Hearts

Hearts is a trick-taking card game where the objective is to avoid capturing hearts and the Queen of Spades, as these cards carry penalty points. The player with the lowest score at the end of the game wins. Typically played with 3-5 players.

Spades

Spades is a trick-taking card game where players bid on the number of tricks they expect to win. Spades are always trump. The game emphasizes strategic bidding and teamwork (in partnerships). Suitable for 2+ players.

Euchre

Euchre is a trick-taking game played with a 24-card deck (9s, 10s, Jacks, Queens, Kings, Aces of all suits). It is typically played by four players in two partnerships. The game involves calling trump and attempting to win at least three tricks. This pack includes two complete 24-card Euchre decks and scoring cards.

Solitaire

Solitaire (also known as Patience) is a single-player card game. The objective is to arrange all cards into foundation piles in ascending order by suit. It requires strategic planning and sequencing. This deck is designed for solo play.

MAINTENANCE

To ensure the longevity and quality of your Bicycle playing cards, follow these maintenance guidelines:

- **Storage:** Store cards in their original colorful box to protect them from dust, moisture, and bending. The packaging is designed for stress-free storage and travel.
- **Handling:** Handle cards with clean, dry hands to prevent oils and dirt from accumulating on the surface.
- **Cleaning:** If cards become slightly soiled, gently wipe them with a soft, dry cloth. Avoid using water or chemical cleaners, as this can damage the card finish.
- **Shuffling:** The cards feature an air-cushion finish for easy handling and shuffling. Proper shuffling techniques will help maintain their integrity.

TROUBLESHOOTING

Most issues with playing cards are related to wear and tear or misplacement. Consider the following common scenarios:

- **Missing Cards:** Carefully check the box and playing area. If a card is genuinely missing from a new pack, contact customer support.
- **Damaged Cards:** While Bicycle cards are durable, excessive bending or moisture can cause damage. Damaged cards may affect gameplay.
- **Difficulty Sorting Decks:** The different colored backs of each game's deck are designed to make sorting easier after mixed play. Ensure you are sorting by the distinct back designs.
