# ION Audio Total PA Extreme Instruction Manual

High-Power Bluetooth Speaker System with Sonic Wide Premium Audio and Acoustic Optimization

## 1. SETUP

---

### 1.1 Unboxing and Components

Carefully remove all contents from the packaging. Ensure all listed components are present:

- ION Audio Total PA Extreme Speaker
- Two Microphones
- Power Cable

Image: The Total PA Extreme speaker, showing its front panel with multi-color lights, two wired microphones, and a speaker stand.

## 1.2 Power Connection

Connect the included power cable to the speaker's power input and then to a standard electrical outlet. The unit is designed for corded electric operation.

## 1.3 Microphone Connection

Plug the included microphones into the designated microphone input jacks on the speaker. Ensure a secure connection for optimal audio performance.

## 2. OPERATING INSTRUCTIONS

### 2.1 Bluetooth Pairing

The Total PA Extreme features Bluetooth 5.0 for wireless audio streaming. To pair, ensure Bluetooth is enabled on your device. The speaker supports Easy Pair for NFC-enabled devices, allowing a single tap connection. Once paired, you can stream and control your music wirelessly.

### 2.2 Sonic Wide Audio and Acoustic Optimization

Experience premium sound with Sonic Wide Audio, which provides sound to the front, left, and right of the speaker. Utilize the Acoustic Optimization feature to automatically adjust sound settings by selecting your venue and event type directly on the unit.

## **SONIC WIDE AUDIO™**

Provides premium sound to the front,  
left, and right of the speaker

Image: A visual representation of Sonic Wide Audio, showing a 90-degree typical speaker range for broad sound coverage.

### **2.3 Stereo-Link Technology**

For an expanded sound experience, wirelessly connect a second Total PA Extreme speaker using Stereo-Link technology. This allows for up to 1200 watts of combined sound output.

### STEREO-LINK™

Wirelessly connects 1 additional  
Total PA™ Extreme speaker

Image: Two Total PA Extreme speakers shown side-by-side, indicating their ability to connect wirelessly via Stereo-Link technology.

#### 2.4 Lighting Effects

The speaker features 10 multi-color light modes on its woofer that glow and dance in sync with the beat of your music, enhancing the party atmosphere.

## 2.5 ION Sound XP App Control

For convenient control, download the ION Sound XP App. This application allows you to manage audio settings and lighting effects directly from your smartphone.

## ION SOUND XP™ APP Controls audio and lighting

### 2.6 Karaoke Functionality

Connect the two included microphones to the speaker to utilize its karaoke features. Adjust microphone volume and effects as needed for your performance.

### 3. MAINTENANCE

---

#### 3.1 Cleaning

To clean the speaker, use a soft, dry cloth. Do not use abrasive cleaners, waxes, or solvents, as these may damage the finish. Keep liquids away from the speaker's openings.

#### 3.2 Storage

When not in use, store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. Ensure the unit is powered off and unplugged before storage.

### 4. TROUBLESHOOTING

---

#### 4.1 No Sound Output

- Ensure the speaker is powered on and the volume is turned up.
- Check all cable connections (power, audio input).

- Verify that your audio source is playing and its volume is adequate.
- If using Bluetooth, ensure the device is properly paired and connected.

#### 4.2 Bluetooth Connection Issues

- Make sure the speaker is within the Bluetooth range of your device (typically 30 feet).
- Try unpairing and re-pairing the device.
- Disable and re-enable Bluetooth on your source device.
- Ensure no other devices are actively connected to the speaker.

#### 4.3 Lights Not Working

- Check the light mode settings on the speaker or via the ION Sound XP App.
- Ensure the speaker is receiving power.

### 5. SPECIFICATIONS

<b>Brand</b>	ION
<b>Model Number</b>	0657768060144
<b>Power Source</b>	Corded Electric
<b>Output Wattage</b>	600 Watts
<b>Number of Channels</b>	2
<b>Connectivity Technology</b>	Bluetooth
<b>Color</b>	Black
<b>Compatible Devices</b>	Smartphone
