boAt Bassheads 103 Wired Earphones

USER MANUAL

1. Introduction and Overview

Thank you for choosing the boAt Bassheads 103 Wired Earphones. These in-ear earphones are designed to provide an immersive audio experience with clear sound and deep bass. Featuring a lightweight and adaptive design, they are comfortable for extended use. The integrated in-line microphone and multi-function control allow for hands-free communication and easy management of audio playback and voice assistant functions.

2. What's in the Box

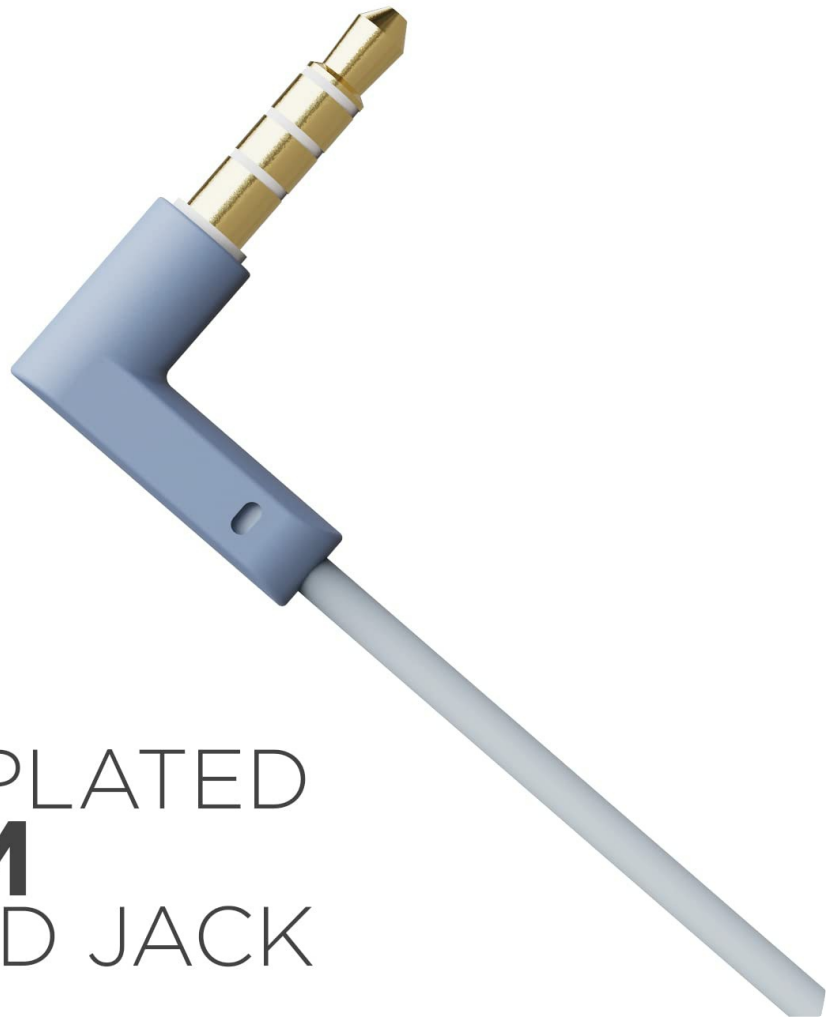

Please check the package contents to ensure all items are present:

- boAt Bassheads 103 Wired Earphones
- Additional Earbuds (various sizes)
- User Manual
- Warranty Card

3. Setup

Follow these steps to set up your boAt Bassheads 103 earphones:

1. **Select Earbuds:** Choose the earbud size that provides the most comfortable and secure fit for your ears. A good fit is crucial for optimal sound quality and passive noise isolation.
2. **Connect to Device:** Insert the 3.5mm angled jack into the audio port of your smartphone, tablet, laptop, desktop, or other compatible audio device. Ensure the connection is firm.

- **Music Playback:**

- Press the multi-function button once to Play/Pause music.

- **Call Management:**

- Press the multi-function button once to Answer an incoming call.
- Press the multi-function button once to End an active call.
- Press and hold the multi-function button to Reject an incoming call.

- **Voice Assistant:**

- Press and hold the multi-function button to activate your device's voice assistant (e.g., Google Assistant, Siri).

5. Maintenance

Proper maintenance ensures the longevity and optimal performance of your earphones.

- **Cleaning:** Gently wipe the earbuds and cable with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.

- **Storage:** The Bassheads 103 feature magnetic earbuds for convenient and tangle-free storage. When not in use, connect the earbuds magnetically to prevent tangling and damage.

MAGNETIC EARBUDS

FOR OPTIMUM STORAGE & LESS TANGLE

Image: The boAt Bassheads 103 earphones with magnetic earbuds connected for tangle-free storage.

- **Water Resistance:** These earphones are **NOT water resistant**. Avoid exposure to water, moisture, or excessive humidity to prevent damage.
- **Cable Care:** While the cable is designed to be tangle-free, avoid excessive pulling or bending to prevent internal wire damage.

6. Troubleshooting

If you encounter issues with your earphones, refer to the following common solutions:

- **No Sound:**
 - Ensure the 3.5mm jack is fully inserted into your device's audio port.
 - Check the volume level on your device.
 - Test the earphones with another device to rule out a device-specific issue.
 - Ensure the audio output setting on your device is directed to the connected earphones.
- **Microphone Not Working:**

- Ensure the 3.5mm jack is fully inserted.
 - Check your device's microphone input settings.
 - Test the microphone with another application or device.
- **Poor Sound Quality:**
 - Ensure the earbuds are properly seated in your ears for a good seal.
 - Try different earbud sizes for a better fit.
 - Check the audio source quality.
