MAF 14 Inch King Metal Platform Bed Frame Instruction Manual

Model: MT10-JD-AMZ01-14K

1. Product Overview

The MAF 14 Inch King Metal Platform Bed Frame is designed to provide a sturdy and noise-free foundation for your mattress. Constructed from heavy-duty steel, it supports up to 3000 pounds and eliminates the need for a box spring. The frame features rounded corners for safety and offers significant under-bed storage space.

Image 1.1: Overview of the MAF 14 Inch King Metal Platform Bed Frame.

2. Safety Information

- **Weight Capacity:** Do not exceed the maximum weight capacity of 3000 pounds.
- **Assembly:** Ensure all bolts are securely tightened before use. Periodically check and retighten fasteners.
- **Rounded Corners:** The frame is designed with rounded corners to minimize injury from accidental contact.
- **Floor Protection:** Rubber foot cushions are included to prevent floor damage and reduce noise.

3. Parts List

Verify that all components are present before beginning assembly. All necessary tools are included in the package.

- Metal Frame Sections
- Support Legs
- Steel Slats
- Mattress Slide Stoppers (Plastic Anti-Slip Baffles)
- Rubber Foot Cushions
- Assembly Hardware (Bolts, Washers, Nuts)
- Assembly Tool (Wrench)

4. Setup and Assembly Instructions

Assembly typically takes approximately 20 minutes for one person. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame Sections:** Connect the main frame sections using the provided hardware. Do not fully tighten bolts until all sections are aligned.
3. **Attach Support Legs:** Securely attach the support legs to the frame. Ensure rubber foot cushions are properly seated on the bottom of each leg.
4. **Install Steel Slats:** Place the steel slats into the designated U-shaped grooves on the frame. The slats are designed to be fixed and prevent sliding.
5. **Install Mattress Slide Stoppers:** Attach the plastic anti-slip baffles to the frame. Ensure they are mounted outwards to effectively prevent the mattress from slipping.
6. **Final Tightening:** Once all components are assembled and aligned, fully tighten all bolts using the provided wrench.

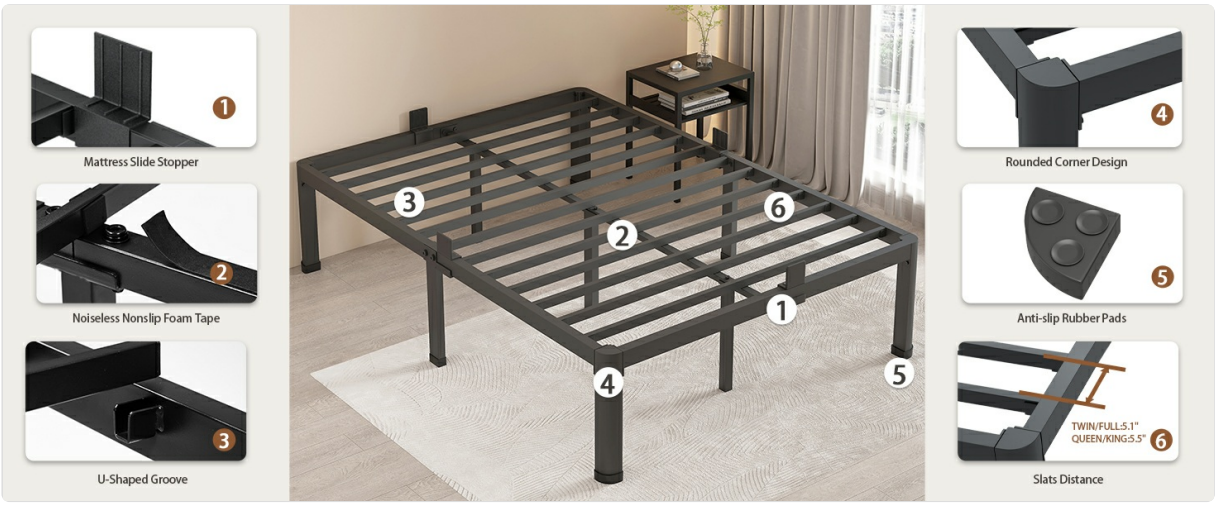

Image 4.2: Key features for assembly and stability.

5. Operating Instructions

- **Mattress Placement:** Place your mattress directly onto the steel slats. A box spring is not required.

- **Mattress Compatibility:** This King size frame is compatible with standard 80 x 76 inch mattresses.
- **Under-Bed Storage:** The 14-inch height provides 12.4 inches of clearance for under-bed storage.

Image 5.1: Illustration of available under-bed storage space.

Image 5.2: Confirmation that no box spring is required.

6. Maintenance

- **Cleaning:** Wipe the metal frame with a damp cloth and mild detergent as needed. Avoid abrasive cleaners.
- **Fastener Check:** Periodically inspect all bolts and connections to ensure they remain tight. Retighten if any looseness is detected.
- **Noise Reduction:** The frame is designed to be noise-free. If any squeaking occurs, check all connections and ensure the rubber foot cushions are intact.

7. Troubleshooting

- **Issue: Mattress is sliding.**
  Solution: Ensure the plastic anti-slip baffles are correctly installed and facing outwards. Verify that the mattress is properly centered on the frame.
- **Issue: Frame is making noise (squeaking/rattling).**
  Solution: Check all assembly bolts and tighten them securely. Ensure the rubber tips on the cross-rails are properly seated and the rubber foot cushions are in place.
- **Issue: Difficulty during assembly.**
  Solution: Refer to the assembly instructions (Section 4). Do not fully tighten bolts until all parts are loosely assembled and aligned. If a part seems difficult to fit, double-check the orientation and part number against the manual.

8. Specifications

Feature	Detail
Size	King
Product Dimensions	79.5"L x 75.5"W x 14"H
Weight Capacity	3000 LBS
Material	Heavy Duty Steel
Color	Black
Finish Type	Matte
Under-Bed Clearance	12.4 inches
Slat Distance (King/Queen)	5.5 inches
Assembly Required	Yes
Model Number	MT10-JD-AMZ01-14K
