

LITFAD LT815003L

LITFAD Minimalist Indoor Pendant Light LT815003L User Manual

Model: LT815003L

INTRODUCTION

This manual provides essential instructions for the safe installation, operation, and maintenance of your LITFAD Minimalist Indoor Pendant Light. Please read this manual thoroughly before installation and retain it for future reference.

IMPORTANT SAFETY INFORMATION

WARNING:

- For a safe and secure installation, ensure the electrical box to which this fixture will be mounted is properly attached to a structural member of the building.
- All wires are connected. When unpacking, be careful not to pull with wires as a bad connection may result.
- Do not connect electricity until your fixture is fully assembled.
- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug the fixture and allow it to cool prior to replacing the light bulb.
- Do not touch the bulb when the fixture is turned on or look directly at the lit bulb. Keep flammable materials away from the lit bulb.
- This product is for indoor use only.

Item Weight	6.69 pounds

For detailed dimensions of different sizes, refer to the image below.

Image Description: A diagram illustrating five different sizes of the LITFAD pendant light, ranging from 12 inches to 27.5 inches in width, with corresponding height measurements.

SETUP AND INSTALLATION

This section outlines the general steps for installing your pendant light. Professional installation is recommended if you are unfamiliar with electrical wiring.

- 1. Turn off Power:** Before starting any electrical work, ensure the power to the circuit is turned off at the main breaker panel.
- 2. Prepare Mounting Location:** Ensure the electrical box is securely mounted to a structural support.

3. **Assemble Fixture:** Carefully unpack all components. Attach the pendant rod to the canopy and the shade.
4. **Wire Connections:** Connect the fixture's wires to the corresponding house wires (usually black to black, white to white, and ground to ground) using wire nuts.
5. **Mount Canopy:** Secure the canopy to the electrical box using the provided screws.
6. **Adjust Height:** The chain/cord is adjustable. Adjust the hanging height as desired before tightening.
7. **Install Bulb:** Insert the appropriate E27/E26 bulb (not included) into the socket.
8. **Restore Power:** Turn the power back on at the main breaker panel.

OPERATION

The LITFAD Minimalist Indoor Pendant Light operates via your existing wall switch.

- **Turning On/Off:** Use the wall switch connected to the fixture to turn the light on or off.
- **Dimming (if applicable):** If you have installed a dimmable bulb and a compatible dimmer switch, you can adjust the light intensity.

MAINTENANCE AND CARE

- **Cleaning:** To clean the fixture, turn off the power and allow it to cool. Wipe the shade and metal parts with a soft, dry, or slightly damp cloth. Do not use abrasive cleaners or solvents.
- **Bulb Replacement:** Ensure the power is off and the bulb has cooled completely. Unscrew the old bulb and screw in a new E27/E26 bulb of the appropriate wattage.
- **Inspection:** Periodically check all connections and mounting hardware to ensure they remain secure.
