2. SETUP AND ASSEMBLY

Assembly of the Tribesigns Executive Desk is required. It is designed for straightforward assembly, with all necessary hardware and tools included, except for a screwdriver. For optimal assembly, it is recommended that two people work together.

2.1 Before You Begin

- Unpack all components and verify against the parts list provided in your package.
- Ensure you have a clean, flat surface for assembly.
- Gather your own screwdriver, as it is not included.

- Familiarize yourself with the assembly instructions and diagrams before starting.

2.2 Assembly Steps

Follow the numbered steps in the included instruction manual. Each piece is labeled to facilitate easy identification and correct placement during assembly.

Note: Do not fully tighten all screws until the entire desk frame and top are assembled to allow for minor adjustments and proper alignment.

4. MAINTENANCE AND CARE

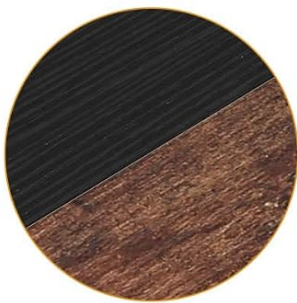

Proper care will ensure the longevity and appearance of your Tribesigns Executive Desk.

4.1 Cleaning Instructions

- Wipe the desk surfaces with a dry cloth to remove dust and spills.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- The desk surface is designed to be water-resistant and anti-scratch, making it easy to maintain.

4.2 General Care

- Periodically check and tighten all screws to ensure the desk remains sturdy.
- Avoid placing extremely hot or cold items directly on the surface without protective coasters.
- The desk features adjustable pads on the legs to help level the desk on uneven floors and protect your flooring.

5. TROUBLESHOOTING

This section provides general advice for common issues. For specific problems not addressed here, please contact customer support.

5.1 Desk Wobbles After Assembly

- **Check all connections:** Ensure all screws are securely tightened. If you did not fully tighten during assembly, do so

now.

- **Adjust leveling feet:** Use the adjustable pads on the bottom of the legs to compensate for uneven flooring. Rotate them clockwise or counter-clockwise until the desk is stable.
- **Verify correct part orientation:** Double-check the assembly manual to ensure all parts, especially the frame components, are oriented correctly.

5.2 Gaps Between Desktop Panels

- **Loosen and realign:** Loosen the screws connecting the desktop panels and gently push them together to close any gaps. Then, retighten the screws evenly.
- **Ensure correct panel placement:** Confirm that each desktop panel is in its intended position as per the assembly instructions.
