Key Features:

- **Dual-Sided Comfort:** Offers both a firm and a soft sleeping surface.
- **Memory Foam Construction:** Provides supportive and comfortable sleep.
- **Waterproof Washable Cover:** Ensures hygiene and protection against spills.
- **Tri-Folding Design:** Allows for easy storage and portability.
- **CertiPUR-US Certified Foam:** Guarantees material safety and quality.

2. SETUP INSTRUCTIONS

Upon receiving your Milliard Tri Folding Mattress, follow these steps for proper setup and expansion:

1. **Unpack the Mattress:** Carefully remove the mattress from its packaging. The mattress ships compressed and rolled.
2. **Unroll and Unfold:** Place the mattress on a flat, clean surface and unroll it. Then, unfold the sections completely.
3. **Allow for Expansion:** The mattress will begin to expand immediately. Allow up to 72 hours for the mattress to fully decompress and reach its intended 6-inch thickness and full comfort level. While it expands, you can gently adjust the cover to ensure the foam rises evenly.
4. **Ventilation:** If a slight odor is present upon unpacking, allow the mattress to air out in a well-ventilated area for a few hours. This is normal for new foam products.

3. OPERATION AND USAGE

The Milliard Tri Folding Mattress is designed for versatile use. Understand its features to optimize your comfort and convenience.

Dual-Sided Comfort:

This mattress features two distinct sleeping surfaces: one firm side and one soft side. To switch between comfort levels, simply flip the mattress over. The labels "FIRM" and "SOFT" are located on the respective sides for easy identification.

Image: Close-up view of the mattress showing the "FIRM" and "SOFT" labels on opposite sides, indicating the dual-sided comfort options.

Folding and Storage:

To fold the mattress for storage or transport, simply lift and fold each section onto the next. When folded, the mattress measures 58 inches x 26 inches x 18 inches. This compact size allows it to be stored in closets, under beds, or transported in vehicles. Optional carry cases are available separately for enhanced portability.

Recommended Uses:

- Guest bed
- Camping or RV travel
- Dorm room mattress topper
- Playroom seating or nap area

4. MAINTENANCE AND CARE

Proper care extends the life of your Milliard Tri Folding Mattress. Follow these guidelines for cleaning and maintenance:

Cleaning the Cover:

The mattress features a removable and machine-washable cover. An internal layer provides waterproofing for the foam.

1. **Remove the Cover:** Unzip the cover and carefully remove it from the foam sections.
2. **Machine Wash:** Wash the cover in cold water on a gentle cycle with mild detergent.
3. **Tumble Dry Low:** Tumble dry on a low heat setting or air dry. Avoid high heat, which can damage the waterproof lining.
4. **Do Not Bleach or Iron:** Bleaching or ironing can compromise the fabric and waterproof properties.
5. **Reattach the Cover:** Once dry, carefully place the cover back onto the foam sections, ensuring a snug fit.

size guide

Foam Care:

- The foam itself is not washable. In case of spills, spot clean with a damp cloth and mild soap, then allow to air dry completely before replacing the cover.
- Avoid exposing the foam directly to sunlight for prolonged periods, as this can degrade the material.

5. TROUBLESHOOTING

If you encounter any issues with your Milliard Tri Folding Mattress, refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Mattress not fully expanding	Insufficient time for decompression; cold environment.	Allow up to 72 hours for full expansion. Ensure the room temperature is above 65°F (18°C). Gently massage the foam to encourage expansion.
Slight odor upon unpacking	"New foam" smell (off-gassing).	This is normal and harmless. Place the mattress in a well-ventilated area for 24-48 hours to dissipate the odor.
Cover appears wrinkled after washing	High heat drying or improper re-fitting.	Ensure the cover is dried on low heat or air-dried. Carefully stretch and smooth the cover while re-fitting it onto the foam sections.
Discomfort on one side	Incorrect side selected for preference.	Flip the mattress to the opposite side (Firm or Soft) to find your preferred comfort level.

6. PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	MIL-TRI-6-Q
