## 6. MAINTENANCE

Proper care will ensure the longevity of your Tiny Land Wooden Dollhouse.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Storage:** Store the dollhouse in a dry environment, away from direct sunlight or extreme temperatures, to prevent warping or fading of the wood and paint.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten as necessary to maintain structural integrity.
- **Furniture Care:** The wooden furniture pieces can also be wiped clean with a damp cloth.

## 7. TROUBLESHOOTING

If you encounter any issues with your Tiny Land Wooden Dollhouse, please refer to the following common solutions:

Problem	Possible Cause	Solution
Parts do not fit together during assembly.	Incorrect orientation or mismatched parts.	Refer to the assembly instructions carefully. Ensure parts are oriented correctly and that you are using the right components for each step.
Dollhouse feels wobbly after assembly.	Screws are not fully tightened.	Check all assembly points and tighten screws firmly. Do not overtighten.
Missing or damaged parts.	Manufacturing defect or shipping damage.	Contact Tiny Land customer service immediately for assistance (see Section 9).

For issues not listed here, or if the suggested solutions do not resolve the problem, please contact Tiny Land customer support.
