## MDESIGN PLASTIC STACKABLE BATHROOM STORAGE WITH PULL OUT BIN ORGANIZER DRAWER

Model: 22337MDBST

Brand: mDesign

### Introduction

The mDesign Lumiere Collection Stackable Storage Bins are designed to help organize various items in your home, particularly in bathrooms, cabinets, and closets. These clear plastic organizers feature a convenient pull-out drawer and a stackable design, allowing for efficient vertical storage and easy access to contents. This manual provides essential information on the product's features, setup, usage, maintenance, and specifications.

### Product Features

- **Stylish Storage:** Ideal for organizing bath and beauty products, toiletries, and other small items. Suitable for use on vanity countertops, under sinks, or inside cabinets.
- **Stackable Design:** Features a pull-out drawer for easy access. The clear construction allows visibility of contents. Designed to stack vertically to maximize storage space. Can be used individually or combined for a

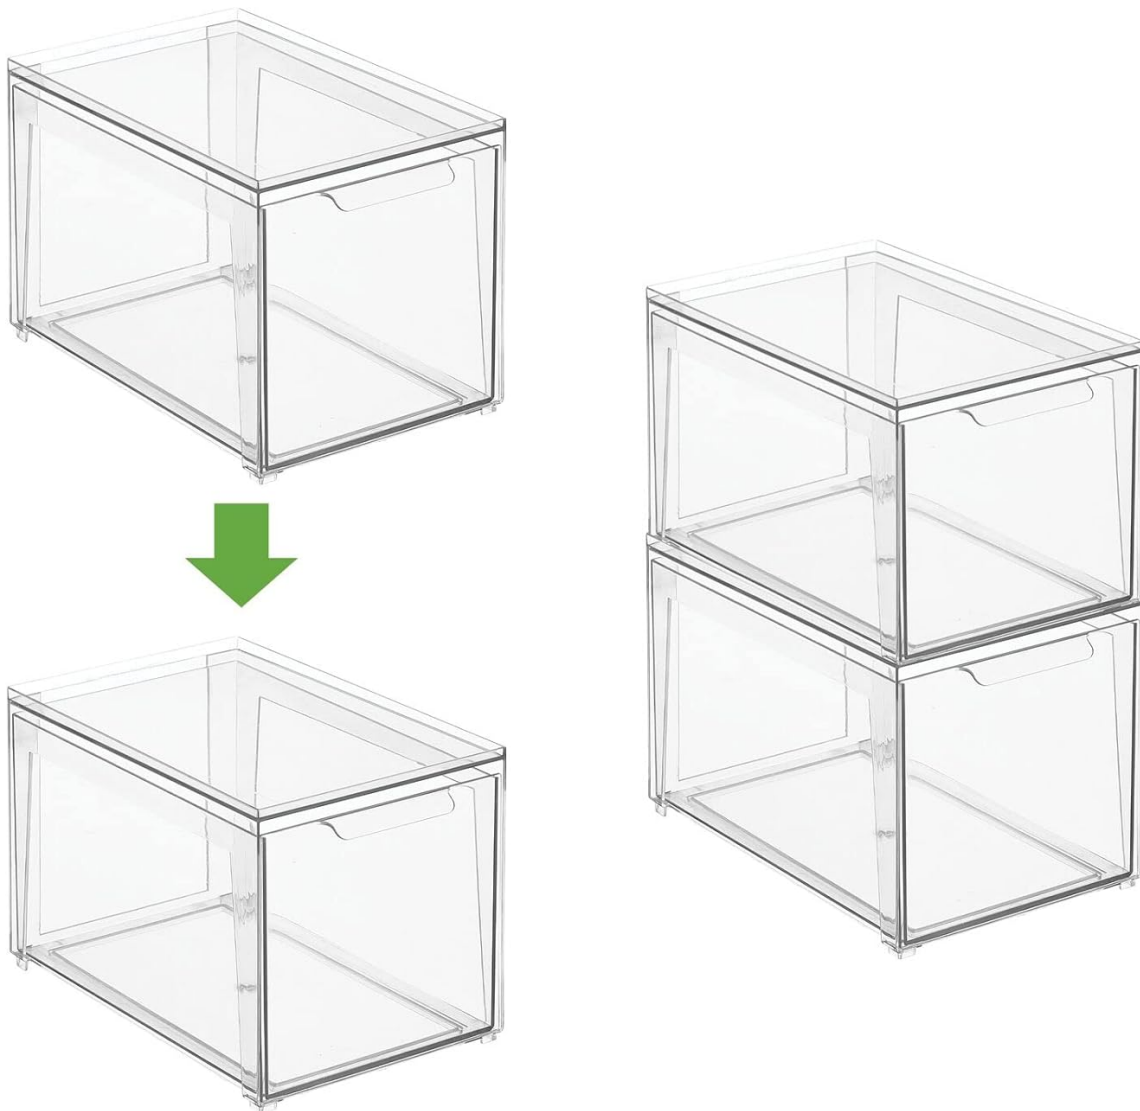

customized storage system.

- **Versatile & Compact:** Applicable in any room, including bedrooms, bathrooms, laundry rooms, kitchens, craft rooms, and playrooms. Excellent for accessories, toys, puzzles, games, and books. Compact size makes them suitable for apartments, dorm rooms, RVs, and campers.
- **Quality Construction:** Made from durable plastic.
- **Thoughtfully Sized:** Each unit measures 12" x 8" x 8" high.

## Setup

The mDesign Stackable Storage Bins require minimal setup. They are designed for immediate use upon unboxing.

1. **Unpack:** Carefully remove all storage bins from their packaging. Inspect each unit for any signs of damage during transit.
2. **Placement:** Determine the desired location for your organizers. These bins are suitable for countertops, inside cabinets, on shelves, or within drawers.
3. **Stacking (Optional):** To maximize vertical storage, place one bin directly on top of another. The design ensures stability when stacked.

## Operating

Using your mDesign Stackable Storage Bins is straightforward and designed for convenience.

1. **Filling the Bins:** Place items such as toiletries, cosmetics, small accessories, or pantry items into the clear bins. The transparent material allows for easy identification of contents.
2. **Accessing Contents:** To access items, gently pull the integrated handle on the front of the drawer. The drawer slides out smoothly.
3. **Closing the Drawer:** Push the drawer back into the main unit until it is fully closed.

## Maintenance

Proper care will ensure the longevity and clarity of your mDesign storage bins.

- **Cleaning:** Clean the bins with mild soap and water. Use a soft cloth or sponge to wipe surfaces.
- **Drying:** Thoroughly dry the bins with a clean, soft cloth to prevent water spots.
- **Avoid Dishwasher:** Do not place the bins in a dishwasher, as high temperatures can cause warping or damage to the plastic.
- **Chemicals:** Avoid using abrasive cleaners, harsh chemicals, or scouring pads, as these can scratch or dull the clear plastic surface.

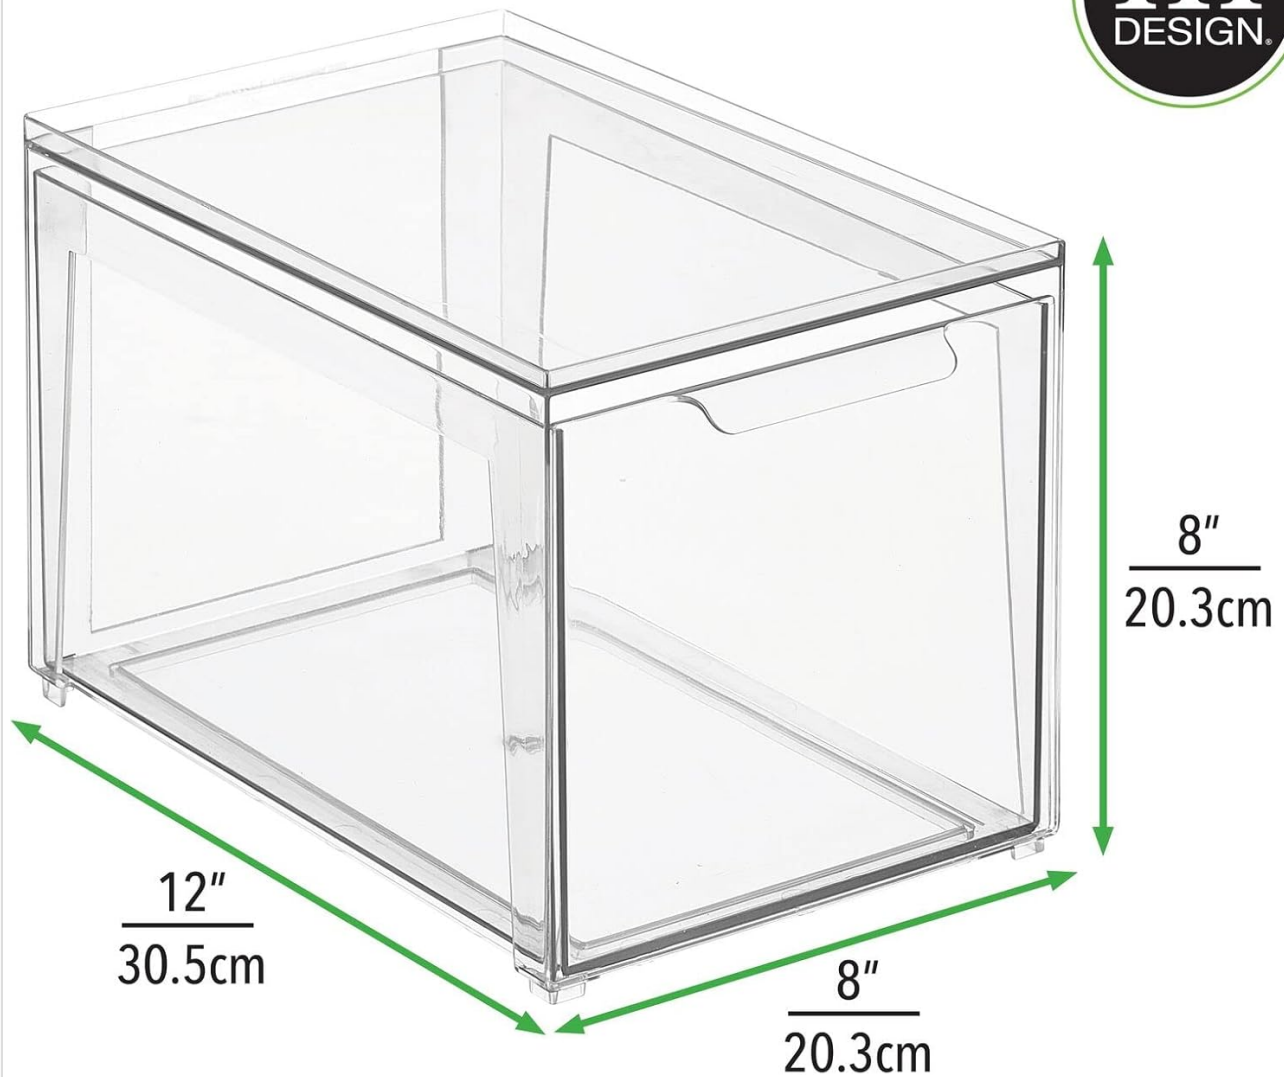

## Troubleshooting

Here are solutions to common issues you might encounter:

Problem	Possible Cause	Solution
Drawer does not slide smoothly.	Debris or dust in the tracks; drawer overloaded.	Remove the drawer and clean the tracks with a damp cloth. Reduce the weight or volume of items in the drawer.
Bins appear cloudy or scratched.	Use of abrasive cleaners; contact with rough surfaces.	Ensure only mild soap and soft cloths are used for cleaning. Avoid dragging bins on rough surfaces.
Bins are unstable when stacked.	Uneven surface; improper stacking.	Place bins on a flat, stable surface. Ensure each bin is properly aligned when stacking.
