SGNICS TWS Wireless Bluetooth 5.0 Earbuds

SGNICS TWS Wireless Bluetooth 5.0 Earbuds User Manual

Model: TWS Wireless Bluetooth 5.0 Earbuds

INTRODUCTION

Thank you for choosing the SGNICS TWS Wireless Bluetooth 5.0 Earbuds. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure a high-quality audio experience. Please read these instructions carefully before use.

WHAT'S IN THE BOX

Upon unboxing, please verify that all the following items are included:

- True Wireless Earbuds (Left and Right)
- Charging Case
- Type-C Charging Cable
- User Manual

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge both the earbuds and the charging case. Connect the provided Type-C cable to the charging case and a compatible USB power source. The indicator light on the case will show charging status.

- **Earbud Play Time:** Up to 4 hours on a single charge.
- **Charging Case Additional Play Time:** Provides an additional 24 hours of battery life, totaling 28 hours.
- **Charging Time:** Approximately 1 hour for a full charge.

Image: A graphic titled "Mini Size, Mega Juice" showing 4 hours play time, 32 hours standby time, and 1 hour charging time for the earbuds and case.

2. Pairing with Your Device

The earbuds feature smart one-step reconnection. After the initial pairing, they will automatically connect to your last paired device when removed from the charging case.

1. Ensure your device's Bluetooth is enabled.
2. Open the charging case and remove both earbuds. They will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "SGNICS Earbuds" (or similar name) from the list.
4. Once connected, you will hear an audio confirmation.

The advanced Bluetooth 5.0 technology ensures a stable and swift connection.

OPERATING THE EARBUDS

The SGNICS TWS Earbuds feature intuitive touch controls for managing audio playback and calls.

Touch Controls

Each earbud is equipped with a multi-functional touch panel. Specific functions may vary slightly depending on your device and application, but common controls include:

- **Play/Pause Music:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.

- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant (Siri/Google Assistant):** Triple tap on either earbud.

Wearing the Earbuds

The earbuds are ergonomically designed for comfort. Insert them gently into your ear canal and adjust for a secure fit. This ensures optimal sound quality and noise reduction.

MAINTENANCE

Proper care will extend the lifespan and performance of your SGNICS TWS Earbuds.

Cleaning

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, solvents, or aerosol sprays.
- Avoid getting moisture into any openings.

Water Resistance

The earbuds feature an IPX5 water resistance rating, making them sweat-proof and suitable for sports use. However, they are not designed for submersion in water. Avoid exposing them to heavy rain or swimming.

Sweat-proof

Sweat and water resistance,
suitable for sports use

Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

If you encounter issues with your earbuds, please try the following steps:

- **No Sound/Connection Issues:**

- Ensure both earbuds are charged.
- Verify Bluetooth is enabled on your device.
- Try unpairing and re-pairing the earbuds with your device.
- Ensure the earbuds are within the Bluetooth range of your device.

- **Earbuds Not Charging:**

- Check if the charging cable is securely connected to both the case and the power source.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- Try a different charging cable or power adapter.

- **One Earbud Not Working:**

- Place both earbuds back into the charging case, close the lid, wait a few seconds, then remove them to allow them to re-sync.
- Ensure both earbuds are charged.

- **Poor Sound Quality:**

- Ensure the earbuds are properly seated in your ears for a good seal.
- Clean any earwax or debris from the earbud speakers.
- Move closer to your connected device to avoid interference.

If the issue persists, please refer to the support information provided.
