PLUS PLUS Learn to Build ABC & 123

PLUS PLUS - Learn to Build ABC & 123 Instruction Manual

1. INTRODUCTION

The PLUS PLUS Learn to Build ABC & 123 set is an educational construction toy designed to foster creativity and learning through play. This set includes unique interlocking pieces and flash cards to guide children in building letters, numbers, and various shapes. It encourages the development of fine motor skills, logical thinking, and imagination.

2. PRODUCT COMPONENTS

The PLUS PLUS Learn to Build ABC & 123 set contains the following items:

- 400 PLUS PLUS interlocking pieces in assorted colors.
- 40 sturdy flash cards featuring upper and lowercase letters, numbers, and counting exercises.

3. SETUP AND INITIAL ASSEMBLY

No complex assembly is required for the PLUS PLUS pieces. Simply remove the pieces and flash cards from their packaging. The pieces are designed to interlock easily. To connect two pieces, align their 'plus' shapes and gently press them together until they fit snugly. They can be connected side-by-side or stacked to create three-dimensional structures.

4. OPERATING INSTRUCTIONS

4.1. Building with Flash Cards

The included flash cards serve as guides for building specific letters and numbers. Each card displays an outline or a completed example of a character or number. Select a flash card and choose the appropriate colored PLUS PLUS pieces. Follow the outline on the card to construct the letter or number. This method helps with letter and number recognition, counting, and pattern matching.

4.2. Creative Building

Beyond the flash cards, the PLUS PLUS pieces allow for open-ended creative construction. Users can design and build their own flat mosaics or intricate 3D models. Experiment with different color combinations and connection methods to create unique structures, animals, vehicles, or abstract designs. The simple, single-shape design encourages imaginative play without limitations.

5. MAINTENANCE AND CARE

To maintain the quality and cleanliness of your PLUS PLUS pieces, follow these guidelines:

- **Cleaning:** The pieces can be cleaned with mild soap and water. Rinse thoroughly and allow them to air dry completely before storage.
- **Storage:** Store the pieces and flash cards in a dry place, away from direct sunlight and extreme

temperatures, to prevent warping or damage.

- **Handling:** Avoid excessive force when connecting or disconnecting pieces to prevent stress on the plastic.

6. SAFETY INFORMATION

This product is recommended for ages 3 and up. It is made from high-quality, BPA-free and phthalate-free plastic, ensuring it is safe for children. Always supervise young children during play, especially those who may still put objects in their mouths, as small parts could pose a choking hazard.
