5. SETUP GUIDE

5.1 Charging the Printer

Before first use, fully charge the printer using the provided USB cable. Connect the USB cable to the printer's charging port and the other end to a USB power adapter (not included) or a computer's USB port. The indicator light will show charging status.

5.2 Installing Thermal Paper

1. Open the printer cover by gently sliding the release button or pressing the designated area.
2. Insert the thermal paper roll into the paper compartment, ensuring the printing side faces the print head.
3. Pull a small amount of paper out beyond the print head.
4. Close the printer cover firmly until it clicks into place.

5.3 Downloading the PeriPage App

The PeriPage A6 Mini Printer requires the official PeriPage APP for full functionality. You can download it via:

- Searching for "PeriPage" in your device's APP store (Apple App Store for iOS, Google Play Store for Android).

- Scanning the QR code provided in the instruction manual or on the product packaging.

- Visiting the official download page: https://www.ileadtek.com/download/app/peripage.html
