Havato 3.2 Cu.Ft Mini Fridge with Freezer Instruction Manual

Model: F5890C-BLACK

PRODUCT OVERVIEW

The Havato 3.2 Cu.Ft Mini Fridge with Freezer is a compact, double-door refrigeration unit designed for various small spaces. It features a separate freezer compartment and a refrigerator section with adjustable temperature controls and interior lighting. This appliance is engineered for energy efficiency and quiet operation, making it suitable for bedrooms, offices, dorms, bars, and RVs.

SETUP AND INSTALLATION

Unpacking

Carefully remove all packaging materials. Ensure no components are left inside the unit. It is recommended to keep the appliance upright for at least 24 hours before plugging it in to allow the refrigerant to settle, ensuring optimal performance.

Placement

- Place the refrigerator on a flat, stable surface away from direct sunlight and heat sources.
- Ensure adequate ventilation around the unit. Maintain a minimum clearance of 4 inches (10 cm) from walls or

other appliances.

- The appliance is designed for freestanding installation.

Adjustable Legs

The mini-fridge is equipped with adjustable leveling legs (360° rotation) to ensure stability and proper alignment. Rotate the legs to adjust the height and level the appliance on uneven surfaces.

Figure 2: Close-up view of the adjustable leveling legs, allowing for height adjustment and stability.

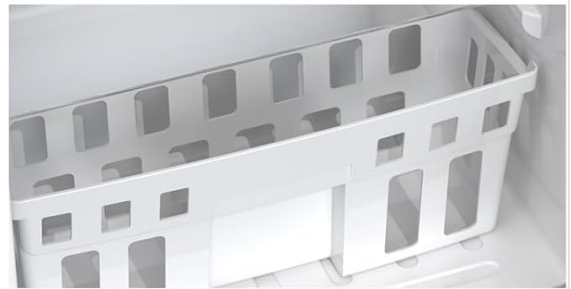

Reversible Door

The refrigerator doors are reversible, allowing you to change the opening direction to suit your space requirements. Refer to the detailed instructions in the full manual for the door reversal procedure.

Removable Shelves

The height of the compartment can be adjusted according to need, and it is also easy to clean.

Crisper Basket

Large Crisper Basket for easy storage of fruits and vegetables.

Ice Shovel & Ice Tray

Tools to make homemade ice cubes.

Figure 3: Illustration of the reversible door feature, showing how the door can be switched to open from either side.

OPERATING INSTRUCTIONS

Temperature Control

The Havato mini fridge features a 7-level adjustable thermostat. The refrigerator compartment temperature can be set between 32°F (0°C) and 50°F (10°C), while the freezer compartment operates between -1°F (-18°C) and 3°F (-16°C). Adjust the dial to your desired cooling level.

Low Noise Operation

Provide you with a comfortable atmosphere

Figure 4: Close-up of the 7-level adjustable temperature control dial located inside the refrigerator compartment.

Interior Lighting

An LED light is integrated into the refrigerator compartment, providing illumination for easy visibility of contents. The light activates automatically when the refrigerator door is opened.

Defrost System

This appliance features an automatic defrost system for the refrigerator section and a partial automatic defrost for the freezer. For optimal performance, periodically remove any accumulated ice from the freezer using the provided ice shovel.

MAINTENANCE AND CLEANING

Removable Shelves and Crisper Drawer

The refrigerator includes two detachable glass shelves and a crisper drawer. These components can be easily removed for cleaning. Wash them with mild soap and water, then dry thoroughly before reinserting.

Figure 5: Interior view showing the removable glass shelves and the crisper drawer for organized storage and easy cleaning.

Exterior Cleaning

Wipe the exterior surfaces with a soft cloth dampened with mild detergent. Avoid abrasive cleaners or solvents that could damage the finish.

SPECIFICATIONS

Model Number	F5890C-BLACK
Brand	Havato
Capacity	3.2 Cubic Feet (0.93 Cu.Ft Freezer, 2.27 Cu.Ft Refrigerator)
Product Dimensions (W x D x H)	19.96" x 18.9" x 33.46" (approx. 18.3"D x 19.7"W x 32.3"H)
Refrigerator Temperature Range	32°F to 50°F (0°C to 10°C)

Freezer Temperature Range	-1°F to 3°F (-18°C to -16°C)
Noise Level	Below 40 dB (38 dB stated)
Defrost System	Automatic (Refrigerator), Partial Automatic (Freezer)
Energy Consumption	Estimated Yearly Electricity Use: 358 kWh (Estimated Yearly Energy Cost: \$43)
Power Supply	Voltage: 115V, Frequency: 60Hz, Wattage: 150W, Rated Current: 1.1A
Special Features	Adjustable Thermostat, Interior LED Light, Crisper Drawer, Removable Shelves, Reversible Door, Low Noise Operation
