Setup

Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The earbuds provide approximately 5 hours of playtime per charge, with the charging case offering an additional 20 hours of on-the-go charging. The case is charged via the included USB-C cable.

1. Place the earbuds into the charging case. Ensure they are properly seated.
2. Connect the USB charging cable to the charging port on the case and to a compatible USB power source.
3. The indicator light on the case will show charging status. A full charge for the case and earbuds can take up to five hours.

Pairing with a Device

The earbuds are designed for simple pairing and automatic reconnection.

1. Open the charging case. The earbuds will automatically power on.

2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "Adidas Z.N.E. 01" from the list of available devices to complete the pairing process.
4. Once paired, the earbuds will automatically connect to your device when removed from the case, provided Bluetooth is enabled on your device.

Operating the Earbuds

Wearing the Earbuds

For optimal sound quality and comfort, ensure the earbuds fit snugly in your ears. The sleek design is intended to stay in place during active use.

Note: If the earbud tips do not match your ear canals or the headset is not worn properly, sound quality or call performance may be affected. Adjust the earbuds for a more secure fit.

Controls

The Adidas Z.N.E. 01 earbuds feature intuitive touch controls for media playback and call management. Specific functions can often be customized via the dedicated mobile application.

- **Media Control:** Play, pause, skip tracks.
- **Call Management:** Answer, end, or reject calls.
- **Awareness Mode:** Allows ambient sounds to be heard for increased situational awareness.

Maintenance

Water Resistance

The earbuds have an IPX4 rating, making them sweat-proof and splash-proof. This means they can withstand splashes of water from any direction and are suitable for workouts and light rain. They are not designed for submersion in water.

Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case. Use a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.

Troubleshooting

If you encounter issues with your Adidas Z.N.E. 01 earbuds, try the following steps:

- **No Sound or Low Volume:**
  - Ensure earbuds are properly seated in your ears.
  - Check the volume level on both your device and the earbuds.
  - Ensure earbuds are charged.
- **Connectivity Issues:**

- Ensure Bluetooth is enabled on your device.
- Move the earbuds closer to your device.
- Try unpairing and re-pairing the earbuds with your device.
- If one earbud is not working, try a factory reset (refer to the full user manual for detailed steps).

- **Earbuds Falling Out:**
  - Adjust the position of the earbuds in your ear.
  - Ensure you are using the correct size earbud tips for a secure fit.
