Maria Nila 3639-01

Maria Nila True Soft Booster Instruction Manual

Model: 3639-01

Product Overview

The Maria Nila True Soft Booster is a concentrated hair treatment designed to provide intense moisture and shine to dry hair. This innovative product serves as a dual-purpose solution, replacing both a traditional hair mask and conditioner, making it ideal for efficient hair care routines.

Key Benefits

- **Deeply Moisturizing:** Formulated with emollient argan oil, antioxidants, and fatty acids to deeply hydrate and retain moisture within the hair strands.
- **Enhances Shine:** Restores natural luster and leaves hair looking healthy and vibrant.
- **Reduces Frizz:** Helps to smooth the hair cuticle, minimizing frizz and static electricity.
- **Convenient Dual-Action:** Functions as both a hair mask and conditioner, streamlining your hair care routine.
- **Pleasant Fragrance:** Features a unique flowery aroma with notes of lily, jasmine, and rose.
- **Vegan & Cruelty-Free:** 100% vegan and animal-friendly formulation.

Preparation for Use

Ensure your hair is thoroughly shampooed and rinsed before applying the True Soft Booster. For optimal absorption, gently towel-dry your hair to remove excess water, leaving it damp but not dripping wet.

Operating Instructions

1. **Step 1: Shampoo Hair:** Begin by shampooing your hair with a suitable shampoo, such as Maria Nila True Soft Shampoo, and rinse thoroughly. The shampoo has a pH of 5.5-6.0, which gently opens the hair cuticle for optimal treatment absorption.
2. **Step 2: Apply Booster Mask:** After shampooing and gently towel-drying, apply the True Soft Booster Mask. Focus the application on the lengths of your hair, ensuring even distribution. The mask has a pH of 5.0-5.5, similar to hair's natural pH, facilitating ingredient absorption.
3. **Step 3: Leave-in Time:** Allow the Booster Mask to sit in your hair for 3 minutes. For deeper conditioning, you may leave it in for up to 5-10 minutes.
4. **Step 4: Rinse Thoroughly:** Rinse your hair completely until all product is removed.
5. **Step 5: Follow with Conditioner (Optional but Recommended):** For enhanced shine and to seal the hair cuticle, follow with Maria Nila True Soft Conditioner. The conditioner has a pH of 4.0-4.5, which helps to close the cuticle, resulting in smoother, shinier, and less tangled hair. If possible, leave the conditioner in for a minute before rinsing.
6. **Step 6: Apply Argan Oil (Optional):** For an extra boost of moisture and shine, apply a small amount of Maria Nila True Soft Argan Oil to damp or dry hair, focusing on mid-lengths to ends. This oil absorbs easily and can be

combined with other styling products.

Product Care and Storage

Store the Maria Nila True Soft Booster in a cool, dry place away from direct sunlight. Ensure the cap is tightly closed after each use to maintain product efficacy and prevent contamination.

Common Hair Concerns Addressed

The True Soft series is specifically formulated for naturally dry hair. If your hair is chemically treated or severely damaged, the Maria Nila Structure Repair series may be more suitable for your needs.
