User Manual for Cellularline CAR FLAT Bluetooth Mono Headset

Model: BTCARFLATK

INTRODUCTION

The Cellularline CAR FLAT is a mono Bluetooth headset designed for extended comfort and versatile car integration. Its innovative on-ear design rests comfortably without interfering with the ear canal, while the ultra-stable and lightweight ear hook ensures all-day wearability. This headset offers dual attachment modes for car use: an air vent clip and an adhesive mount. The headset can be recharged via its car support base using a USB-C cable or a dedicated cable.

This manual provides instructions for setting up, operating, and maintaining your CAR FLAT headset, along with troubleshooting tips and product specifications.

WHAT'S IN THE BOX

- Cellularline CAR FLAT Bluetooth Mono Headset
- Car Support Base (with air vent clip)
- Adhesive Mount
- USB-C Charging Cable (for car support base)

Image: The Cellularline CAR FLAT headset, its car support base with an air vent clip, and an additional adhesive mount are shown, illustrating the complete package contents.

SETUP

1. Charging the Headset

The headset recharges when placed into its car support base. Ensure the car support base is connected to a power source via the USB-C cable. A full charge takes approximately 1.5 hours.

Image: The Cellularline CAR FLAT headset is shown docked in its car support base, with a USB-C cable connected to the base for charging.

2. Mounting Options for Car Support Base

The car support base offers two methods for attachment:

- **Air Vent Clip:** Attach the base directly to your car's air conditioning vent using the integrated clip.
- **Adhesive Mount:** For a more permanent fixture, use the provided adhesive to secure the base to a flat

surface in your car.

Image: The Cellularline CAR FLAT headset, docked in its car support base, is shown securely attached to a car's air vent, demonstrating its in-car placement.

3. Bluetooth Pairing

1. Ensure the headset is charged and powered on.
2. Activate Bluetooth on your mobile device (smartphone, tablet, etc.).
3. Search for available Bluetooth devices. The headset will appear as "CAR FLAT" or similar.
4. Select the headset from the list to pair. A confirmation sound or indicator light will signal successful pairing.

OPERATING INSTRUCTIONS

Power On/Off

- To power on, press and hold the multi-function button until the indicator light turns on.
- To power off, press and hold the multi-function button until the indicator light turns off.

Call Management

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button for 2 seconds.
- **Redial Last Number:** Double-press the multi-function button.

Music Playback

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Press the Volume Up button.
- **Previous Track:** Press the Volume Down button.

Volume Control

- **Increase Volume:** Press the Volume Up button.
- **Decrease Volume:** Press the Volume Down button.

Image: A detailed view of the Cellularline CAR FLAT headset highlights its control buttons and charging contacts, illustrating its design and functionality.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headset and charging base. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Recharge regularly.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Headset does not turn on.	Low battery.	Charge the headset fully.

Problem	Possible Cause	Solution
Cannot pair with device.	Bluetooth is off on device; headset not in pairing mode; too far from device.	Ensure Bluetooth is on; put headset in pairing mode; move closer to device (within 10m).
No sound or poor audio quality.	Volume too low; headset not properly connected; interference.	Adjust volume; re-pair the headset; move away from other electronic devices.
Headset disconnects frequently.	Out of range; low battery.	Stay within 10m of the device; recharge the headset.
