Aheaplus L Shaped Desk User Manual

Model: 26904d31-1060-40b7-9462-c3e55d338e86

Brand: Aheaplus

INTRODUCTION

Thank you for purchasing the Aheaplus L Shaped Desk. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your desk. Please read this manual thoroughly before beginning assembly or use.

SAFETY INFORMATION

No specific safety warnings are known for this product. However, please observe the following general safety guidelines:

- Ensure all connections are secure before use.
- Do not exceed the maximum weight recommendation of 500 pounds.
- Keep liquids away from electrical outlets and components.
- Assemble on a soft, clean surface to prevent scratches.
- Keep small parts away from children during assembly.

PRODUCT OVERVIEW

The Aheaplus L Shaped Desk is designed for versatility and functionality, suitable for home office, gaming, or writing. It features integrated power solutions and ample storage.

Key Features:

- **Integrated Power Outlets:** Includes 3 AC outlets and 2 USB ports for convenient device charging.
- **Reversible Design:** Can be assembled as an L-shaped desk for corner placement or a long desk for two users.
- **LED Strip Lights:** Features 20 static colors, 21 dynamic modes, and 5 light flashing modes with a memory function.
- **Moveable Monitor Stand:** Elevates your monitor to promote proper sitting posture.
- **Storage Solutions:** Includes a top two-tier storage bookshelf, an extra storage bag, and headphone hooks.
- **Durable Construction:** Made from high-quality MDF board and a rugged metal frame.

Dimensions:

- **L-Shaped Configuration:** 19.7"D x 59"W x 59.8"H
- **Long Table Configuration:** 86.6"L x 59.8"H x 19.7"W
- **Item Weight:** 60 Pounds
- **Maximum Weight Recommendation:** 500 Pounds

SETUP AND ASSEMBLY

Assembly of the Aheaplus L Shaped Desk is straightforward. All necessary hardware and tools are included, and parts are clearly labeled. Follow the step-by-step instructions provided in the included assembly manual.

- 1. Unpack Components:** Carefully unpack all parts and hardware. Verify all components are present against the parts list in the assembly manual.
- 2. Prepare Workspace:** Choose a clean, flat, and spacious area for assembly to prevent damage to the desk or flooring.
- 3. Assemble Frame:** Begin by assembling the metal frame components according to the diagrams. Ensure all screws are tightened securely but do not overtighten until the entire frame is assembled.

4. **Attach Tabletops:** Secure the desktop panels to the assembled frame. Pay attention to the orientation for your desired L-shaped or long table configuration.
5. **Install Shelves and Hutch:** Attach the two-tier storage bookshelf and any additional shelves as per the instructions. The top hutch can be placed on the left or right side as needed.
6. **Mount Accessories:** Install the power outlet unit, storage bag, and headphone hooks in their designated locations.
7. **Final Tightening:** Once all components are in place, go back and securely tighten all screws.
8. **Adjust Leveling Feet:** The desk includes adjustable leveling feet to ensure stability on uneven floors. Adjust as necessary.

Note: The desk offers a reversible design, allowing you to configure it as an L-shaped desk for corner placement or a long desk suitable for two users. Refer to the specific diagrams in your assembly manual for detailed steps on each configuration.

Figure 3: Illustration demonstrating the reversible nature of the L-shaped desk, allowing for left or right corner configurations, or conversion into a long desk.

OPERATING INSTRUCTIONS

Power Outlet & USB Ports:

The desk is equipped with a built-in power strip featuring 3 standard AC outlets (120V/12A) and 2 USB ports (5V/2A). To use, simply plug the desk's main power cord into a wall outlet. You can then plug your devices directly into the desk's integrated outlets and USB ports for convenient charging and power supply.

Figure 4: Close-up view of the integrated power strip with 3 AC outlets and 2 USB ports, demonstrating device charging capabilities.

LED Strip Lights:

The integrated LED strip lights offer customizable ambiance. Use the provided remote control to select from 20 static colors, 21 dynamic modes, and 5 light flashing modes. The lights feature a memory function, retaining your last selected mode when turned on again.

Figure 5: Image showing the LED strip lights in operation, along with the remote control and various color/mode options.

Moveable Monitor Stand:

The desk includes a separate, moveable monitor stand. Place it on the desktop to elevate your monitor to an ergonomic height, promoting a correct sitting posture and reducing strain on your neck and spine.

Figure 6: Visual comparison illustrating the benefit of the moveable monitor stand for maintaining proper sitting posture.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your Aheaplus L Shaped Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish. The desk surface is water-resistant, making it easy to clean.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Electrical Components:** Ensure the power strip and LED lights are kept dry and free from dust. Do not attempt to disassemble or repair electrical components yourself.

TROUBLESHOOTING

If you encounter any issues with your Aheaplus L Shaped Desk, please refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Desk is wobbly.	Loose fasteners or uneven floor.	Check and tighten all assembly screws. Adjust the leveling feet at the bottom of the desk legs to stabilize.
Power outlets/USB ports not working.	Desk not plugged in, or power strip issue.	Ensure the desk's main power cord is securely plugged into a functional wall outlet. Check if the wall outlet itself is working. If issues persist, contact customer support.
LED lights not functioning.	Loose connection, remote battery, or power issue.	Check the connection of the LED strip to the power source. Ensure the remote control has working batteries. Verify the desk's power outlets are active.
Parts missing or damaged during assembly.	Shipping damage or packaging error.	Do not proceed with assembly. Contact Aheaplus customer support immediately for replacement parts.

For issues not covered here or if troubleshooting steps do not resolve the problem, please contact Aheaplus customer support.
