

LITFAD LT815003S

LITFAD Minimalist Cloth Art Pendant Light (Model LT815003S, 16-inch) Instruction Manual

1. INTRODUCTION

This manual provides essential information for the safe and efficient installation, operation, and maintenance of your LITFAD Minimalist Cloth Art Pendant Light. Please read these instructions thoroughly before beginning installation and retain them for future reference.

1.1 Product Overview

The LITFAD Minimalist Cloth Art Pendant Light is a modern and creative hanging light designed for indoor use. Its unique lantern-style design, crafted from metal and silk, provides a distinctive aesthetic suitable for various settings.

1.2 Intended Use

This pendant light is ideal for indoor lighting in areas such as living rooms, dining rooms, hotels, restaurants, cafes, bedrooms, kitchens, corridors, and balconies.

1.3 Safety Information

- For a safe and secure installation, ensure that the electrical box to which this fixture will be mounted is properly attached to a structural member of the building.
- All wires are connected. When unpacking, be careful not to pull with wires as a bad connection may result.
- Do not connect electricity until your fixture is fully assembled.
- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug the fixture and allow it to cool prior to replacing the light bulb.
- Do not touch the bulb when the fixture is turned on or look directly at a lit bulb. Keep flammable materials away from a lit bulb.

2. PRODUCT COMPONENTS AND DIMENSIONS

The LITFAD Minimalist Cloth Art Pendant Light (Model LT815003S) features a durable metal frame with a

silk shade, providing a soft, diffused light. The fixture is designed for adjustable hanging height.

2.1 Included Components

- Pendant Light Shade (Silk)
- Mounting Hardware
- Adjustable Chain/Cord

2.2 Dimensions

- Fixture Width: 16 inches (40 cm)
- Fixture Height: 8 inches (20 cm)
- Product Dimensions: 16"L x 16"W x 8"H
- Chain/Cord: Adjustable

3. SETUP AND INSTALLATION

The LITFAD pendant light is designed for quick and easy installation. Ensure all components are present and undamaged before proceeding.

3.1 Pre-Installation Checklist

- Verify that the electrical box is securely mounted to a structural member.
- Ensure power to the installation area is turned off at the circuit breaker.
- Unpack all components carefully, avoiding pulling on wires.

3.2 Installation Steps

1. Attach the mounting bracket to the electrical box using the provided hardware.
2. Adjust the chain/cord to your desired hanging height.
3. Connect the electrical wires (live, neutral, ground) from the fixture to the corresponding wires in the electrical box, following local electrical codes.
4. Secure the canopy to the mounting bracket, ensuring all wires are safely tucked inside.
5. Install the appropriate light bulb (not included) into the E27/E26 base.

6. Restore power at the circuit breaker and test the light.

Important: Do not connect electricity until your fixture is fully assembled. If you are unsure about any installation steps, consult a qualified electrician.

4. OPERATING INSTRUCTIONS

The LITFAD pendant light is designed for simple operation once installed.

4.1 Bulb Requirements

- Bulb Type: LED, Incandescent, or Fluorescent
- Bulb Base: E27/E26
- Number of Lights: 1
- Voltage: AC110-120V
- **Note:** Bulb is not included with the fixture.

4.2 Power Control

The light is controlled via a standard wall switch (not included) or a compatible touch control system if integrated into your home's electrical setup. The fixture itself supports a touch control method.

5. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your pendant light.

5.1 Cleaning

- Always ensure the power is off and the fixture is cool before cleaning.
- Gently wipe the silk shade and metal components with a soft, dry, lint-free cloth.
- Avoid using abrasive cleaners, solvents, or polishes, as these can damage the finish and fabric.

5.2 Bulb Replacement

When replacing the bulb, ensure the power is off and the old bulb has cooled. Unscrew the old bulb and screw in a new one of the correct type (E27/E26 base, LED/Incandescent/Fluorescent compatible).

6. TROUBLESHOOTING

If you encounter issues with your pendant light, please refer to the following common troubleshooting steps:

- **Light Does Not Turn On:**
 - Check if the power switch is in the 'ON' position.
 - Verify that the circuit breaker for the light fixture is not tripped.
 - Ensure the light bulb is securely screwed into the socket and is not burnt out.
 - Confirm that all electrical connections are secure and correctly wired.
- **Flickering Light:**
 - Ensure the bulb is fully tightened.
 - Check for loose wiring connections at the fixture or switch.

- If using a dimmer, ensure the bulb is compatible with the dimmer switch.
- **Unusual Noises:**
 - Turn off the power immediately. This could indicate a loose connection or faulty wiring. Consult a qualified electrician.

If these steps do not resolve the issue, please contact customer support for further assistance.
