Jimveo E30

Jimveo E30 Projector User Manual

Model: E30 | Brand: Jimveo

1. INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your Jimveo E30 Projector. The E30 is designed for a superior viewing experience, featuring innovative auto-focus technology, an automatic lens cap, native 1080P resolution with 4K support, 500 ANSI lumens brightness, a 12000:1 contrast ratio, and advanced connectivity options including WiFi 6 and bi-directional Bluetooth 5.2.

2. WHAT'S IN THE BOX

- Projector x 1
- Auto Lens Cap x 1
- Remote Control x 1
- Cleaning Kit x 1
- User Manual x 1
- HDMI Cable x 1
- AV Cable x 1
- Power Cord x 1

3. SETUP

3.1 Initial Placement and Power On

Place the projector on a stable, flat surface or mount it as desired. Connect the power cord to the projector and a power outlet. The automatic lens cap will open upon power-on, and the projector will begin its auto-focus sequence.

Figure 3.1: Jimveo E30 Projector with key features highlighted, including auto-focus and auto lens cap.

3.2 Automatic Focus and Keystone Correction

The E30 features innovative auto-focus technology, providing a clear image within 5 seconds of power-on. Two auto-shift sensors detect real-time movements and adjust focus automatically. The projector also offers $\pm 50^\circ$ 6D auto keystone correction and comprehensive 4-Point Correction, eliminating the need for manual adjustments and allowing flexible placement for front, side, or ceiling projection.

Figure 3.2: The automatic lens cap opens and the projector auto-focuses for a clear image.

Figure 3.3: The projector automatically corrects image distortion with 6D auto keystone and 4-point correction.

4. OPERATING INSTRUCTIONS

4.1 Connectivity Options

The Jimveo E30 offers versatile connectivity for various devices:

- **WiFi 6 (2.4G & 5G):** Supports fast and stable wireless screen mirroring from iOS, Android, and Windows devices. This technology reduces delay by 60% compared to older WiFi standards.
- **Bi-directional Bluetooth 5.2:** Allows the projector to connect to external Bluetooth audio devices for an immersive sound experience. It can also function as a standalone Bluetooth speaker.
- **Wired Connections:** Equipped with AV, USB, 2x HDMI, and Audio ports for connecting PCs, TV sticks, gaming consoles (e.g., Switch), and other media players.

Figure 4.1: The projector supports both 2.4G and 5G WiFi 6 for stable screen mirroring, and Bluetooth 5.2 for audio connections.

Support Multiple Device Connections

HDMI 1 / HDMI 2				
USB				
Headphone Jack

4.2 Display Features

The E30 projector delivers a high-quality visual experience:

- **Native 1080P Resolution:** Provides crisp and clear Full HD images.
- **4K Support:** Capable of processing and displaying 4K content.
- **500 ANSI Lumens:** Ensures bright and vibrant projections, even in moderately lit environments.
- **12000:1 Contrast Ratio:** Maximizes color details and provides enhanced fidelity and premium color accuracy.
- **8-bit Color Depth:** Contributes to rich and accurate color reproduction.
- **Up to 450-inch Screen:** Project a massive image for an immersive home theater experience.
- **100%-50% Zoom:** Adjust the picture size without moving the projector.
- **USB Playback:** Directly play Excel, Word, and PPT files from a USB drive, suitable for small meetings or presentations.

Figure 4.3: The Jimveo E30 offers superior image quality with 4K support, high contrast, and 8-bit color depth.

5. MAINTENANCE

5.1 Lens Care

The E30 projector features a full-sealed optical system and an automatic lens cap to prevent dust and scratches. For additional cleaning, gently wipe the lens with a soft, lint-free cloth specifically designed for optical surfaces. Avoid using abrasive materials or harsh chemicals.

5.2 General Cleaning

Keep the projector's exterior clean by wiping it with a soft, dry cloth. Ensure ventilation ports are free from dust and obstructions to maintain optimal performance and prolong the projector's lifespan.

6. TROUBLESHOOTING

If you encounter any issues with your Jimveo E30 Projector, please refer to the following common solutions:

- **No Image/Blurry Image:** Ensure the projector is powered on and the lens cap is open. Verify that auto-focus is enabled or manually adjust if necessary. Check the input source connection.
- **No Sound:** Confirm that the volume is not muted on both the projector and the connected device. If using Bluetooth, ensure the external speaker is properly paired and selected as the audio output.
- **Connectivity Issues:** For WiFi, ensure the projector and your device are connected to the same network. For wired connections, check cable integrity and ensure the correct input source is selected.
- **Image Distortion:** The auto 6D keystone correction should automatically adjust the image. If issues persist, check for obstructions or try repositioning the projector.
