2. Important Safety Information

Please observe the following safety guidelines to prevent injury or damage to the product:

- Always assemble the desk on a stable, flat, and clean surface to ensure proper alignment and prevent scratching components.

- Secure the desk to the wall using the provided mounting accessories to prevent tipping. This is especially important in households with children or pets.
- Do not overload the desk or shelves beyond their intended weight capacity.
- Keep small parts and packaging materials away from children to avoid choking hazards.
- Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten if necessary.

3. Package Contents

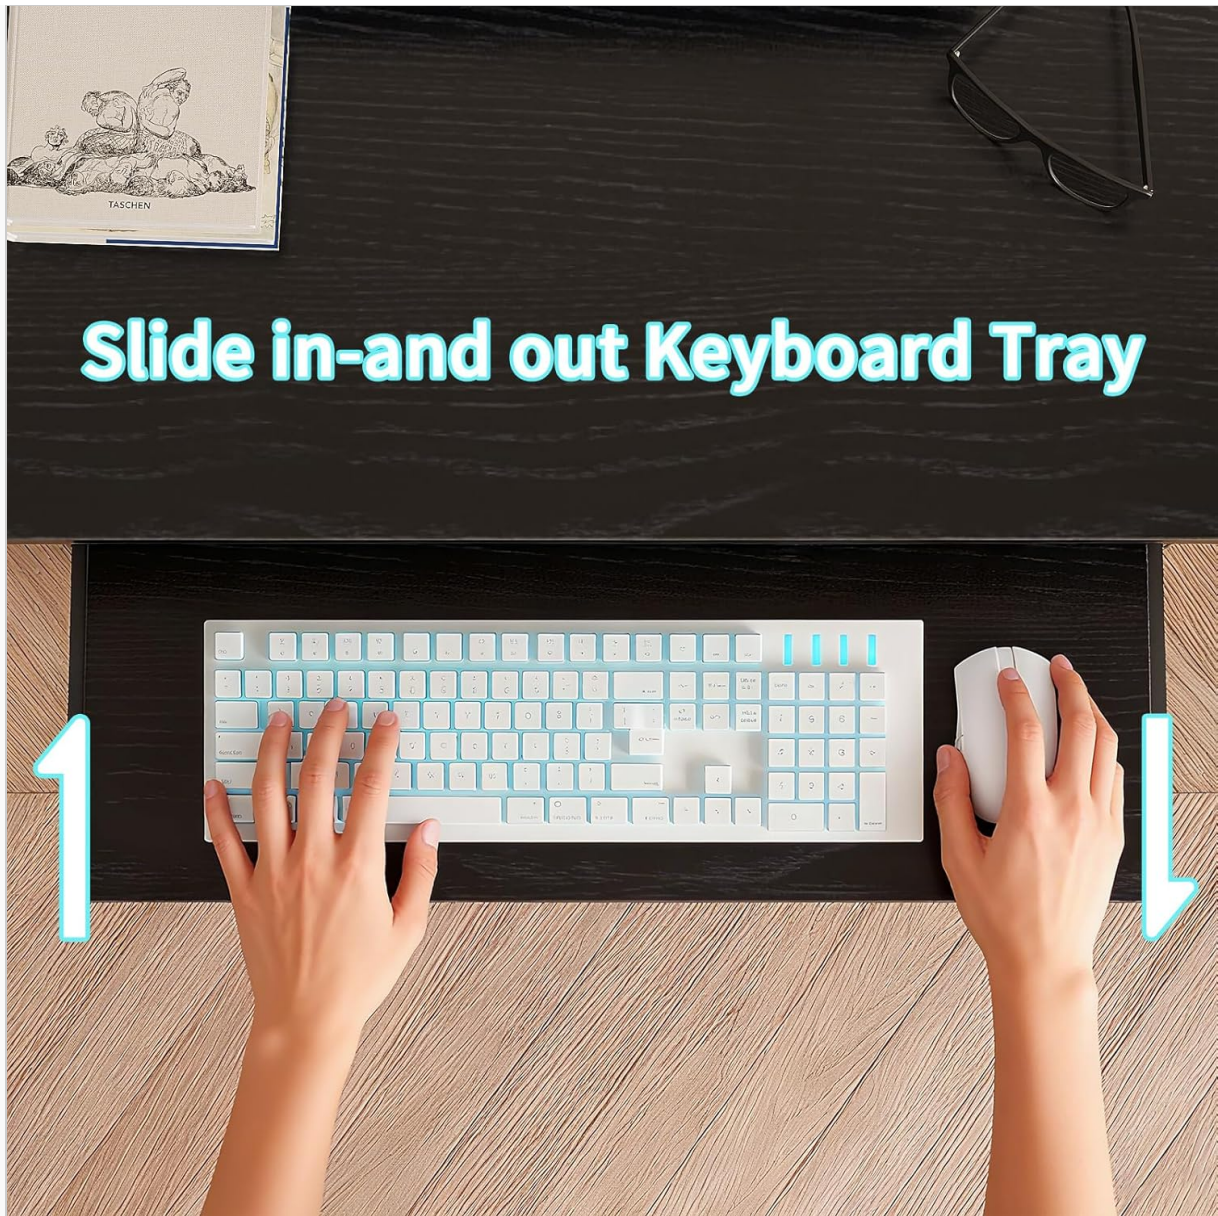

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desktop Panel
- Keyboard Tray
- Monitor Stand
- Side Panels (Left & Right)
- Storage Shelves
- CPU Holder Panel
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Assembly Tools (screwdriver, hex key)
- Anti-tip Wall Anchors

4. Assembly Instructions

Assembly typically takes approximately 30-60 minutes. All necessary tools are included in the package. Follow these steps carefully:

1. **Prepare the Area:** Clear a spacious, flat, and clean area for assembly. Lay out all components and hardware.
2. **Attach Side Panels:** Connect the side panels to the main desktop panel using the provided hardware. Ensure they are oriented correctly.
3. **Install Keyboard Tray Rails:** Secure the sliding rails for the keyboard tray to the designated slots on the side panels.
4. **Assemble Storage Shelves:** Attach the storage shelves between the side panels according to the pre-drilled holes.
5. **Integrate CPU Holder:** Assemble the CPU holder section and attach it to the lower part of the desk structure.
6. **Insert Keyboard Tray:** Slide the keyboard tray onto its installed rails.
7. **Place Monitor Stand:** The monitor stand is designed to rest securely on the main desktop surface. It is not permanently affixed, allowing for flexible positioning to suit your ergonomic needs.
8. **Final Tightening & Stability Check:** Once all components are assembled, gently tighten all screws. Do not overtighten. Ensure the desk is stable and level.
9. **Install Anti-tip Anchors:** For safety, attach the anti-tip wall anchors to the back of the desk and secure them to a wall stud.

5. Operating Instructions

The ALISENED computer desk is designed for ease of use and ergonomic comfort.

- **Keyboard Tray:** The integrated keyboard tray slides smoothly in and out. Pull it out when typing and push it back in to save space when not in use. This helps maintain an ergonomic typing position and keeps your desktop clear.

6. Maintenance

To keep your ALISENED computer desk in optimal condition:

- **Cleaning:** Wipe the desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Regular Checks:** Periodically inspect all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Avoid Excessive Moisture:** Protect the desk from prolonged exposure to moisture or direct sunlight to prevent warping or discoloration.

7. Troubleshooting

If you encounter any issues with your desk, please refer to the following common solutions:

- **Desk is Wobbly:** Ensure all screws are fully tightened. Check that the desk is on a level surface. If not, use furniture pads or shims to stabilize.
- **Keyboard Tray Not Sliding Smoothly:** Check the rails for any obstructions or debris. Ensure the

rails are installed correctly and lubricate with a silicone spray if needed.

- **Monitor Stand Appears Loose:** The monitor stand is designed to be movable and not permanently fixed to the desktop. This allows for flexible positioning. Ensure it is placed on a stable part of the main desktop.
- **Missing Parts:** Double-check the packaging. If parts are genuinely missing, contact ALISENED customer support with your purchase details.
