## Dowinx LS-66684D

# Dowinx Gaming Chair LS-66684D-06 User Manual

Upgraded Version with Fabric, Ottoman, and 4D Armrests

## 1. INTRODUCTION

Thank you for choosing the Dowinx Gaming Chair LS-66684D-06. This upgraded version is designed to provide superior comfort and support for extended periods of use, whether for gaming, office work, or studying. It features a breathable fabric, advanced 4D armrests, and a unique pocket coil seating system for an unparalleled experience.

Please read this manual thoroughly before assembly and use to ensure proper installation, operation, and maintenance of your chair. Keep this manual for future reference.

## 2. SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Do not stand on the chair or use it as a step stool.
- Do not exceed the maximum weight capacity of 135 kg (297 lbs).
- Keep hands and fingers clear of moving parts during adjustment.
- Avoid exposing the chair to direct sunlight or extreme temperatures to prevent material degradation.
- Use on a flat, stable surface to prevent tipping.

## 3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Backrest
- Seat Base with Ottoman
- Armrests (2)
- Star Base
- Casters (5)
- Gas Lift Cylinder
- Gas Lift Cover
- Mechanism Plate

- Headrest Pillow
- Lumbar Support Pillow
- Assembly Hardware (screws, washers, Allen wrench)
- User Manual (this document)

## 4. SETUP AND ASSEMBLY

Assembly is straightforward and can be completed by one person using the included tools and instructions.

### Step-by-Step Assembly

1. Attach the casters to the star base by pushing them firmly into the holes until they click into place.
2. Insert the gas lift cylinder into the center hole of the star base. Place the gas lift cover over the cylinder.
3. Attach the mechanism plate to the underside of the seat base using the provided screws. Ensure the front of the mechanism faces the front of the seat.
4. Align the seat base with the gas lift cylinder and firmly push down until it is securely seated.
5. Attach the armrests to the seat base and backrest using the designated screws. Ensure they are oriented correctly (left and right).
6. Connect the backrest to the seat base using the remaining screws. Tighten all screws securely, but do not overtighten.
7. Attach the headrest pillow and lumbar support pillow to the chair using their straps.

## 5. OPERATING INSTRUCTIONS

Your Dowinx Gaming Chair offers multiple adjustment options for personalized comfort.

### 5.1. Height Adjustment

To adjust the chair height, pull the lever located on the right side of the seat upwards. While holding the lever, lift

your body weight off the seat to raise it, or remain seated to lower it. Release the lever at your desired height.

## 5.2. Reclining Function

The backrest can recline up to approximately 165 degrees. Pull the lever on the left side of the seat upwards to unlock the recline. Lean back to your desired angle and release the lever to lock it in place. To return to an upright position, pull the lever and lean forward.

### 170度まで調整

### 5.3. Rocking Function

The chair features a rocking function for added relaxation. Pull the lever on the right side (same as height adjustment) outwards to enable rocking. Push it inwards to lock the chair in an upright position. The tension of the rocking motion can be adjusted by turning the knob located underneath the seat.

Figure 5.2: Visual representation of the chair's 15-degree rocking range for comfortable movement.

### 5.4. 4D Armrest Adjustment

The 4D armrests offer multi-directional adjustment for optimal arm and shoulder support. They can be adjusted:

- **Height:** Press the button on the side of the armrest and move it up or down.
- **Forward/Backward:** Slide the armrest pad forward or backward.
- **Left/Right (Swivel):** Rotate the armrest pad left or right.
- **Inward/Outward:** Slide the entire armrest assembly closer to or further from the seat.

Figure 5.3: Close-up view of the 4D adjustable armrests, highlighting their multi-directional movement capabilities.

## 5.5. Retractable Ottoman

The integrated ottoman can be pulled out from underneath the seat for leg support and relaxation. Simply pull the ottoman forward until it extends fully. Push it back in when not in use to store it neatly under the seat.

## 6. KEY FEATURES

### 6.1. Breathable Fabric Material

The chair is upholstered with a high-quality, breathable fabric that prevents heat buildup, ensuring comfort during long sessions. This material is also durable and resistant to wear and tear.

## 6.2. Pocket Coil Seating

Experience sofa-like comfort with the integrated pocket coil spring cushion. This design provides balanced support, distributing weight evenly and reducing pressure on the hips and lower back, making it ideal for extended use.

## 6.3. Ergonomic Design

The chair features an S-curve backrest and adjustable lumbar support to protect your spine and maintain proper posture. The headrest pillow provides additional neck support, reducing strain during long periods of sitting.

## 7. MAINTENANCE

To ensure the longevity and appearance of your Dowinx Gaming Chair, follow these maintenance guidelines:

- **Cleaning:** For general cleaning, wipe the fabric with a soft, damp cloth. For tougher stains, use a mild fabric cleaner and follow the product instructions. Do not use harsh chemicals or abrasive cleaners. The manufacturer recommends hand washing only for the fabric.
- **Hardware:** Periodically check all screws and bolts to ensure they are tight. Retighten if necessary to prevent wobbling or instability.
- **Casters:** Clean the casters regularly to remove dust, hair, and debris that can impede smooth movement.
- **Avoid Overloading:** Do not exceed the chair's maximum weight capacity to prevent damage to the frame and components.

## 8. TROUBLESHOOTING

If you encounter any issues with your chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair wobbles or feels unstable	Loose screws or bolts	Check and tighten all assembly screws, especially those connecting the backrest, seat, and armrests.
Chair does not adjust height	Gas lift cylinder malfunction or lever issue	Ensure the height adjustment lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement. Contact customer support.
Casters do not roll smoothly	Debris caught in casters or damaged casters	Remove any hair or debris from the caster wheels. If damaged, replace the casters.
Backrest does not recline or lock	Recline mechanism jammed or lever issue	Ensure the recline lever is fully pulled or pushed. Check for any obstructions in the mechanism.

If the problem persists after attempting these solutions, please contact Dowinx customer support for assistance.

## 9. SPECIFICATIONS
