## LG WKEX200HGA

# LG WKEX200HGA WashTower Washer and Dryer with TurboWash (Nature Green) - Instruction Manual

Brand: LG | Model: WKEX200HGA

## INTRODUCTION

The LG WKEX200HGA WashTower is an innovative, single-unit laundry solution combining a 4.5 cu. ft. washer and a 7.4 cu. ft. electric dryer. Designed for efficiency and space-saving, this unit features a sleek Nature Green finish and an intuitive Center Control Panel. It incorporates advanced technologies such as AI Fabric Sensors, Smart Learner, Smart Pairing, TurboWash 360°, Allergiene wash cycle, and TurboSteam to provide optimal fabric care. ThinQ Technology with ThinQ Care offers smart alerts and remote control capabilities for enhanced convenience.

## SETUP AND INSTALLATION

The LG WashTower is designed for built-in installation, offering a compact footprint while providing ultra-large capacity. Ensure proper electrical connections (240V, 30 Amps for electric dryer) and utilize the 3-way venting option for the dryer. Refer to the detailed installation guide provided with your unit for specific requirements and safety instructions.

Image: The LG WashTower's Center Control Panel illuminated, displaying various wash and dry cycles, temperature settings, and additional options for user selection.

## Washer Operation

Select your desired wash cycle and options using the touch controls. The AI technology can detect fabric texture and load size to customize settings, or you can manually adjust them.

- **Wash Cycles:** Normal, Bedding, Delicates, Heavy Duty, Small Load, Downloaded.
- **Wash Options:** Wrinkle Care, Steam, Reduce Static, Energy Saver, Steam Fresh, Drum Light, Control Lock, Signal, Wi-Fi / Remote Start.
- **Temperature Settings:** High, Medium/High, Medium, Low/Medium, Low.

Add detergent and fabric softener to the designated dispenser drawer before starting a wash cycle.

## Dryer Operation

Choose the appropriate dry cycle and level for your load. The dryer features AI Sensor Dry for optimized drying performance.

- **Dryer Cycles:** Normal, Bedding, Delicates, Heavy Duty, Small Load, Downloaded.
- **Drying Levels:** Very, More, Normal, Less, Damp.
- **Manual Dry Times:** 60 min., 50 min., 40 min., 30 min., 20 min.
- **Advanced Features:** AI Sensor Dry, Precise Temperature Control with Variable Heater, TurboSteam, FlowSense Duct Clogging Indicator.

## Smart Features

Leverage the LG ThinQ app to connect with your WashTower. This enables features like remote start and cycle monitoring, energy monitoring, and proactive customer care for maintenance alerts and early diagnosis.

## MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your WashTower. The washer drum includes a light for better visibility during loading and cleaning. Periodically clean the dryer's lint filter and monitor the FlowSense Duct Clogging Indicator to prevent blockages and maintain drying efficiency.

## TROUBLESHOOTING

Should you encounter any operational issues, the LG ThinQ app's SmartDiagnosis (v3.0) feature can assist with early diagnosis. For persistent problems or technical support, please contact LG customer service or visit the official LG website for comprehensive troubleshooting guides.

## SPECIFICATIONS

Feature	Detail
Washer Capacity	4.5 cu. ft.
Dryer Capacity	7.4 cu. ft.
Product Dimensions (WxHxD)	27" x 74 3/8" x 30 3/8"
