Energizer ENPPHH22E

Energizer PAW Patrol LED Flashlight Instruction Manual

Model: ENPPHH22E | Brand: Energizer

1. INTRODUCTION

The Energizer PAW Patrol LED Flashlight is designed to provide a gentle and reliable light source for children aged 3 and up. Its lightweight and durable construction makes it ideal for both indoor play and outdoor adventures. This manual provides essential information for the safe and effective use of your new flashlight.

2. IMPORTANT SAFETY INFORMATION

- **Age Recommendation:** Suitable for children aged 3 years and older.
- **Durability:** Features a shatterproof lens and a body that is impact-resistant up to 3 feet.
- **Battery Safety:** Always ensure batteries are inserted correctly. Do not mix old and new batteries, or different types of batteries. Remove batteries if the flashlight will not be used for an extended period.
- **Supervision:** Adult supervision is recommended during use, especially for younger children.

3. PACKAGE CONTENTS

Your Energizer PAW Patrol LED Flashlight package includes:

- One (1) Energizer PAW Patrol LED Flashlight (color may vary)
- Two (2) Energizer MAX AAA Batteries

4. SETUP: BATTERY INSTALLATION

The flashlight comes with batteries included, but for future replacement, follow these steps:

1. Locate the small screw on the red/yellow head of the flashlight.
2. Using a small Phillips head screwdriver, carefully unscrew and remove the screw.
3. Gently twist and pull off the colored head of the flashlight to reveal the battery compartment.
4. Insert two (2) AAA batteries, ensuring the positive (+) and negative (-) ends align with the indicators inside the compartment.
5. Replace the colored head, aligning the screw hole.
6. Secure the head by re-inserting and tightening the small Phillips head screw.

**You will receive 1 of 2 color options
of the handheld if purchasing online**

5. OPERATING INSTRUCTIONS

The Energizer PAW Patrol LED Flashlight features a simple push-button operation:

- **To Turn On:** Press the large red button located on the side of the flashlight.
- **To Turn Off:** Press the large red button again.

The flashlight is designed for easy use by small hands, providing instant illumination with a single press.

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the flashlight with a soft, damp cloth. Do not use abrasive cleaners or immerse in water.
- **Storage:** Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Replacement:** Replace batteries when the light becomes dim or stops working. Refer to the "Setup: Battery Installation" section for instructions.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Flashlight does not turn on.	Dead or incorrectly inserted batteries.	Check battery orientation. Replace with new AAA batteries.
Light is dim.	Low battery power.	Replace with new AAA batteries.
Button is stuck.	Debris or foreign object.	Gently clean around the button area. Do not force.
