SETUP INSTRUCTIONS

Assembly typically takes approximately 15 minutes. Follow these steps for proper setup:

1. Unpack all components and lay them out on a clean, flat surface.
2. Connect the metal poles using the flexible buckle connections. Ensure each connection is secure.
3. Slide the fabric panels onto the assembled frame. The panels are designed to be taut for a smooth appearance.
4. Attach the wider support feet to the base of the divider panels for enhanced stability.
5. Once assembled, the divider can be arranged into various shapes to suit your space.

Note on Assembly: Some users have reported that the push latches for connecting poles can be stiff, and fabric panels may be very taut. Apply firm, even pressure during assembly. If poles do not align perfectly, ensure all connections are fully engaged.

Space-saving design & Foldable

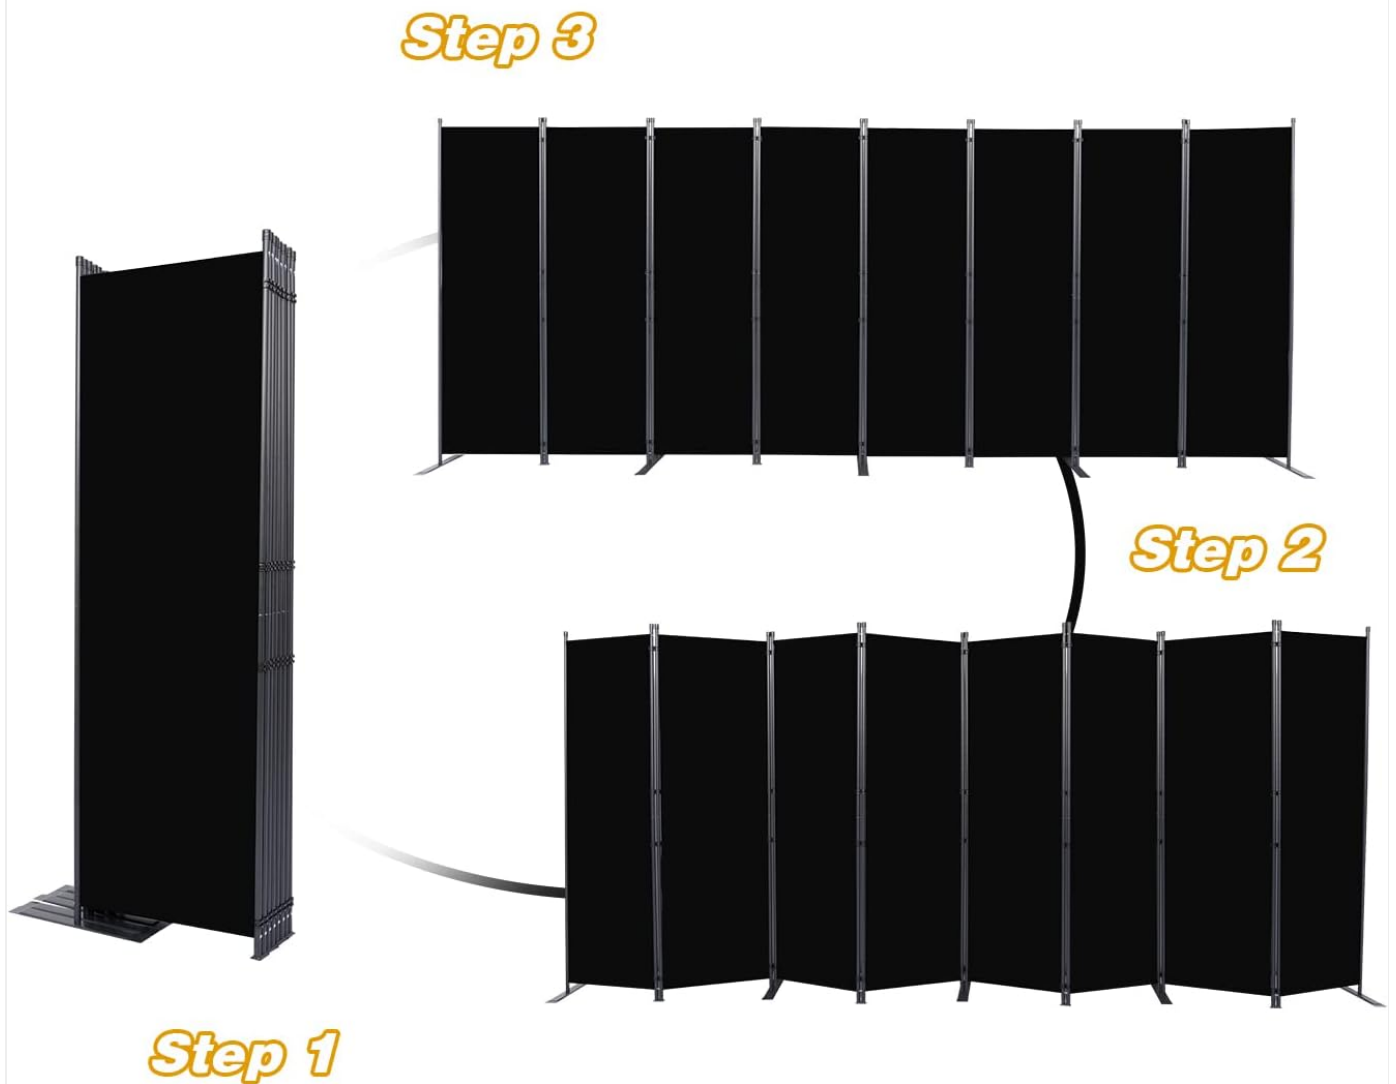

Image: Step-by-step visual guide demonstrating how to unfold and set up the room divider from a compact state.

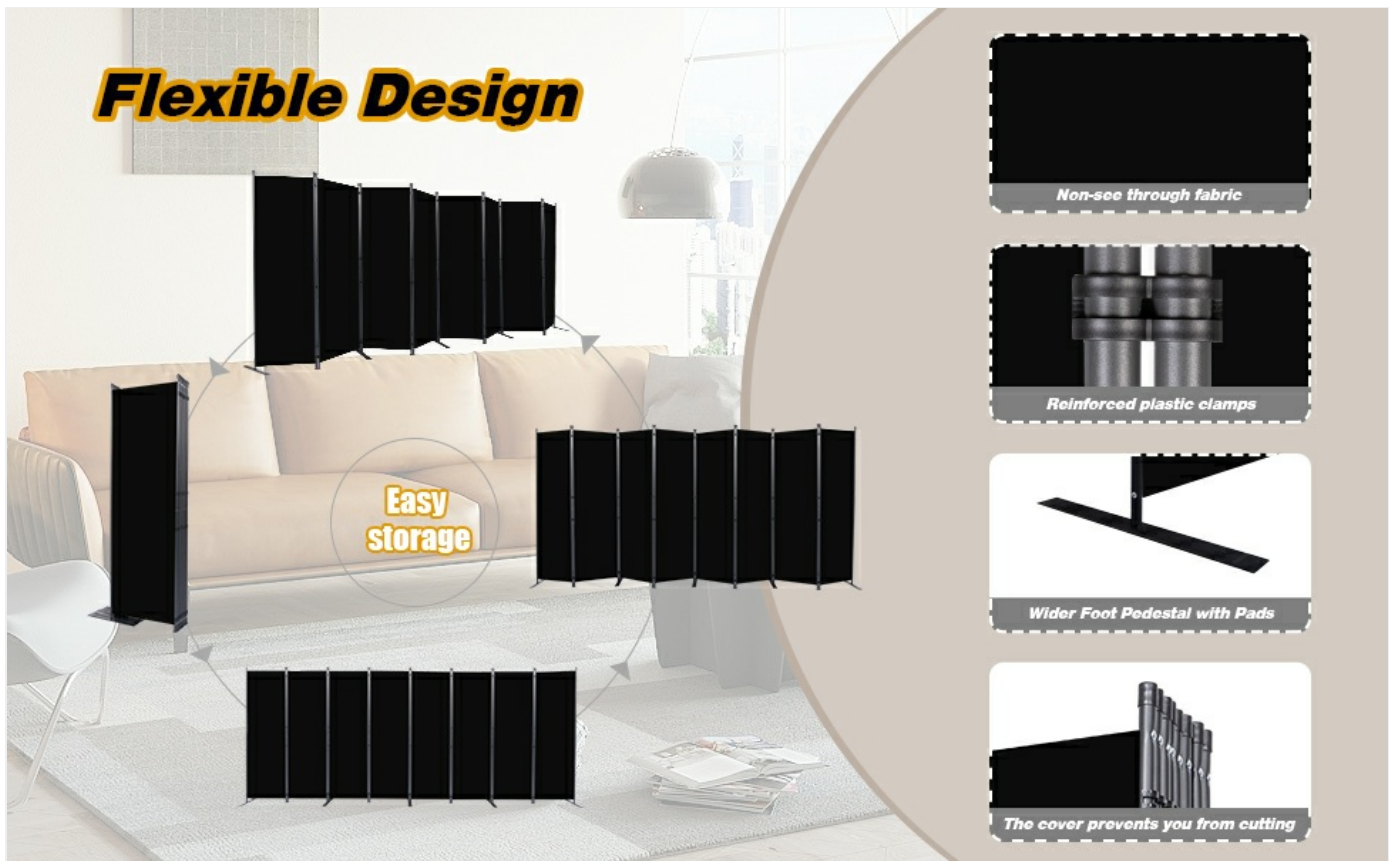

Image: This diagram illustrates the flexible design of the room divider, showing how it can be configured in different shapes and folded for easy storage. Details on non-see-through fabric, reinforced plastic clamps, and wider foot pedestals are also highlighted.

OPERATING INSTRUCTIONS

The CHOSENM Room Divider is designed for versatile use:

- **Privacy:** Use the divider to create private spaces in dorm rooms, studios, offices, or other shared areas.
- **Room Separation:** Effectively partition larger rooms into distinct functional zones.
- **Light Shielding:** Position the divider to block unwanted sunlight or light from windows.
- **Folding and Storage:** The flexible buckle connections allow the divider to be folded into a compact size for easy storage when not in use.

MAINTENANCE

To maintain the appearance and longevity of your room divider:

- **Cleaning:** Wipe the fabric panels and metal frame with a dry cloth.
- **Fabric Care:** The high-density polyethylene fabric is tear-resistant and non-see-through. If creases are present from packaging, they can be smoothed out with a low-setting steam iron.
- **Frame Care:** The iron frame has a powder coating to resist rust and wear. Avoid harsh chemicals that could damage the finish.

TROUBLESHOOTING

- **Stability Issues:** Ensure the wider support feet are properly attached and angled correctly. The divider is designed to be lightweight and portable; for maximum stability, position it in a slightly angled or zig-zag configuration rather than a straight line.
- **Assembly Difficulty:** If connecting poles or attaching fabric panels is challenging, ensure all components are correctly oriented. The fabric is designed to be taut, requiring firm but gentle force to fit.
- **Creased Fabric:** Creases from packaging are normal. Use a low-setting steam iron to smooth them out.

SPECIFICATIONS

Product Dimensions (Extended)	176" W x 71.3" H
Brand	CHOSENM
Model Number (ASIN)	B0BDRGS8XX
Color	Black
Number of Panels	8
Material	High Density Polyethylene (HDPE) fabric, Iron frame
Special Features	Foldable, Lightweight, Portable, Tear Resistant, Wrinkle Free
Mounting Type	Freestanding
Indoor/Outdoor Usage	Indoor
Item Weight	28.9 pounds

Foldable Room Divider 8 Panels Size
