MAJORITY TRU 1

MAJORITY Tru 1 Wireless Bluetooth Earbuds User Manual

Model: TRU 1

Introduction

Thank you for choosing the MAJORITY Tru 1 Wireless Bluetooth Earbuds. This manual provides essential information for setting up, operating, and maintaining your new earbuds. Please read these instructions carefully before use and retain them for future reference.
For optimal performance and safety, always follow the guidelines provided in this manual.

Package Contents

Image: The retail packaging for the MAJORITY Tru 1 earbuds, displaying the earbuds, charging case, USB-C cable, and three pairs of silicone ear tips.

Ensure all items are present in the package:

- 1x Set of MAJORITY Tru 1 Wireless Earbuds
- 1x Wireless Charging Case
- 1x USB-C Charging Cable
- 3x Pairs of Silicone Ear Tips (various sizes)
- 1x User Manual (this document)

Product Overview

Image: The MAJORITY Tru 1 wireless earbuds standing upright next to their open charging case, all in white.

The MAJORITY Tru 1 earbuds are designed for comfortable wear and high-quality audio. Each earbud features a touch-sensitive control area and an integrated microphone. The compact charging case protects the earbuds and provides additional battery life.

Image: An exploded diagram showing the internal components of a MAJORITY Tru 1 earbud, highlighting the 13mm driver and other acoustic elements.

The earbuds are equipped with 13mm drivers for clear sound reproduction and a built-in microphone for calls.

Setup

1. Charging the Earbuds and Case

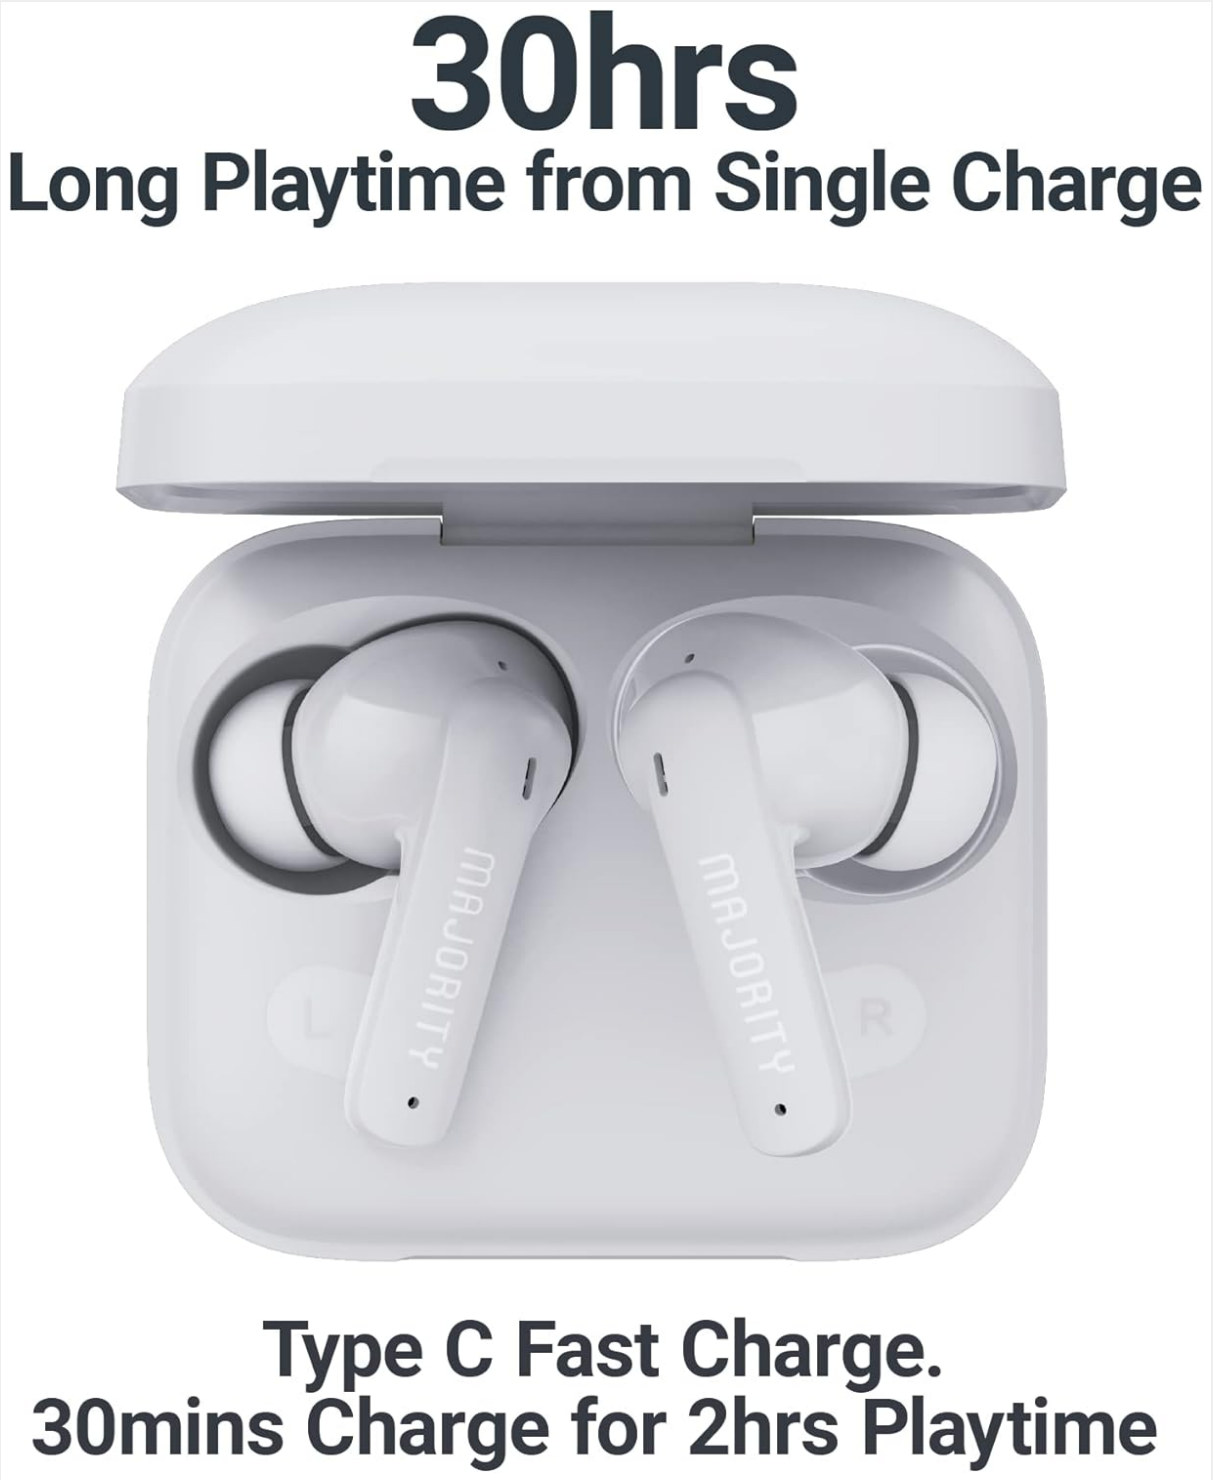

Image: The MAJORITY Tru 1 earbuds placed inside their open charging case, illustrating the Type-C fast charge capability and long playtime.

1. **Initial Charge:** Before first use, fully charge both the earbuds and the charging case.
2. **Charging the Case:** Connect the supplied USB-C cable to the charging port on the case and to a compatible USB power source. The LED indicator on the case will show charging status.
3. **Charging the Earbuds:** Place the earbuds into their respective slots in the charging case. Ensure they are correctly seated. The earbuds will begin charging automatically.

A full charge of the earbuds provides approximately 7.5 hours of playtime. The charging case provides an additional 3 full charges, extending total playtime up to 30 hours. A quick 30-minute charge can provide up to 2 hours of playtime.

2. Pairing with a Bluetooth Device

1. **Activate Bluetooth:** Ensure Bluetooth is enabled on your audio device (smartphone, tablet, laptop, etc.).
2. **Enter Pairing Mode:** Open the charging case and remove both earbuds. They will automatically enter pairing mode.
3. **Select Device:** On your audio device, search for new Bluetooth devices. Select "MAJORITY Tru 1" from the list of available devices.
4. **Confirm Connection:** Once connected, you will hear an audio prompt, and the earbuds' indicator lights will change.

The earbuds use Bluetooth 5.3 for a stable and efficient wireless connection. They will automatically reconnect to the last paired device when removed from the case, if Bluetooth is active on the device.

Operating Instructions

Touch Controls

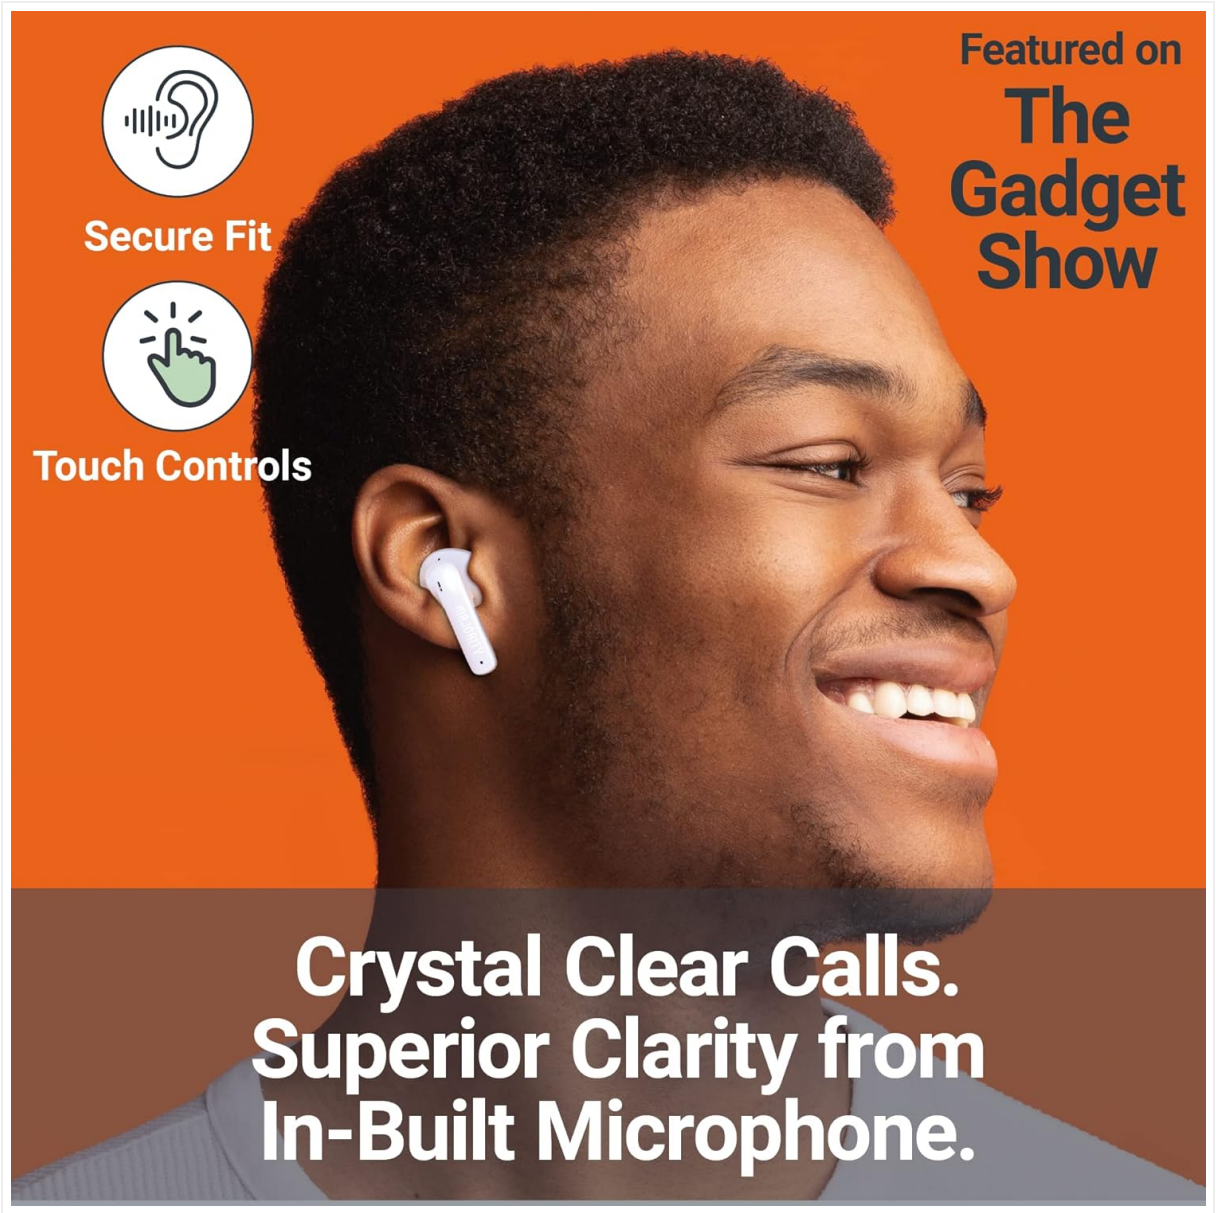

Image: A person smiling while wearing a MAJORITY Tru 1 earbud, emphasizing the secure fit, touch controls, and clear call quality from the built-in microphone.

The MAJORITY Tru 1 earbuds feature intuitive touch controls on each earbud. Specific functions may vary slightly depending on your device and operating system.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud (e.g., Siri, Google Assistant).
- **Volume Up:** Press and hold the right earbud.
- **Volume Down:** Press and hold the left earbud.

Making and Receiving Calls

The built-in microphone ensures clear communication during phone calls. Use the touch controls as described above to manage your calls.

Wearing the Earbuds

Select the ear tips that provide the most comfortable and secure fit for optimal sound quality and noise isolation. Gently insert each earbud into your ear canal and twist slightly to secure it.

Maintenance

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are IPX7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. However, the charging case is not waterproof. Ensure earbuds are completely dry before placing them back in the charging case to prevent damage.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not in constant use.

Troubleshooting

Problem	Solution
Earbuds not pairing	◦ Ensure earbuds are charged. ◦ Turn off and on Bluetooth on your device. ◦ Forget "MAJORITY Tru 1" from your device's Bluetooth list and re-pair. ◦ Place earbuds back in the case, close, wait 5 seconds, then open and try again.
No sound from one earbud	◦ Ensure both earbuds are charged. ◦ Try re-pairing the earbuds. ◦ Clean any debris from the earbud's speaker mesh.
Charging case not charging	◦ Check the USB-C cable and power adapter. ◦ Ensure the charging port is clean and free of debris.

Problem	Solution
Poor sound quality	◦ Ensure earbuds are properly seated in your ears. ◦ Try different sized ear tips for a better seal. ◦ Ensure there are no obstructions between the earbuds and your device.

Specifications

Feature	Detail
Model Name	TRU 1
Connectivity	Bluetooth 5.3
Water Resistance	IPX7 (Earbuds only)
Driver Size	13mm
Earbud Playtime	Up to 7.5 hours
Total Playtime (with case)	Up to 30 hours
Quick Charge	30 minutes charge for 2 hours playtime
Battery Type	Lithium Ion (included)
Charging Port	USB-C
Material	Plastic
Package Dimensions	11.3 x 9.9 x 3.2 cm
Weight	100 g (package)
