6. Maintenance and Care

Proper care will ensure the longevity and appearance of your Sandinrayli End Table.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** The surface is waterproof and scratch-resistant, but promptly wipe up any spills to prevent potential damage or staining.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Placement:** Avoid placing the table in direct sunlight or near heat sources, which can cause fading or warping.

7. Troubleshooting

If you encounter any issues with your end table, please refer to the following common solutions:

- **Charging Station Not Working:**
  - Ensure the table's main power cord is securely plugged into a functional wall outlet.
  - Check if the device you are trying to charge is properly connected to the AC outlet or USB port.
  - Test the wall outlet with another appliance to confirm it has power.
- **Drawers Sticking/Not Sliding Smoothly:**
  - Verify that the drawers were assembled correctly according to the manual.
  - Ensure no objects are obstructing the drawer slides.
  - Lightly apply a silicone-based lubricant to the drawer slides if needed.
- **Table Wobbles:**
  - Ensure the table is placed on a level surface.
  - Check and tighten all assembly screws and fasteners.
