## 2. Operating (Consumption)

- **Direct Consumption:** Drink directly from the can for convenience.
- **Glass Serving:** Pour into a glass, optionally over ice, and garnish with fresh fruit like lime wedges or cherries for an enhanced experience.
- **Mixer:** Can be used as a mixer for various beverages.

## STORAGE AND CARE

- **Unopened Cans:** Store in a cool, dry place away from direct sunlight. Refrigeration is recommended for best taste.
- **Opened Cans:** For optimal carbonation and flavor, consume immediately after opening. If not consumed fully, cover and refrigerate, but note that carbonation may diminish over time.
- **Temperature:** Avoid freezing, as this can cause cans to burst.

Troubleshooting

While Nixie Sparkling Water is a straightforward product, here are solutions to common concerns:

- **Flat Taste:** Ensure cans are properly sealed and stored in a cool environment. Carbonation can diminish if cans are opened and left exposed for extended periods.
- **Damaged Cans:** If you receive cans that are visibly damaged, bulging, or leaking, do not consume the product. Contact customer support immediately for assistance.
- **Unsatisfactory Flavor:** While taste is subjective, ensure the product is chilled to enhance flavor. If the flavor is unexpectedly off, check the expiration date.
