces misplaced.	Carefully check all packaging materials. If pieces are genuinely missing, contact customer support (see Warranty and Support section).
Cockpit door does not open/close smoothly.	Obstruction or improper assembly of hinge mechanism.	Inspect the hinge area for any misaligned pieces or debris. Reassemble the cockpit door section if necessary.
