Sitodier M38-B0961

Sitodier Hot Spring Vacation House Building Blocks Kit M38-B0961 Instruction Manual

Model: M38-B0961 | Brand: Sitodier

1. INTRODUCTION

This manual provides detailed instructions for assembling and understanding the features of your Sitodier Hot Spring Vacation House Building Blocks Kit. This 439-piece set is designed to offer an engaging construction experience, resulting in a multi-level vacation house model with various interactive elements.

2. SAFETY INFORMATION

Warning: Not suitable for children under 6 years due to small parts which may present a choking hazard.

- Always supervise children during assembly and play.
- Keep small parts away from infants and young children.
- Ensure all connections are secure to prevent accidental disassembly during play.

3. WHAT'S IN THE BOX

Your Sitodier Hot Spring Vacation House Building Blocks Kit includes the following components:

- Hot Spring Vacation House Model (unassembled building blocks)
- Building Blocks (439 pieces, including extra parts)
- Detailed Instruction Manual

4. SETUP AND ASSEMBLY

Follow the included detailed, colorful building instructions for step-by-step guidance. The bricks are sub-packaged to simplify the assembly process.

1. **Unpack Components:** Carefully open the product box and remove all sub-packaged bags of building blocks and the instruction manual.
2. **Organize Bricks:** Identify the numbered bags corresponding to the assembly steps. It is recommended to open bags one at a time as instructed to avoid mixing parts.
3. **Follow Instructions:** Refer to the detailed, colorful instruction manual. Each step is illustrated with clear pictures to guide you through the construction of the Hot Spring Vacation House.
4. **Secure Connections:** Ensure each brick is firmly connected to the next. The design promotes compact and stable connections.
5. **Verify Completion:** After completing all steps, cross-reference your assembled model with the images in the manual to ensure all parts are correctly placed.

Develop Problem-solving Skills

5. OPERATING AND PLAY FEATURES

Once assembled, the Hot Spring Vacation House offers various features for interactive play:

- **Multi-Level Design:** Explore the two-story house, featuring distinct areas on each floor.
- **Detailed Interiors:** The house includes a washroom, a bedroom with a bed and lamps, a beverage room with coffee/tea machines, and a living room with seating and a fireplace.
- **Outdoor Amenities:** Enjoy the heart-shaped hot spring pool and an attached slide for figures to use.
- **Decorative Elements:** The set includes various small decorative pieces like flowers, cups, and a chandelier to enhance the play experience.

6. MAINTENANCE

To ensure the longevity and cleanliness of your building blocks kit:

- **Cleaning:** Wipe blocks with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model or individual blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Disassembly:** If disassembling, store blocks in their original sub-packaged bags or similar containers to prevent loss and facilitate future reassembly.

7. TROUBLESHOOTING

Issue	Possible Cause	Solution
Missing parts	Accidental loss during unpacking or assembly.	Check all packaging materials thoroughly. The kit includes extra parts for common small pieces. If critical parts are missing, contact customer support.

Issue	Possible Cause	Solution
Difficulty connecting bricks	Incorrect orientation or insufficient force.	Ensure bricks are aligned correctly. Apply firm, even pressure. If a brick consistently doesn't fit, verify it's the correct piece for that step according to the manual.
Assembled structure is unstable	Bricks not fully pressed together or incorrect assembly step.	Review previous steps in the instruction manual to ensure all connections are tight and correct. Apply more pressure to secure loose bricks.

8. SPECIFICATIONS

- **Product Dimensions:** 11.22 x 8.07 x 2.76 inches
- **Item Weight:** 1.46 pounds
- **Model Number:** M38-B0961
- **Manufacturer:** STCD
- **Recommended Age:** 6 years and up
- **Number of Pieces:** 439
- **Material:** Quality ABS plastic
