## Philips Beauty BRR474/00

# Philips Beauty Series 5000 Electric Shaver and Personal Groomer for Women

**Brand:** Philips Beauty

**Model:** BRR474/00

## PRODUCT OVERVIEW

---

The Philips Facial Hair Remover & Personal Groomer 5000 Series is designed for gentle and effective hair removal on the face. Its hypoallergenic head ensures a smooth experience, while the built-in mirror and full-circle LED light help you achieve flawless results by illuminating even the finest hairs. This compact and cordless device is perfect for quick touch-ups at home or on the go.

## KEY FEATURES

- **Smooth Results:** Designed to provide beautifully smooth skin, ideal for flawless makeup application. Effectively removes fine hairs from the upper lip, chin, cheeks, and jawline.
- **Fast & Gentle:** Features a 360° hypoallergenic head with self-sharpening blades for a skin-friendly experience that is faster than tweezing and gentler than waxing.
- **Spot On Illumination:** Includes a built-in convenient mirror and a full-circle LED light that illuminates even the finest hairs, ensuring no hair is missed.
- **Convenience & Portability:** Compact, lightweight, and discreet, making it ready for use at home or on-the-go. Perfect for quick touch-ups wherever you are.
- **Complete Package:** Comes with the shaver, mirror, protective cap, cleaning brush, and an AA battery for immediate use.

# Gently removes the finest hairs on face

with hypoallergenic head

### SETUP INSTRUCTIONS

---

1. **Unpack:** Carefully remove the shaver and all accessories from its packaging.
2. **Insert Battery:** The device requires 1 AA battery (included). Open the battery compartment, insert the battery according to the polarity indicators, and securely close the compartment.
3. **Attach Protective Cap:** Ensure the protective cap is securely placed over the shaver head when not in use to protect the blades and mirror.

## OPERATING INSTRUCTIONS

---

1. **Preparation:** Ensure your skin is clean and dry before use.
2. **Activate:** Twist the bottom part of the shaver to turn it on. The full-circle LED light will illuminate, and the shaver head will begin to operate.
3. **Shaving:** Gently glide the shaver head over the desired area of your face (upper lip, chin, cheeks, jawline) in small, circular motions. The hypoallergenic head is designed to remove fine hairs without irritation.
4. **Utilize Light & Mirror:** Use the integrated LED light and mirror in the protective cap to clearly see and target any missed hairs, ensuring a thorough and smooth finish.
5. **Post-Use:** Once finished, twist the bottom part of the shaver to turn it off. Replace the protective cap.

**Built in mirror and light**  
make it easy to use and ensures  
no missed hairs

## MAINTENANCE

---

1. **Cleaning the Head:** After each use, remove the protective cap and the shaver head. Use the included cleaning brush to remove any trapped hairs from the blades and the internal mechanism.
2. **Rinsing:** The shaver head can be rinsed under running water for thorough cleaning. Ensure it is completely dry before reattaching it to the device.
3. **Storage:** Store the shaver in a safe, dry place with the protective cap on to prevent damage to the blades and mirror.

# Compact, portable

and ready to use with a protective cap

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Battery is dead or incorrectly inserted.	Check battery polarity. Replace with a new AA battery if needed.
Shaver not effectively removing hair.	Blades are clogged with hair or dull.	Clean the shaver head thoroughly using the brush and rinsing. If performance does not improve, consider replacing the shaver head (refer to Philips support for replacement parts).
Skin irritation after use.	Improper technique or highly sensitive skin.	Ensure you are gliding the shaver gently without applying excessive pressure. Use on clean, dry skin. If irritation persists, consult a dermatologist.

## SPECIFICATIONS

---
