## Safety Information

---

- Always ensure all table and chair legs are fully extended and locked into place before use to prevent collapse.
- Do not exceed the stated weight capacities: 100 lbs for the table and 250 lbs per chair.
- Keep fingers clear of folding mechanisms when setting up or folding down the table and chairs to avoid pinching.
- Place the set on a flat, stable surface to ensure stability and prevent tipping.
- Do not stand on the table or chairs.
- Supervise children when they are around or using the furniture.

## Components List

---

Your CoscoProducts Premium 5-Piece Table & Chair Dining Set includes the following components:

- 1 x 34-inch Square Folding Card Table (Black Vinyl Top)
- 4 x Fabric Padded Seat & Back Folding Chairs (Black)

## Setup

---

Follow these steps to set up your table and chairs:

### **Setting Up the Table:**

1. Carefully remove the table from its packaging.
2. Place the table upside down on a soft, clean surface to protect the vinyl top.
3. Locate the folding legs. Each leg has a locking mechanism near the top where it connects to the table frame.
4. Extend each leg outwards until it is fully straight. Push the locking mechanism (a small metal bar or button) into place to secure the leg. Ensure all four legs are securely locked.
5. Gently flip the table upright and place it on a flat, stable surface.

### **Setting Up the Chairs:**

1. Unfold each chair by pulling the seat and backrest apart until the legs extend fully.
2. Ensure the cross braces on both the front and back legs are fully extended and locked into their respective positions for maximum stability.
3. Verify that each chair is stable before sitting on it.

## Operating

---

This dining set is designed for straightforward use:

- **Placement:** Position the table and chairs in your desired location, ensuring there is adequate space around them for comfortable movement.
- **Seating:** The chairs are designed for individual seating. The padded seat and back provide comfort for extended periods.
- **Folding for Storage:**
  - a. To fold the chairs: Lift the seat slightly, then push the back legs towards the front legs until the chair collapses flat.
  - b. To fold the table: Turn the table upside down. Locate the locking mechanisms on each leg. Disengage the locks and fold each leg inwards towards the center of the table. The table will fold flat for compact storage.

## Maintenance

---

Proper care will extend the life of your dining set:

- **Cleaning:**
  - For the vinyl table top and chair upholstery: Wipe clean with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
  - For the steel frames: Wipe with a damp cloth. Dry thoroughly to prevent rust.
- **Storage:** When not in use, store the folded table and chairs in a dry, cool place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Inspection:** Periodically check all bolts, screws, and locking mechanisms to ensure they are tight and functioning correctly. Tighten any loose fasteners as needed.
- **Floor Protection:** The chairs and table are equipped with non-marring foot caps to protect your floors. Ensure these caps are intact and replace if damaged.

## Troubleshooting

If you encounter any issues, refer to the following common solutions:

Problem	Possible Cause	Solution
Table/Chair wobbles	Legs not fully extended or locked; uneven surface.	Ensure all legs are fully extended and locking mechanisms are engaged. Move the set to a flat, even surface.
Difficulty folding/unfolding	Mechanism stiff or obstructed.	Apply a small amount of silicone lubricant to the hinge points. Check for any obstructions.
Vinyl top appears dull or stained	Accumulation of dirt or residue.	Clean with a damp cloth and mild soap. For stubborn stains, use a vinyl-safe cleaner.
