1. PRODUCT OVERVIEW

The LEXIBOOK Spider-Man Bilingual Educational Laptop is an interactive learning toy designed for children aged 3 years and up. It offers 124 educational activities across various subjects in both Italian and English, including language, mathematics, general knowledge, logic, music, and clock reading. The laptop features an ergonomic design with a realistic keyboard and mouse, an LCD screen with animations, and musical activities to introduce basic music concepts.

2. SAFETY INFORMATION

This product is suitable for children aged 3 years and up. Adult supervision is recommended during use, especially for younger children. Please read and retain these instructions for future reference.

- **Battery Safety:** Ensure batteries are inserted correctly with the proper polarity. Do not mix old and new batteries, or different types of batteries. Remove exhausted batteries promptly. Dispose of batteries responsibly.
- **Choking Hazard:** This product contains small parts (e.g., batteries) that could be a choking hazard if swallowed. Keep away from very young children.
- **Electrical Safety:** Do not expose the device to water or excessive moisture. Do not attempt to disassemble or modify the device.
- **Cleaning:** Clean the device with a soft, dry cloth. Do not use abrasive cleaners or solvents.

3. SETUP

3.1. Package Contents

Verify that all items are present in the package:

- 1 x LEXIBOOK Spider-Man Bilingual Educational Laptop

- 1 x Wired Mouse
- Instruction Manual (this document)

Image 3.1: The product as it appears in its retail packaging.

3.2. Battery Installation

The laptop requires 2 Lithium Ion batteries (not included). Follow these steps to install them:

1. Locate the battery compartment on the underside of the laptop.
2. Using a screwdriver, carefully open the battery compartment cover.
3. Insert 2 Lithium Ion batteries, ensuring the correct polarity (+/-) as indicated inside the compartment.
4. Replace the battery compartment cover and secure it with the screw.

3.3. Connecting the Mouse

The wired mouse connects to the laptop via a dedicated port. Plug the mouse connector firmly into the port located on the side of the laptop.

4. OPERATING INSTRUCTIONS

4.1. Powering On/Off

- To power on the laptop, press the **ON/OFF** button, usually located near the keyboard.
- To power off, press the **ON/OFF** button again. The device may also have an automatic shut-off feature after a period of inactivity to conserve battery life.

4.2. Language Selection

Upon first use or after a reset, you may be prompted to select a language. Use the keyboard or mouse to navigate and select either **Italian** or **English** for the activities and interface.

4.3. Navigating Activities

The laptop features a keyboard and a mouse for interaction. Use the arrow keys,**ENTER** key, or the mouse to select activities from the main menu. The LCD screen will display animations and instructions for each activity.

4.4. Activity Categories

The laptop includes 124 activities categorized as follows:

- **Language:** Activities focused on letters, words, typing skills (dactylography), and spelling in both Italian and English.
- **Mathematics:** Exercises covering numbers and basic arithmetic operations (addition, subtraction, multiplication, division).
- **General Knowledge:** Quizzes and facts to broaden understanding.
- **Logic:** Puzzles and challenges designed to develop logical thinking.
- **Music:** Introduction to musical notes, composing simple melodies, and playing pre-programmed tunes.
- **Clock Reading:** Activities to learn how to read analog and digital clocks.
- **Games:** Fun games that test memory, speed, and problem-solving skills.

4.5. Testing Knowledge

Many activities include different levels of difficulty to test and improve knowledge. Follow the on-screen prompts to answer questions and progress through the challenges.

5. MAINTENANCE

- **Cleaning:** Use a soft, slightly damp cloth to clean the surface of the laptop and mouse. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the laptop in a dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** If the device will not be used for an extended period, remove the batteries to prevent leakage.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Batteries are low or incorrectly installed.	Check battery polarity. Replace with fresh batteries.
Screen is blank or flickering.	Low battery power; temporary software glitch.	Replace batteries. Turn off and on again.
Mouse is not responding.	Mouse not properly connected.	Ensure the mouse connector is fully inserted into the port.

Problem	Possible Cause	Solution
Sound is not working.	Volume is too low; temporary software issue.	Adjust volume settings if available. Turn off and on again.

7. SPECIFICATIONS

Model Number: JC598SPi5
