## SAFETY INFORMATION

---

Please observe the following safety warnings and guidelines:

- The maximum static load capacity of the table is 200 lb. Do not place heavier objects on the tabletop.
- The maximum static load capacity of each bench is 250 lb.
- Do not lean back or bounce on the benches to prevent instability and potential injury.
- During assembly, carefully check that all correct parts are used for each step to avoid incorrect assembly.
- Ensure all screws are fully tightened after assembly.
- If the table wobbles on uneven surfaces, adjust the height of the leg caps to stabilize it.
- In case of spills, wipe the tabletop immediately with a dry towel to prevent moisture damage to the wooden parts.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly:

- 1 x Table
- 2 x Bench
- 1 x Accessory Kit (includes screws, Allen key, and other necessary hardware)
- 1 x Instructions Manual (this document)

## PRODUCT FEATURES

- **High Quality Construction:** Crafted with MDF wood board and a metal square tube frame, ensuring stability and sturdiness.
- **Modern & Stylish Design:** The rustic brown finish and industrial style blend seamlessly into various home decors, suitable for dining rooms, kitchens, or small spaces.
- **Space-saving:** Both benches are designed to tuck conveniently under the table when not in use, optimizing space.
- **Easy to Clean:** The metal frame and wood surfaces are rugged and water-resistant, allowing for easy cleaning with a damp cloth.
- **Multi-functional:** Can be used as a dining table, computer table, study desk, writing desk or a versatile workspace.

### SETUP & ASSEMBLY

The AWQM Dining Table Set is designed for easy assembly. A detailed installation manual is included in the package. Please follow the step-by-step instructions provided in the separate manual for proper assembly.

1. Unpack all components and verify against the package contents list.
2. Identify all hardware (screws, bolts, Allen key) from the accessory kit.
3. Follow the graphical and written instructions in the provided manual to assemble the table frame.
4. Attach the tabletop to the assembled frame, ensuring all connections are secure.
5. Assemble the two benches following the instructions.
6. Ensure all screws are fully tightened for stability. Do not overtighten.
7. Place the table and benches in your desired location. Adjust leg caps if necessary to prevent wobbling.

For visual guidance, refer to the detailed installation manual included with your product.

### OPERATING INSTRUCTIONS

---

This dining table set is designed for general household use. To use, simply pull out the benches from under the table. When not in use, the benches can be pushed back under the table to save space.

- Ensure the table and benches are placed on a stable, level surface before use.
- Distribute weight evenly on the table and benches to maintain stability.
- Avoid placing excessively hot items directly on the tabletop without protective mats.

## MAINTENANCE

---

Proper care will extend the life and appearance of your dining set:

- **Cleaning:** Wipe surfaces with a damp cloth. For spills, wipe immediately with a dry towel to prevent moisture from soaking into the wooden parts. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Protection:** Use coasters or placemats to protect the tabletop from heat, moisture, and scratches.
- **Environment:** Avoid prolonged exposure to direct sunlight or extreme temperature changes, which can affect the wood finish.

## TROUBLESHOOTING

---

If you encounter any issues with your AWQM Dining Table Set, please refer to the following common solutions:

- **Wobbling Table/Benches:** Check all leg connections and ensure screws are tightened. Adjust the leg caps on the bottom of the legs to compensate for uneven flooring.
- **Loose Connections:** Periodically inspect and retighten all assembly screws to maintain structural integrity.
- **Surface Damage:** For minor scratches, furniture repair kits or markers designed for wood can be used. For significant damage, contact customer support.

If problems persist, please contact AWQM customer support for further assistance.
