2.1 Components Included

- 2 x Corner Sofas
- 4 x Single Sofas
- 1 x Fire Pit Table (44")
- 1 x Coffee Table

2.2 Key Features

- **Built for the Outdoors:** Made of high-quality PE rattan wicker and steel frame, providing good support. Handwoven PE rattan is strong, durable, lightweight, and water-resistant, designed to withstand changeable weather.
- **Provides Ultra Comfort:** Cushions are made of 100% polyester fabric, water repellent, and durable. Filled with a premium 3.9" sponge for fluffiness and non-deformation, ensuring comfort during extended use.
- **55000 BTU Fire Pit Table:** Features a dual-tube stainless steel burner with a heat output of 55,000 BTU after ignition, providing stable and fully burned warmth. Propane fuel eliminates ash and smoke.

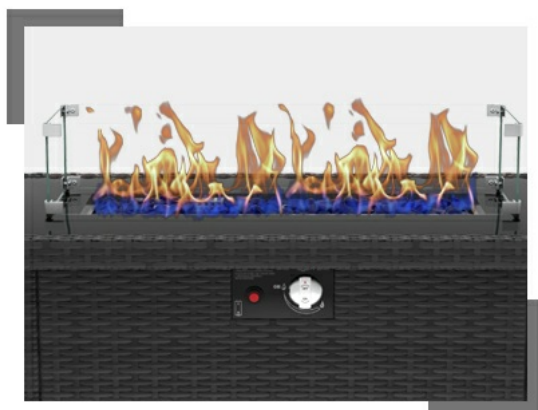

- **Humanized Design:** Long back cushions with straps keep them in place. The fire pit offers ample warmth, and the coffee and side tables provide convenient surfaces for drinks, snacks, and small items.
- **Flexible Combination Setting:** The 8-piece set allows for various combinations to suit your needs and match your space.

3. SETUP & ASSEMBLY

Assembly of the LayinSun Patio Furniture Set requires careful attention to detail. It is recommended to have at least two people for assembly. Ensure all parts are present before beginning.

3.1 Package Contents

The furniture set is shipped in multiple packages. Please note that packages may not be delivered at the same time. The cushion covers are typically in a separate, smaller package.

— 44" FIRE PIT TABLE

3.2 Assembly Steps

1. **Unpack All Components:** Carefully remove all parts from their packaging. Lay them out on a soft, clean surface to prevent scratches. Verify all components against the parts list in your included manual.
2. **Assemble Sofa Frames:** Follow the specific diagrams in your manual for attaching the backrests and armrests to the seat bases. Ensure all screws are tightened securely but do not overtighten.
3. **Assemble Coffee Table:** Connect the table frame components as per the instructions. Place the glass top carefully onto the assembled frame.
4. **Assemble Fire Pit Table:** Follow the specific instructions for the fire pit, paying close attention to gas line connections and safety warnings. Ensure the propane tank can be fully concealed in the base.
5. **Place Cushions:** Once all frames are assembled, place the seat and back cushions onto the sofas. Utilize the long back cushion straps to keep cushions in place.
6. **Connect Sections (Optional):** Use the provided clips to prevent movement and connect the individual sofa

sections together for a cohesive arrangement.

4.1 Lighting the Fire Pit

1. Ensure the propane tank is connected securely and the gas valve on the tank is fully open.
2. Turn the control knob on the fire pit to the 'ON' position.
3. Press and hold the igniter button (if applicable) while slowly turning the control knob to the 'HIGH' setting.
4. Once the flame ignites, continue to hold the igniter button for 10-15 seconds to ensure the thermocouple is heated. Release the button.
5. If the flame does not ignite, turn the control knob to 'OFF', wait 5 minutes for gas to dissipate, and repeat the process.

4.2 Adjusting Flame

To adjust the flame height, simply rotate the control knob between the 'LOW' and 'HIGH' settings until the desired flame is achieved.

4.3 Shutting Down

1. Turn the control knob on the fire pit to the 'OFF' position.

2. Close the gas valve on the propane tank.
3. Allow the fire pit to cool completely before covering or storing.

5. MAINTENANCE & CARE

Regular maintenance will prolong the life and appearance of your LayinSun Patio Furniture Set.

5.1 Cleaning

- **Rattan and Frame:** Wipe with a damp cloth to remove dust and dirt. For stubborn stains, use a mild soap solution and rinse thoroughly. Wiper with a dry cloth immediately after cleaning.
- **Cushions:** The cushions are water repellent. Spot clean with a mild soap and water solution. Allow to air dry completely. While water repellent, they are not rain-proof; it is recommended to take cushions indoors during heavy rain or prolonged periods of non-use.
- **Fire Pit:** Clean the fire pit exterior with a damp cloth. Ensure the burner area is free of debris. The glass wind guard can be cleaned with glass cleaner.

5.2 Storage

When not in use for extended periods, especially during harsh weather conditions, it is recommended to cover the furniture set with a weather-resistant cover or store it indoors to protect it from the elements and prolong its lifespan.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your patio furniture set.

- **Fire Pit Not Igniting:** Check propane tank connection and ensure the gas valve is fully open. Verify the igniter battery (if applicable) and ensure the burner ports are clear of debris.
- **Cushions Sliding:** Utilize the long back cushion straps to secure them to the furniture frame. Consider using non-slip mats or Velcro strips under the seat cushions for added stability.
- **Wicker Damage:** Small breaks in the wicker can often be repaired with a suitable adhesive or by weaving the strand back into place. For significant damage, contact customer support.
- **Fading Cushions:** While cushions are durable, prolonged exposure to direct sunlight can cause fading. Use a furniture cover when not in use to protect them.
