CARPETNAL White 7-Drawer Double Dresser Instruction Manual

Model: 02

1. PRODUCT OVERVIEW

The CARPETNAL White 7-Drawer Double Dresser is designed to provide ample storage and a modern aesthetic to your bedroom, hallway, or entryway. It features a sleek white finish with classic black knob handles, offering a versatile look that complements various decor styles. The dresser includes seven spacious drawers, with a combination of smaller and wider drawers, to organize clothing, cosmetics, photo albums, and other personal items. The large wooden top surface can be used for displaying decorations or potted plants.

2. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep all small parts and packaging materials away from children. Assembly should be performed by adults. Always use the included anti-tip kit to secure the dresser to a wall to prevent tipping and potential injury. Do not overload drawers. Distribute weight evenly.

- Ensure all screws and fasteners are tightened securely before use.
- Do not stand or climb on the dresser.
- Place the dresser on a flat, stable surface.
- Regularly check all connections to ensure they remain tight.

3. PACKAGE CONTENTS

Your CARPETNAL dresser package includes all necessary parts, hardware, and tools for assembly. Please verify all components are present and undamaged before beginning assembly. Refer to the included step-by-step instructions for a detailed list of parts.

4. ASSEMBLY INSTRUCTIONS

This modern white dresser comes with clear, step-by-step instructions and all required tools for assembly. It is recommended to assemble the dresser in the room where it will be used. Follow the provided manual carefully to ensure correct and stable construction. Assembly typically involves attaching the frame components, installing drawer slides, constructing the drawers, and finally inserting the drawers into the frame.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the labels in the instruction manual.
3. Follow the numerical steps for frame construction, ensuring all connections are firm.
4. Assemble each drawer individually, making sure the smooth glide system components are correctly installed.
5. Insert the assembled drawers into the dresser frame.
6. Attach the anti-tip kit to the back of the dresser and secure it to a wall stud according to the instructions.

5. OPERATING THE DRESSER

The dresser features seven drawers designed for smooth operation. Each drawer is equipped with a smooth sliding system, allowing for easy opening and closing. The black knob handles provide a comfortable grip. To open a drawer, gently pull the knob. To close, push the drawer back until it is fully seated within the frame. Avoid forcing drawers or overloading them to maintain the integrity of the slides and the dresser structure.

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your CARPETNAL dresser, follow these simple care instructions:

- **Cleaning:** Wipe the surface with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent staining or damage to the wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- **Humidity:** Maintain a stable humidity level in the room to prevent wood from warping or cracking.

7. TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions:

- **Drawers not sliding smoothly:** Check that the drawer slides are properly aligned and free of obstructions. Ensure all screws on the slides are tightened.
- **Dresser wobbles:** Verify that the dresser is placed on a level surface. Adjust any leveling feet if present. Re-tighten all assembly screws.

- **Missing parts:** If any parts are missing upon arrival, please contact customer service immediately for assistance.
