# mDesign Wide Plastic Stackable Bathroom Storage Organizer Bin User Manual

Model: 22228MDBST

## INTRODUCTION

---

This user manual provides comprehensive instructions for the mDesign Wide Plastic Stackable Bathroom Storage Organizer Bin. It covers product overview, setup, operating procedures, maintenance, troubleshooting, and detailed specifications to ensure optimal use and longevity of your organizer.

## PRODUCT OVERVIEW

---

The mDesign Wide Plastic Stackable Bathroom Storage Organizer Bin is designed to help organize various items in your home, particularly in bathrooms, cabinets, vanities, shelves, and closets. Its clear design allows for easy visibility of contents, and the stackable feature maximizes vertical storage space.

- **Material:** Durable, clear plastic construction.
- **Design:** Features a convenient pull-out drawer for easy access.
- **Dimensions:** Approximately 16 inches long, 12 inches wide, and 4 inches high.
- **Versatility:** Suitable for cosmetics, toiletries, cleaning supplies, small towels, and other household items.
- **Stackable:** Designed to stack securely with other units of the same model to create multi-level storage solutions.

**SETUP**

The mDesign Storage Organizer Bin requires minimal setup. Follow these steps to prepare your organizer for use:

1. **Unpack:** Carefully remove the organizer from its packaging. Inspect for any damage during transit.
2. **Clean:** Before first use, it is recommended to wipe down the organizer with a soft, damp cloth to remove any dust or manufacturing residue.
3. **Placement:** Place the organizer on a flat, stable surface within your desired cabinet, vanity, shelf, or countertop.

## OPERATING INSTRUCTIONS

Using your mDesign organizer is straightforward:

- **Filling the Drawer:** Place items into the pull-out drawer. The clear design allows you to easily see and access contents.
- **Accessing Contents:** Gently pull the drawer forward to access items. The drawer is designed to be fully removable for convenience, allowing you to take it to a different location if needed.
- **Stacking Multiple Units:** To maximize vertical storage, place additional mDesign organizer bins directly on top of each other. The design allows for stable stacking.

### Versatile Applications

This organizer is suitable for various rooms and purposes:

- **Bathroom:** Store cosmetics, hair tools, lotions, and small towels.
- **Kitchen:** Organize pantry items, spices, or small kitchen gadgets.
- **Closet:** Ideal for accessories, socks, or undergarments.
- **Nursery/Baby Room:** Keep baby essentials like wipes, diapers, and small clothing items tidy.

Figure 8: The organizer containing neatly rolled towels, illustrating its use for linens.

## MAINTENANCE AND CARE

To maintain the appearance and functionality of your mDesign organizer, follow these simple care instructions:

- **Cleaning:** Wipe clean with a soft, damp cloth and mild soap. Avoid abrasive cleaners or scouring pads, as these can scratch the plastic surface.
- **Drying:** Dry thoroughly with a soft cloth after cleaning to prevent water spots.
- **Avoid Harsh Chemicals:** Do not use strong chemical cleaners, as they may damage the clear plastic.
- **Temperature:** Avoid exposing the organizer to extreme temperatures, which could cause warping or cracking.

## TROUBLESHOOTING

If you encounter any issues with your mDesign organizer, consider the following common solutions:

Problem	Possible Cause	Solution
Drawer does not slide smoothly.	Dust or debris on the sliding surfaces; drawer is overloaded.	Remove the drawer and clean the interior surfaces of the bin and the exterior of the drawer with a damp cloth. Ensure the drawer is not overloaded beyond its capacity.
Stacked units feel unstable or slide.	Uneven surface; heavy items placed on top; units are not designed to "lock" together.	Ensure the base unit is on a completely flat and stable surface. Distribute weight evenly within the drawers. While designed for stacking, the units do not physically lock; for enhanced stability, especially if frequently accessing items or if the stack is tall, consider placing non-slip pads or small adhesive strips (e.g., velcro dots) on the corners between stacked units.
Cracks or damage to the plastic.	Impact during handling or shipping; excessive weight.	Inspect the product upon receipt. If damaged, contact the retailer for replacement. Avoid dropping the organizer or placing excessively heavy items inside.

## SPECIFICATIONS

Feature	Detail
Brand	mDesign
Model Number	22228MDBST
Product Dimensions	12"D x 4"W x 16"H
Color	Clear
Material	Plastic
Special Feature	Stackable, Pull-Out Drawer
Number of Compartments	1
Shape	Rectangular
Item Weight	3.23 pounds (1.46 kg)
UPC	192173222287
