boAt Airdopes 190 TWS Earbuds User Manual

Model: Airdopes 190

INTRODUCTION

This manual provides detailed instructions for the safe and efficient use of your boAt Airdopes 190 TWS Earbuds. Please read this manual thoroughly before using the product and retain it for future reference.

What's in the Box

- 1 x TWS Earbuds (boAt Airdopes 190)
- 1 x Charging Case
- 1 x USB Charging Cable
- 2 x Additional Earbud Pairs (different sizes)
- 1 x User Manual

PRODUCT OVERVIEW

The boAt Airdopes 190 are True Wireless Stereo (TWS) earbuds designed for an enhanced audio experience, featuring low latency for gaming, extended playtime, and clear call quality.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB Type-C cable to the charging port on the case and to a power source.

- **ASAP Charge:** A 10-minute charge provides up to 180 minutes of playtime.
- The charging case provides an additional 30 hours of playtime, extending the total playback to 40 hours.

40HRS PLAYBACK

2. Pairing with a Device

1. Open the lid of the charging case. The earbuds will automatically power on due to IWP (Insta Wake N' Pair) technology.
2. The earbuds will enter pairing mode, indicated by flashing LEDs.
3. On your device (smartphone, tablet, PC), enable Bluetooth and search for available devices.
4. Select "Airdopes 190" from the list of available devices to connect.
5. Once connected, a confirmation sound will play, and the earbud LEDs will indicate a successful connection.

The Airdopes 190 utilize Bluetooth v5.3 for a stable and efficient wireless connection.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Open the charging case lid (IWP technology) or long-press the touch control on both earbuds.
- **Power Off:** Place the earbuds back into the charging case and close the lid, or long-press the touch control on both earbuds until they power off.

Touch Controls

The Airdopes 190 feature intuitive touch controls for managing playback, calls, and voice assistants.

Function	Action
Play/Pause Music	Single tap on either earbud
Next Track	Double tap on the right earbud
Previous Track	Double tap on the left earbud
Answer/End Call	Single tap on either earbud
Reject Call	Long press on either earbud

Function	Action
Activate Voice Assistant	Triple tap on either earbud (Google Assistant, Siri)
Toggle BEAST Mode	Specific touch gesture (refer to quick start guide for exact gesture)

Clear Voice Calls (ENx Tech)

The Airdopes 190 are equipped with Quad Mics and ENx Technology, which cancels out unwanted background noise during calls, ensuring clear communication.

Breathing LEDs

The earbuds and charging case feature breathing LEDs that provide visual feedback and enhance the aesthetic during use, particularly in gaming environments.

MAINTENANCE

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts on both earbuds and case are clean and free of debris.

Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Avoid storing in extreme temperatures or high humidity.

Water Resistance (IPX4)

The Airdopes 190 are IPX4 rated, meaning they are resistant to splashes and sweat. They are not designed for submersion in water. Avoid exposing them to heavy rain or direct water jets.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Place earbuds back in the case, close the lid, then open again to re-enter pairing mode. Forget "Airdopes 190" from your device's Bluetooth settings and try pairing again. Try pairing with a different device to rule out device-specific issues.
Only one earbud working	Ensure both earbuds are charged. Place both earbuds in the charging case, close the lid, wait a few seconds, then open again. Perform a factory reset (refer to the quick start guide for specific steps).
Low volume or poor sound quality	Adjust volume on both your device and the earbuds. Ensure earbuds are properly seated in your ears. Clean any earwax or debris from the earbud nozzles. Try different ear tip sizes for a better seal.
Charging issues	Ensure the charging cable is securely connected. Try a different USB port or power adapter. Clean the charging contacts on the earbuds and inside the case.
