# Baseus GaN5 Pro Quick Wall Charger User Manual

Model: CCGP090201

## 1. INTRODUCTION

---

Thank you for choosing the Baseus GaN5 Pro Quick Wall Charger. This high-performance charger is designed to provide efficient and fast charging for a wide range of devices, including mobile phones, tablets, and laptops. Featuring GaN5 technology, it offers a compact design with powerful output capabilities. Please read this manual carefully before use to ensure proper operation and safety.

## 2. SAFETY INFORMATION

---

- Do not expose the charger to water, moisture, or extreme temperatures.
- Avoid dropping or subjecting the charger to strong impacts.
- Do not attempt to disassemble, repair, or modify the charger. This will void the warranty and may cause damage or injury.
- Ensure the power outlet voltage is compatible with the charger's input specifications.
- Unplug the charger during lightning storms or when unused for extended periods.
- Keep out of reach of children.

## 3. PACKAGE CONTENTS

---

- Baseus GaN5 Pro Quick Wall Charger (CCGP090201)
- USB Charging Cable (Type-C to Type-C)
- User Manual

### Ports and Indicator

- **USB Type-C Port:** Supports Power Delivery (PD3.0) for fast charging compatible devices, including laptops.
- **USB Type-A Port:** Supports Quick Charge (QC4.0+), AFC, and other fast charging protocols for various smartphones and accessories.
- **LED Indicator:** A small LED light illuminates when the charger is connected to power, indicating operational status.

## 5. SETUP AND INSTALLATION

---

1. **Plug In:** Insert the charger's EU plug into a standard wall power outlet. The LED indicator will light up.
2. **Connect Cable:** Connect one end of your device's charging cable (e.g., USB-C to USB-C, USB-A to Lightning) to the appropriate port on the Baseus charger.
3. **Connect Device:** Connect the other end of the charging cable to your device (phone, tablet, laptop, etc.).
4. **Begin Charging:** Your device should begin charging automatically.

## 6. OPERATION

---

The Baseus GaN5 Pro charger is designed for intelligent power distribution. When multiple devices are connected, the charger will automatically adjust the power output to each port based on the devices' requirements, ensuring optimal and safe charging.

## 7. MAINTENANCE AND CARE

- **Cleaning:** Disconnect the charger from the power outlet before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or aerosols.
- **Storage:** Store the charger in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Avoid bending or twisting the charging cables excessively, as this can damage them.

## 8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Charger not working / No LED light	No power from outlet; Loose connection; Damaged charger.	Check the power outlet with another device. Ensure the charger is firmly plugged in. If the issue persists, the charger may be faulty.

Problem	Possible Cause	Solution
Device not charging or charging slowly	Faulty cable; Device incompatibility; High power demand.	Try a different charging cable. Ensure your device supports the charger's output protocols (PD, QC). If charging a high-power device (e.g., laptop), ensure it's within the charger's maximum wattage.
Charger gets hot during use	Normal operation under heavy load; Poor ventilation.	It is normal for chargers to warm up during operation, especially when charging multiple devices or high-power devices. Ensure adequate ventilation around the charger. If it becomes excessively hot or emits smoke/smell, disconnect immediately.

## 9. TECHNICAL SPECIFICATIONS

Feature	Specification
Brand	Baseus
Model Number	CCGP090201
Color	Black
Power Output	100 Watts (Max)
Input	AC 100-240V, 50/60Hz, 2.5A Max
USB Type-C Output	5V=3A, 9V=3A, 12V=3A, 15V=3A, 20V=5A (100W Max)
USB Type-A Output	5V=3A, 9V=3A, 12V=2.5A, 20V=1.5A (30W Max)
Total USB Ports	2 (1x USB Type-C, 1x USB Type-A)
Dimensions (L x W x H)	5.5 x 3 x 7.5 cm
Weight	230 Grams
Special Feature	Travel-friendly, GaN Technology
Compatible Devices	Mobile phones, Tablets, Laptops, Other USB devices

## 10. WARRANTY AND SUPPORT

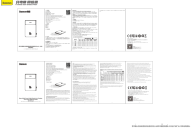

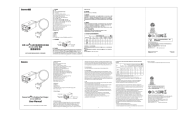

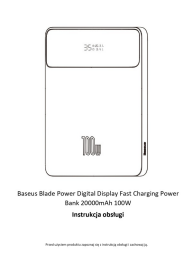

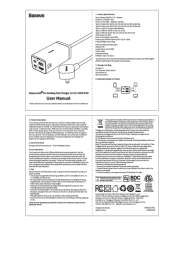

This Baseus product comes with a **2-year manufacturer's warranty** from the date of purchase. This warranty covers defects in materials and workmanship under normal use. It does not cover damage caused by misuse, accident, unauthorized modification, or external causes.

For warranty claims or technical support, please contact your retailer or visit the official Baseus website for customer service information. Please retain your proof of purchase for warranty validation.
