EGOHOME 14 Inch King Size Memory Foam Mattress Instruction Manual

Brand: MLILY | Model: MCE140K0000T

INTRODUCTION

Welcome to the instruction manual for your new MLILY EGOHOME 14 Inch King Size Memory Foam Mattress. This mattress is designed to provide superior comfort and support, featuring advanced materials for a restorative sleep experience. Please read this manual thoroughly to ensure proper setup, care, and understanding of your product's features.

KEY FEATURES

- Cooling Fabric with Graphene Technology:** Designed to regulate body temperature and provide a cooler sleep surface.
- Advanced Memory Foam Layers:** Features Copper Gel Aerofusion Memory Foam for moisture and odor regulation, and MLILY Adaptifoam for enhanced breathability and pressure relief.
- CertiPUR-US Certified & ICA Endorsed:** Foam proudly made in the USA, crafted for safety and durability, and endorsed by the International Chiropractors Association for healthier sleep.
- Mattress in a Box Delivery:** Conveniently compressed and rolled for easy delivery and setup.
- 10-Year Limited Warranty:** Provides peace of mind regarding product quality and durability.

SETUP AND UNBOXING

Your MLILY EGOHOME mattress is delivered compressed and rolled in a compact box for ease of transport. Follow these steps for a smooth setup:

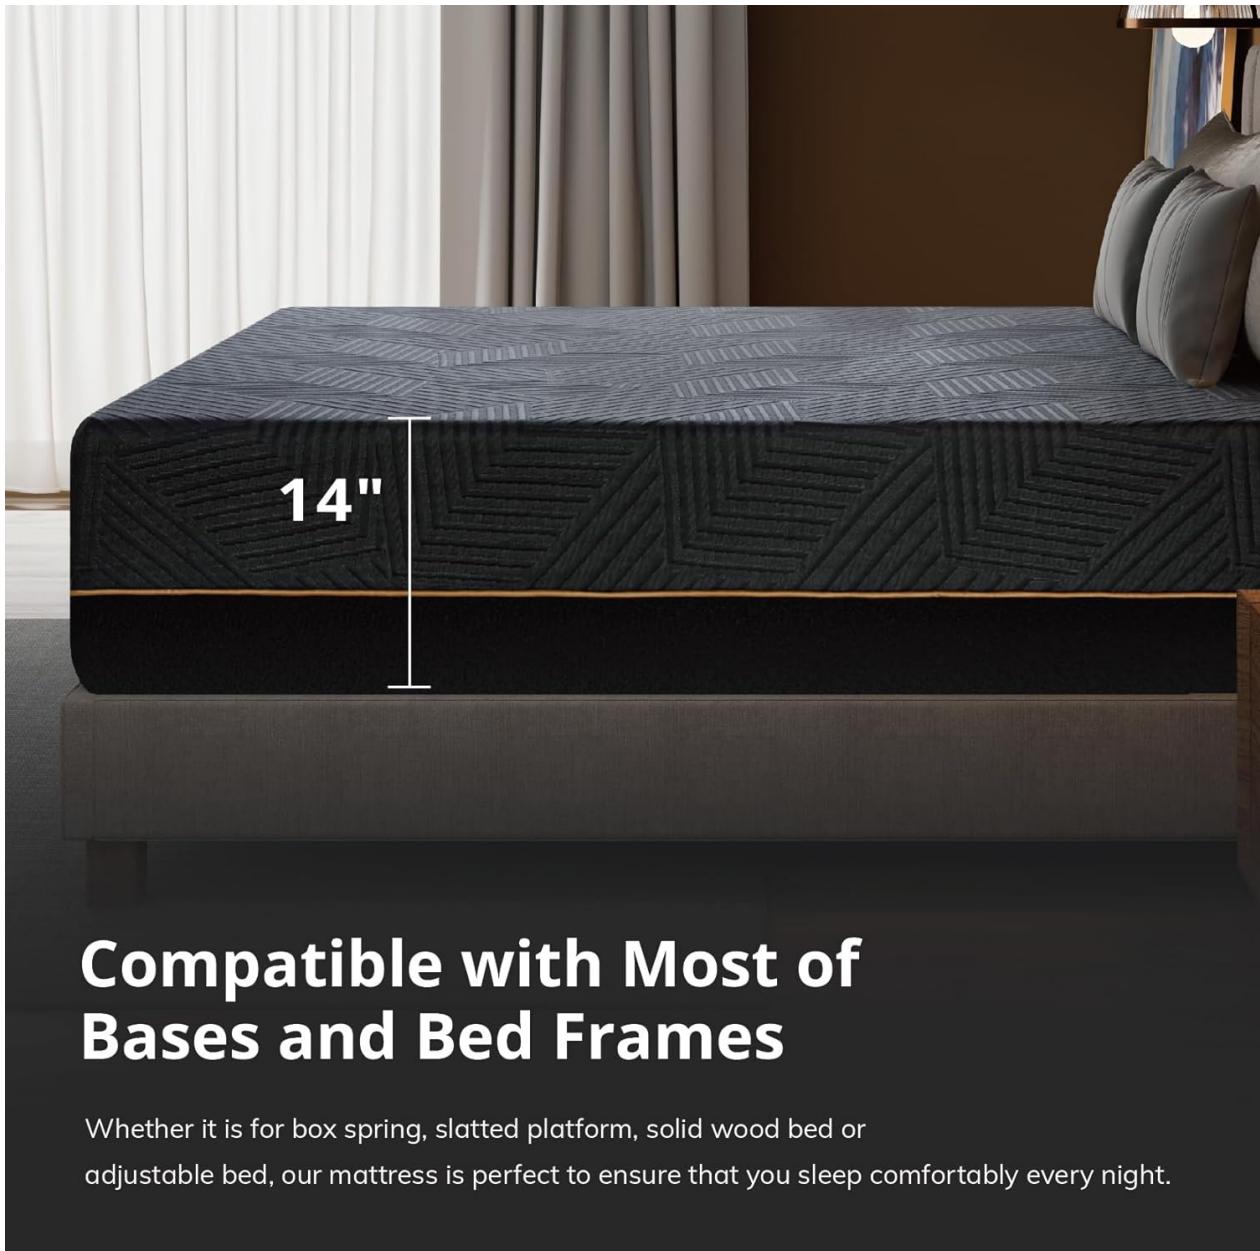

1. Carefully remove the mattress from its packaging.
2. Place the rolled mattress on your bed frame or desired flat surface.
3. Carefully cut open the plastic wrapping. The mattress will begin to decompress immediately.
4. Allow the mattress to fully expand to its original shape. While it may appear fully expanded within minutes, it is recommended to wait 12 hours for complete expansion and for any new foam smell to dissipate.

Easy & Fast Set-up

Mattresses are compressed and rolled into a box for easy delivery to our customers. Wait **12** hours for new foam smell to dissipate and fully expanded.

PRODUCT OVERVIEW AND CONSTRUCTION

The MLILY EGOHOME mattress is engineered with multiple layers of advanced foam to deliver optimal comfort, support, and temperature regulation.

- **Cooling Graphene Breathable Cover:** The outermost layer features graphene fibers for thermal conductivity, maintaining a cooler sleep surface and reducing odors.
- **Fiberglass-Free FR Inner Cover:** Provides a safe and effective flame-retardant layer without harmful fiberglass.
- **Ventilated Copper Gel Aerofusion Foam:** This top comfort layer regulates moisture and odor, promoting a cleaner sleep environment.
- **Adaptifoam:** Boosts breathability and airflow while offering pressure relief.
- **Liquid Gel CoolFlex Foam:** Adjusts temperature to keep you cool.
- **Bracesleeper Support Foam:** High-density base foam provides essential support for your neck, shoulders, and overall body alignment.

CARE AND MAINTENANCE

To ensure the longevity and performance of your MLILY EGOHOME mattress, follow these care guidelines:

- Spot Cleaning:** For minor spills, gently spot clean with a mild detergent and water. Avoid saturating the mattress.
- Protective Cover:** Use a mattress protector to shield against spills, stains, and allergens.
- Ventilation:** Periodically air out your mattress by removing bedding to allow for proper ventilation.
- Rotation:** Rotate your mattress every 3-6 months to promote even wear and extend its lifespan.
- Washable Cover:** The mattress features a removable and washable cover for easy cleaning. Refer to the care tag for specific washing instructions.

IMPORTANT SAFETY INFORMATION

Please observe the following safety precautions:

- Do not use more than the recommended weight capacity.

- Keep the mattress away from open flames or high heat sources.
- Ensure proper ventilation during the initial expansion period.
- Do not jump on the mattress, as this may cause damage to the internal structure.
