Always supervise young children during play. Ensure the product is used in an appropriate environment to prevent damage or injury.

### 3. SETUP

1. **Unboxing:** Carefully remove the die-cast vehicle from its packaging. Retain packaging for future reference or disposal.
2. **Inspection:** Before first use, inspect the vehicle for any loose or damaged parts. If any damage is found, discontinue use and contact customer support.
3. **Age Recommendation:** This product is suitable for ages 36 months to 13 years.

## 4. OPERATING INSTRUCTIONS

---

The Hot Wheels die-cast vehicle is designed for imaginative play and collection. It does not require batteries or complex assembly.

- **Play:** Roll the vehicle on flat, smooth surfaces. It can be used with compatible Hot Wheels tracks and playsets (sold separately), though some sets may not be compatible.
- **Collection:** Display the vehicle in a safe, visible location away from direct sunlight or extreme temperatures to preserve its condition.

## 5. MAINTENANCE

---

- **Cleaning:** To clean the vehicle, gently wipe it with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the paint or finish.
- **Storage:** Store the vehicle in a clean, dry environment. Avoid prolonged exposure to moisture or extreme temperatures.

## 6. TROUBLESHOOTING

---

- **Wheels not rolling smoothly:** Check for any debris or foreign objects lodged in the axles. Gently remove them if present.
- **Damage to vehicle:** If the vehicle sustains significant damage, it may not be repairable due to its die-cast construction. For minor issues, assess if continued use is safe.
