Oakley OO9440

Oakley Clifden OO9440 Round Sunglasses Instruction Manual

Model: OO9440

1. INTRODUCTION

The Oakley Clifden OO9440 Round Sunglasses are engineered for high-performance outdoor activities, particularly mountaineering and sports where protection against harsh elements is crucial. These sunglasses combine advanced lens technology with a robust frame design to ensure comfort, clarity, and durability in challenging environments.

2. WHAT'S INCLUDED

Your Oakley Clifden OO9440 package includes the following items:

- Oakley Clifden OO9440 Round Sunglasses
- Oakley Accessory Leash Kit
- Oakley Microfiber Pouch

3. KEY FEATURES

- **Clifden Design:** High-performance sport sunglasses designed for mountaineering, offering protection against environmental elements. Features include side shields, a bridge blocker, and an integrated leash for convenience. Crafted with lightweight materials and no-slip technology for maximum comfort and performance.
- **Exceptional Lens Quality:** Equipped with Oakley Prizm lenses that enhance color, contrast, and detail for an optimized viewing experience. Polarized options are available to reduce glare, providing clearer vision in bright conditions. High Definition Optics (HDO) ensure superior clarity and sharp vision from every angle.
- **Perfect Frame Fit:** Features a high bridge design with a one-size-fits-all frame. Unobtainium nose pads increase grip with sweat, ensuring a secure and comfortable fit during any activity.

4. PRODUCT OVERVIEW

The Oakley Clifden sunglasses are designed with specific components to enhance performance and protection:

- **Frame:** Durable plastic frame, designed for a secure and comfortable fit.

- **Lenses:** Prizm Black Polarized lenses, offering enhanced vision and glare reduction.
- **Side Shields:** Detachable side shields provide additional protection from peripheral light and wind.
- **Bridge Blocker:** An integrated component that helps block light from above.
- **Unobtainium Nosepads:** Designed to increase grip when wet, ensuring the sunglasses stay in place.
- **Integrated Leash:** A removable leash for added security, preventing loss during active use.

5. SIZE GUIDE

To ensure a proper fit, please refer to the following dimensions:

Image: Visual representation of the Oakley Clifden size guide, indicating key measurements.

Measurement	Dimension
Frame Width	130 mm
Arm Length	146 mm
Lens Height	51 mm
Lens Width	56 mm
Fit Type	Wide

6. WEARING AND ADJUSTMENT

The Oakley Clifden sunglasses are designed for a secure and comfortable fit, especially during active use.

- **Putting On:** Gently place the sunglasses on your face, ensuring the Unobtanium nose pads rest comfortably on your nose bridge. The frame should fit snugly around your face to minimize wind and light entry.
- **Using the Leash:** The integrated leash can be attached to the ends of the temples to secure the sunglasses around your neck when not in use or for added security during high-movement activities. This prevents accidental drops or loss.
- **Side Shields:** The side shields are designed to block peripheral light and wind. Ensure they are properly positioned when wearing the sunglasses for maximum protection.

7. CARE AND MAINTENANCE

Proper care will extend the life and maintain the performance of your Oakley Clifden sunglasses:

- **Cleaning:** Clean lenses and frame with a soft, dry cloth. For stubborn smudges, use a lens cleaning solution specifically designed for eyewear and a microfiber cloth.
- **Storage:** Store your sunglasses in the provided microfiber bag when not in use to protect them from scratches and dust.
- **Leash Use:** Always attach the leash when engaging in activities where the sunglasses might fall or be misplaced.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or household detergents, as these can damage the lenses and frame.
- **Temperature Extremes:** Avoid exposing your sunglasses to extreme heat (e.g., leaving them on a car dashboard in direct sunlight) as this can warp the frame or damage the lens coatings.
- **Washing:** Do not machine wash or dry the sunglasses or the microfiber bag. Hand wash the microfiber bag with mild soap and air dry if necessary.

8. TROUBLESHOOTING

If you encounter any issues with your Oakley Clifden sunglasses, consider the following:

- **Side Shields Issue:** When putting on the sunglasses, ensure the detachable side shields are properly aligned and do not fold inward, which could cause discomfort or poke the eye. Handle with care during placement.
- **Loose Fit:** If the sunglasses feel loose, check the fit of the Unobtanium nose pads. While the frame is one-size-fits-all, minor adjustments to the nose pads might be possible for a more secure feel. Avoid

attempting to bend the frame arms yourself, as this may cause damage.

- **Reduced Clarity:** Ensure lenses are clean and free from smudges. If clarity issues persist after cleaning, inspect for scratches or damage.

9. SPECIFICATIONS

Feature	Detail
Brand	Oakley
Model Number	OO9440
Department	Men
Date First Available	September 5, 2022
