INTRODUCTION

Thank you for purchasing the PayLessHere Outdoor PE Wicker Rolling Bar Cart. This manual provides important information regarding the safe assembly, operation, and maintenance of your new product. Please read this manual thoroughly before assembly and retain it for future reference.

SAFETY INFORMATION

WARNING: Failure to follow these instructions may result in injury or property damage.

- Ensure all parts are present and undamaged before assembly.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Keep children and pets away during assembly.
- Do not exceed the weight capacity of the shelves.
- Always lock the casters when the cart is stationary to prevent accidental movement.
- This product is designed for outdoor use. Protect from extreme weather conditions when not in use to prolong its lifespan.

PARTS LIST

Before beginning assembly, verify that all components listed below are included in your package.

| Part | Description | Quantity |
|------|---|----------|
| A | Main Frame Assembly | 1 |
| B | Shelf Panels | 2 |
| C | Casters (2 lockable, 2 non-lockable) | 4 |
| D | Assembly Hardware (Screws, Washers, Allen Wrench) | 1 Set |

Note: Actual parts may vary slightly in appearance.

SETUP & ASSEMBLY

Follow these steps to assemble your PayLessHere Outdoor PE Wicker Rolling Bar Cart.

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, flat surface to prevent damage.

3. **Install Shelf Panels:** Insert the two shelf panels (B) into the designated slots on the main frame assembly (A). Ensure they are securely seated.

Storage Shelf

Additional storage space is provided under the table where you can store magazines or other items for your convenience.

4. **Final Check:** Once all components are assembled, gently shake the cart to ensure stability. If any part feels loose, re-check the connections and tighten hardware as necessary.

OPERATING INSTRUCTIONS

- **Moving the Cart:** Unlock the casters by flipping the lever on the lockable wheels. Use the integrated handles at the top of the cart to push or pull it to your desired location.

Water Resistance

Can endure rain and wind to withstand the test of time

- **Securing the Cart:** Once the cart is in position, engage the locks on the two lockable casters to prevent unintended movement.
- **Utilizing Storage:** The three tiers provide ample space for serving drinks, holding glassware, or storing outdoor essentials. The lower shelf is suitable for larger items like a storage crate.

MAINTENANCE

- **Cleaning:** Wipe the wicker and aluminum frame with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Weather Protection:** While the PE wicker is weather-resistant, prolonged exposure to extreme weather conditions (heavy rain, snow, intense sun) can reduce its lifespan. Consider using a furniture cover or storing the cart indoors during harsh weather.

4 Quality Casters

- **Caster Care:** Periodically check the casters for debris or hair that may impede movement. Clean as necessary. Lubricate the caster axles annually with a silicone-based spray if movement becomes stiff.
- **Hardware Check:** Periodically inspect all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|----------------------------------|--------------------------------------|--|
| Cart is wobbly after assembly. | Loose hardware. | Ensure all screws are tightened securely. Do not overtighten. |
| Castors do not roll smoothly. | Debris in casters; casters locked. | Check for and remove any debris. Ensure caster locks are disengaged. Lubricate if necessary. |
| Wicker appears faded or damaged. | Prolonged exposure to harsh weather. | Protect the cart with a cover or store indoors during extreme weather. |
